United Rentals submitted an Application for Financial Assistance to the Town of Brookhaven Industrial Development Agency that was accepted by the Board at its December 2, 2015 meeting. This letter is being submitted to update the application to reflect that the potential project site under consideration by United Rentals has changed from National Boulevard, Medford, NY to the Brookhaven Technical Park in Shirley, NY. The new site is located on the southeast side of the Long Island Expressway and William Floyd Parkway off exit 68 of the Long Island Expressway. The current estimated project figures for the new potential project site are comparable to the estimated figures in the original application. If United Rentals becomes aware of any material change in the estimated figures it will promptly notify the ID.
