***RE: Town of Brookhaven Industrial Development Agency with Sunrise Wind LLC -  
Sunrise Wind New York Onshore Export Facilities Project – 2021  
APPLICATION SUPPLEMENT***

Dear Ms. Mulligan:

We represent Sunrise Wind LLC (the “Applicant”) in connection with their application to the Town of Brookhaven Industrial Development Agency (“Agency”) for financial assistance submitted on April 15, 2021 and accepted by the Agency’s Board on April 21, 2021 (“Application”).

The purpose of this letter is to supplement the Application to provide for (i) an increased overall Project cost of \$491,100,000 from \$471,100,000 (an increase of \$20,000,000), (ii) an increased cost of Project materials and equipment of \$274,400,000 from 254,400,000 (an increase of a corresponding \$20,000,000) (iii) an increased total amount of goods and services that are subject to Sales and Use Tax of \$280,000,000 from \$260,000,000 (an increase of a corresponding \$20,000,000), and (iv) as a result, an increased requested estimated Sales and Use Tax exemption amount of \$24,150,000 from \$22,425,000.

The reason for the requested increase in Project costs and the related increased in the requested Sales and Use Tax exemption is to account for increases in copper prices and other general increases in the price of components and materials.

Attached hereto please find Appendix A with slip pages to the Application updated with the above-described supplemental information.

We look forward to continue working with the Agency in connection with the foregoing and stand ready to answer any questions the Agency may have.

Thank you in advance for your courtesy and consideration.

### CONSTRUCTION WAGE POLICY

**EFFECTIVE January 1, 2005**

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;
- (2) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program;

OR

- (3) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.
