(IF YES, FURNISH DETAILS ON A SEPARATE SHEET)

Yes No

3. Is there a likelihood that the Applicant would not proceed with this project without the Agency’s assistance? (If yes, please explain why; if no, please explain why the Agency should grant the benefits requested)

Yes No

The parent company of the Applicant, American Hotel Income Properties REIT LP, a publicly held company, is a nationwide owner of 95 hotel properties. Without the continued financial assistance of the Agency, the Applicant would not proceed with including the hotel in its portfolio, as the Applicant has determined that continuation of the PILOT program by the Agency at the levels currently in place is necessary to sustain the long-term financial viability of the hotel and for the hotel to be viewed as economically feasible to potential lenders.

4. If the Applicant is unable to obtain financial assistance from the Agency for the project, what would be the impact on the Applicant and on the municipality?

As stated above, the Applicant would not proceed with including the hotel in its portfolio without the continuing financial assistance of the Agency. This would have a negative impact on the community as it has the potential to deprive the community of economic activity associated with a thriving hotel. The Applicant also agrees, that it will, except as otherwise provided by collective bargaining contracts or agreements to which they are parties, where practicable, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.

Initial

10. In accordance with Section 862(1) of the New York General Municipal Law the Applicant understands and agrees that projects which result in the removal of an industrial or manufacturing plant of the project occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the project occupant within the State is ineligible for financial assistance from the Agency, unless otherwise approved by the Agency as reasonably necessary to preserve the competitive position of the project in its respective industry or to discourage the project occupant from removing such other plant or facility to a location outside the State.
