ARTICLE II REPRESENTATIONS AND COVENANTS

Section 2.1 Representations and Covenants of the Agency. The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established under the provisions of the Act and has the power to enter into the transactions contemplated by the Company Lease Agreement, this Lease Agreement, the Equipment Lease Agreements, the PILOT Agreement, the Recapture Agreement, the Agency Compliance and Guaranty Agreement, the Mortgage, and all other instruments, agreements, certificates and documents related thereto and executed in connection therewith or supplemental thereto to which the Agency is a party or by which it is bound (collectively, the “Agency Documents”), and to carry out its obligations hereunder. Based upon the representations of the Company and the Sublessees, the Facility will constitute a “project”, as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute and deliver the Agency Documents.

(b) The Agency will accept from Company a leasehold interest in the Land and Improvements, lease the Company Facility to the Company pursuant to this Lease Agreement, permit the Company Facility to be acquired, constructed and equipped by the Company under this Lease Agreement, lease the Equipment to the Sublessees under the Equipment Lease Agreements, and permit the Equipment to be acquired and installed by the Sublessees under the Equipment Lease Agreements, all for the purpose of promoting the industry, health, welfare, convenience and prosperity of the inhabitants of the State and improve their standard of living.

(c) Neither the execution and delivery of any Agency Documents, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of any Agency Documents will conflict with or result in a breach of any of the terms, conditions or provisions of the Act or of any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or will constitute a default under any of the foregoing.

(d) The Agency has been induced to enter into any Agency Documents by the undertaking of the Company and the Sublessees to locate the Facility in the Town of Brookhaven, Suffolk County, State of New York.

(e) On July 20, 2015, following publication of notice of public hearing, the Agency held a public hearing on the transactions contemplated hereby.

(f) By resolution adopted on July 28, 2015, the Agency accepted the application of the Company and the Sublessee, approved the undertaking of the Facility, and authorized all parties to proceed with the transactions contemplated hereby; the Agency determined that, based upon the review by the Agency of the materials submitted and the representations made by the Company relating to the Facility, the Facility would not have a “significant impact” or “significant effect” on the environment within the meaning of the SEQRA Act.

(g) By resolution adopted on July 28, 2015, the Agency authorized the execution and delivery of the Agency Documents, and such other instruments as may be necessary or desirable in connection with the transactions contemplated hereby.

Section 2.2 Representations and Covenants of the Company. The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company duly organized and validly existing under the laws of the State and has full legal right, power and authority to execute, deliver and perform the Company Lease Agreement, Company Facility Equipment Bill of Sale, this Lease Agreement, the Subleases, the PILOT Agreement, the Recapture Agreement, the Agency Compliance and Guaranty Agreement, the Loan Documents, and all other instruments, agreements, certificates and documents related thereto and executed in connection therewith or supplemental thereto to which the Company is party or by which it is bound (collectively, the “Company Documents”), and by proper company action has been duly authorized to execute, deliver and perform the Company Documents and all other instruments to which the Company is party or by which it is bound in connection with the transactions contemplated hereby.

(b) The execution and delivery of the Company Documents, or any other instrument to which the Company is party or by which it is bound in connection with the transactions contemplated hereby, the consummation of the transactions contemplated thereby or hereby, or the fulfillment of or compliance with any of the provisions of the Company Documents, or any other instrument to which the Company is party or by which it is bound in connection with the transactions contemplated hereby, will not conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of any restriction or any agreement or

instrument to which the Company is a party or by which the Company is bound or will constitute a default under any of the foregoing, or constitute a violation of the articles of organization or operating agreement of the Company, or constitute a violation of any law or ordinance or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company other than the Lien created by the Mortgage or Permitted Encumbrances.

(c) The Company Documents and all other instruments to which the Company is party or by which it is bound in connection with the transactions contemplated hereby, constitute legal, valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms.

(d) The Equipment Lease Agreements, Equipment Bill of Sale, the Subleases, the Loan Documents, the PILOT Agreement, the Recapture Agreement, the Agency Compliance and Guaranty Agreement, and all other instruments, agreements, certificates and documents related thereto and executed in connection therewith or supplemental thereto to which a Sublessee is party or by which it is bound (collectively, the "Sublessee Documents"), each constitute legal, valid and binding obligations of the respective Sublessee, enforceable against it in accordance with the terms of the agreements.

(e) There is no action or proceeding pending or, to the Company's knowledge, threatened by or against the Company by or before any court or administrative agency that would adversely affect the ability of the Company to perform its obligations under this Lease Agreement, or any other instrument to which the Company is party or by which it is bound in connection with the transactions contemplated hereby, and all authorizations, consents and approvals of governmental bodies or agencies required to be obtained by the Company in connection with the execution and delivery of this Lease Agreement and each other instrument to which it is a party or by which it is bound in connection with the transactions contemplated hereby or in connection with the performance of the obligations of the Company hereunder and thereunder have been obtained.

