CHAIRMAN BRAUN: Mr. Braun votes yes,  
the minutes are accepted. Lori?

MS. LAPONTE: Included in your  
package is the updated draft of the budget  
that was previously presented. This is in  
final form because pending your approval, it's  
due to be filed with the state by October  
31st. Just to review with you, we discussed  
previously the revenue, there's a component of  
known projects and a component of unknown  
projects. The annual pilot fees have been  
increased because we changed our pilot annual  
fee from \$1,000 to \$2,000 two years ago, we're  
seeing the effect of that now; also we had  
additional closings. That's coming through.  
Any other questions on any of the other  
expenditures in the budget?

(No response.)

CHAIRMAN BRAUN: Hearing none, I'll  
entertain a motion to accept the 2023 budget  
for the Industrial Development Agency.

MR. TROTTA: Motion, Frank trot.

CHAIRMAN BRAUN: Do I hear a second?
