NOW, THEREFORE, BE IT RESOLVED by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. The Agency hereby finds and determines:

(a) The Action is a Type 1 Action pursuant to SEQR.

(b) The Agency’s jurisdiction over the Facility is the provision of financial and other assistance as authorized under Article 18-A of the General Municipal Law of the State of New York and Chapter 1030 of the Laws of 1969 of the State of New York; together with

Chapter 358 of the Laws of 1970 of the State of New York for certain components of the Action.

(c) Based upon an independent review by the Agency of the DEIS, FEIS, and the Lead Agency's Findings Statement, the Agency hereby concurs in the Lead Agency's findings and decisions contained in the Findings Statement and hereby adopts the Findings Statement attached hereto as Exhibit D as its own Findings Statement under SEQR.

(d) Having considered the DEIS, FEIS, the Findings Statement, and such other documents as may be necessary or appropriate, the Agency certifies that:

(i) The requirements of 6 NYCRR Part 617 have been met;

(ii) Consistent with the social, economic and other essential considerations, from among the reasonable alternatives thereto, the Action is one which minimizes or avoids adverse environmental effects to the maximum extent practicable, including effects disclosed in the DEIS, FEIS, and the Findings Statement; and

(iii) Consistent with social, economic, and other essential considerations, to the maximum extent practicable, adverse environmental effects revealed in the DEIS, FEIS, and the Findings Statement will be minimized or avoided by incorporating as conditions those mitigative measures which were identified as practicable.

(e) The basis for this decision is set forth in the Findings Statement attached as Exhibit D hereto and incorporated by reference herein, and thus all of the provisions of SEQR have been complied with.

Section 2. In connection with the acquisition, demolition, construction and equipping of the Facility the Agency hereby makes the following preliminary determinations and findings based upon information provided by the Company with respect to the Facility, including, the Requisite Materials and other public information:

(a) There is a lack of affordable, safe, clean and modern rental housing in the Town of Brookhaven;

(b) Such lack of rental housing has resulted in individuals leaving the Town of Brookhaven and therefore adversely affecting employers, businesses, retailers, banks, financial institutions, insurance companies, health and legal services providers and other merchants in the Town of Brookhaven and otherwise adversely impacting the economic health and well-being of the residents of the Town of Brookhaven, employers, and the tax base of the Town of Brookhaven;

(c) The Facility, by providing such rental housing will enable persons to remain in the Town of Brookhaven and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the Town of Brookhaven which will increase the economic health and well-

being of the residents of the Town of Brookhaven, help preserve and increase permanent private sector jobs in furtherance of the Agency's public purposes as set forth in the Act, and therefore the Agency finds and determines that the Facility is a commercial project within the meaning of Section 854(4) of the Act;

(d) The Facility will provide services, i.e., rental housing, which but for the Facility, would not otherwise be reasonably accessible to the residents of the Town of Brookhaven.

Section 3. The Agency hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a "project", as such term is defined in the Act; and

(c) The acquisition, demolition, construction and equipping of the Facility and the leasing of the Facility to the Company, will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Brookhaven, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(d) The acquisition, demolition, construction and equipping of the Facility is reasonably necessary to induce the Company to maintain and expand its business operations in the State of New York; and

(e) Based upon representations of the Company and counsel to the Company, the Facility conforms with the local zoning laws and planning regulations of the Town of Brookhaven, Suffolk County, and all regional and local land use plans for the area in which the Facility is located; and

(f) It is desirable and in the public interest for the Agency to lease the Facility to the Company; and

(g) The Company Lease will be an effective instrument whereby the Agency leases the Land and the Improvements from the Company; and

(h) The Lease Agreement will be an effective instrument whereby the Agency leases the Facility to the Company, the Agency and the Company set forth the terms and conditions of their agreement regarding payments-in-lieu of taxes, the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Facility and will describe the circumstances in which the Agency may recapture some or all of the benefits granted to the Company; and

(i) The Loan Documents to which the Agency is a party will be effective instruments whereby the Agency and the Company agree to secure the Loan made to the Company by the Lender.

Section 4. The Agency has assessed all material information included in connection with the Company's application for financial assistance, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the financial assistance described herein to the Company.

Section 5. In consequence of the foregoing, the Agency hereby determines to: (i) lease the Land and the Improvements from the Company pursuant to the Company Lease, (ii) execute, deliver and perform the Company Lease, (iii) lease and sublease the Facility to the Company pursuant to the Lease Agreement, (iv) execute, deliver and perform the Lease Agreement, (v) grant a mortgage on and security interest in and to the Facility pursuant to the Loan Documents, and (vi) execute, deliver and perform the Loan Documents to which the Agency is a party.

Section 6. The Agency is hereby authorized to acquire the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 7. The Agency is hereby authorized to acquire the Facility and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 8. The Agency hereby authorizes and approves the following economic benefits to be granted to the Company in connection with the acquisition, demolition, construction and equipping of the Facility in the form of: (i) exemptions from mortgage recording taxes (other than the portion of the mortgages recording tax allocated to transportation districts referred to in Section 253(2)(a) of the Tax Law) for one or more mortgages securing the principal amount presently estimated to be \$9,866,000 but not to exceed \$11,500,000 in connection with the financing of the acquisition, demolition, construction and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of acquiring, demolishing, constructing and equipping of the Facility, (ii) exemptions from sales and use taxes in an amount not to exceed \$277,380, in connection with the purchase or lease of equipment, building materials, services or other personal property with respect to the Facility, and (iii) abatement of real property taxes (as set forth in the PILOT Schedule attached as Exhibit C hereof), consistent with the policies of the Agency.

This agency appointment expressly excludes the purchase by the Company of any motor vehicles, including any cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles for use on public highways or streets. The Company shall indemnify the Agency with respect to any transaction of any kind between and among the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company, as agent of the Agency. The aforesaid appointment of the Company as agent of the Agency to acquire, demolish, construct and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, (b) a date which the Agency designates, or (c) the date on which the Company has received exemptions from sales and use taxes in an amount not to exceed \$277,380 in connection with the purchase or lease of equipment, building materials, services or other personal property; provided however, such appointment may be extended at the discretion of the Agency, upon the written request of the Company if such activities and improvements are not completed by such time. The aforesaid appointment of the Company is subject to the completion of the transaction and the execution of the documents contemplated by this resolution.
