CONSTRUCTION WAGE POLICY

EFFECTIVE January 1, 2005

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.

The amount of such adjustments shall be determined by the provisions of the Project Documents.

SCHEDULE D

Agency Payment in Lieu of Taxes (PILOT) Policy

An annual fee of \$1,000 will be due to the Agency in addition to the PILOT payment to cover ongoing costs incurred by the Agency on behalf of the project.

1. The Town of Brookhaven Industrial Development Agency (IDA) may grant, or be utilized to obtain a partial or full real property tax abatement for a determined period which can be as long as ten years. To be eligible for this abatement there would be a requirement of new construction, or renovation, and a transfer of title of the real property to the Town of Brookhaven IDA.
2. The Chief Executive Officer (CEO) or their designee shall consult with the Town Assessor to ascertain the amounts due pursuant to each PILOT Agreement. Thereafter, the PILOT payment for each project shall be billed to the current lessees. The lessees can pay the PILOT payment in full by January 31st of each year, or in two equal payments due January 31st and May 31st of each year of the PILOT Agreement. The CEO or their designee shall send all PILOT invoices to the lessees on a timely basis.
3. The Town of Brookhaven IDA shall establish a separate, interest bearing bank account for receipt and deposit of all PILOT payments. The CEO or their designee shall be responsible for depositing and maintaining said funds with input from the Chief Financial Officer (CFO).
4. The CEO or their designee shall remit PILOT payments and penalties if any, to the respective taxing authorities in the proportionate amounts due to said authorities. These remittances shall be made within thirty (30) days of receipt of the payments to the Agency.
5. Payments in lieu of taxes which are delinquent under the agreement shall be subject to a late payment penalty of five percent (5%) of the amount due. For each month, or part thereof, that the payment in lieu of taxes is delinquent beyond the first month, interest shall on the total amount due plus a late payment penalty in the amount of one percent (1%) per month until the payment is made.
6. If a PILOT payment is not received by **January 31st of any year or May 31st** of the second half of the year the lessee shall be in default pursuant to the PILOT Agreement. The Agency may give the lessee notice of said default. If the payment is not received within thirty (30) days of when due, the CEO shall notify the Board, and thereafter take action as directed by the Board.
7. The CEO shall maintain records of the PILOT accounts at the Agency office.
8. Nothing herein shall be interpreted to require the Agency to collect or disburse PILOT payments for any projects which are not Agency projects.

9. Should the Applicant fail to reach employment levels as outlined in their application to the Agency, the Board reserves the right to reduce or suspend the PILOT Agreement, declare a default under the Lease or the Installment Sale Agreement, and/or convey the title back to the Applicant.
10. This policy has been adopted by the IDA Board upon recommendation of the Governance Committee and may only be amended in the same manner.

PART IV.3 The Applicant has expended \$500,000.00 as a contract deposit, and approximately \$200,000 in engineering and architectural fees for the entire parcel which is being acquired.

PART VII.3. The cost of providing effective and caring assisted living services on Long Island is expensive. The Applicant needs to maintain operating expenses at a reasonable level in order to operate a first-class residence providing a range of services to its occupants to foster their continued health and welfare. Affiliates of the Applicant operate fourteen assisted living facilities on Long Island and Westchester County, all of which have received assistance from industrial development agencies in recognition of the considerable operating costs and the benefit in services and jobs that the projects provide to their communities. The partnership between the agencies and the principals of the Applicant have permitted it to become one of the larger employers on Long Island, and a true economic engine for the region.

PART VII.4. The Applicant will be unable to undertake the Project. This will result in the Town of Brookhaven missing the opportunity to provide desirable assisted living services to its residents. Local senior Brookhaven residents would be unable to remain in the communities they helped develop, be close to their children, grandchildren and other loved ones, and shop visit healthcare providers and other services. It would also reduce the employment opportunities that the Project would support.
