**Enabling Legislation** (enables Local Public Authority Mission Statement): Industrial Development Agencies (“IDAs”) are formed under Article 18-A of New York State General Municipal Law, as public benefit corporations. IDAs were created to actively promote, encourage, attract and develop job and recreational opportunities and economically-sound commerce and industry in cities, towns, villages and counties throughout New York State (the “State”). IDAs are empowered to provide financial assistance to private entities through tax incentives in order to promote the economic welfare, prosperity and recreational opportunities for residents of a municipality (“Benefited Municipality”).