(f) The sole members of the Company are Joseph Ferrara, David Nava, Anthony Gravano and Christine Gravano and the sole shareholders of the Sublessees are Kathleen Ferrara and David Nava.

(g) The acquisition, renovation and equipping of the Company Facility, the leasing of the Company Facility to the Agency, the subleasing of the Company Facility by the Agency to the Company, the acquisition and installation of the Equipment, and the leasing of the Equipment by the Agency to the Sublessees, and the providing by the Agency of financial assistance and assistance with the financing of the Facility will induce the Company and the Sublessees to locate the Facility in the Town of Brookhaven, Suffolk County, thereby increasing employment opportunities and promoting the welfare of the inhabitants, will not result in the removal of any facility or plant of the Company, the Sublessees or any other occupant or user of the Company Facility from one area of the State (but outside of the Town of Brookhaven) to within the Town of Brookhaven, or in the abandonment of one or more facilities or plants of the Company, the Sublessees, or any other occupant or user of the Company Facility located within the State (but outside of the Town of Brookhaven), except as reasonably necessary to discourage the Company, the Sublessees, or any other occupant or user of the Company Facility from removing such other

facility or plant to a location outside the State or to preserve the competitive position of the Company, the Sublessees, or any other occupant or user of the Company Facility.

(h) The Facility is and will continue to be a “project” as such quoted term is defined in the Act, the Company will not take any action, or fail to take any action, which would cause the Facility not to constitute a “project” as such quoted term is defined in the Act.

(i) The total cost of the Facility is not, and shall not be, less than \$2,000,000.00 or more than \$2,500,000.00.

(j) The Facility and the operation thereof conforms and will conform with all, and will not result in the violation of any, applicable zoning, planning, building and environmental laws and regulations of governmental authorities having jurisdiction over the Facility, all laws and planning regulations of the Town of Brookhaven and all regional and local use plans for the area in which the Facility is located.

(k) The Facility shall not be used for retail sales (“retail sales” shall include the meaning ascribed thereto in New York General Municipal Law §875).

(l) The Company, as tenant, and Sublessees, as sublessees, will be the sole occupants and users of all portions of the Facility other than such other persons whose occupancies have been approved by, and are in compliance with the requirements of, the Agency.

(m) A true and complete original counterpart of the Sublease has been delivered to the Agency, and the Sublease shall not be terminated, modified or amended without the express consent of the Agency.

(n) The Company acknowledges and agrees that the Facility and the interest therein to be conveyed by the Lease Agreement, are not “Property” as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Facility and the interests therein are securing the financial obligations of the Company, and that the Facility and the leasehold interest therein have been pledged to secure the Indebtedness of the Company to the Lender. The Facility and the interests therein secure the Company’s obligations to the Agency under the Company Documents, and all other instruments to which the Company is party or by which it is bound in connections with the transactions contemplated hereby, including the Company’s obligation to indemnify and hold harmless the Agency.

(o) The Company acknowledges that there is a Town of Brookhaven Fire Marshall order, dated November 12, 2014, referring to violations of the Fire Prevention Local Law of the Town of Brookhaven (the “Fire Marshall Violation”) filed against the Company Facility pertaining to the sprinkler system and fire alarm system. The Company acknowledges that the Agency would not enter into this Lease Agreement, any other Agency Documents, or any other documents arising in connection with the foregoing or related thereto or consummate any of the transactions contemplated hereby or thereby, but for the following commitments of the Company. The Company shall not, and shall not permit any sublessee or any other person, to enter upon, use, occupy, or take possession of, all or any part of the Company Facility, including for the purpose of readying the Company Facility for use or occupancy, unless and until the Fire Marshall Violation has been fully and completely remedied to the satisfaction of the Town of

Brookhaven Fire Marshall (the "Fire Marshall"), the Fire Marshall Violation has been rescinded or otherwise satisfied to the satisfaction of the Fire Marshall, and the Fire Marshall approves the Company's use and occupancy of the Company Facility (collectively, the "Fire Marshall Remedy"). The Company shall immediately and diligently take any and all actions necessary or desirable to accomplish the Fire Marshall Remedy. The Company shall fully and completely achieve the Fire Marshall Remedy on or before September 15, 2015. In the event the Fire Marshall Remedy has not been fully and completely achieved on or before September 15, 2015, then such failure shall constitute an Event of Default under this Lease Agreement as fully as if set forth in Article X hereunder and the Agency shall have any and all rights and remedies available to the Agency by reason of the occurrence of an Event of Default under this Lease Agreement.

(p) No representation or warranty by or on behalf of the Company herein nor any statement, certificate or application (including the Application) furnished or to be furnished by or on behalf of the Company to the Agency in connection herewith or in connection with the transactions contemplated hereby, contain nor will contain any untrue statement of a material fact nor will omit to state a material fact necessary to make the statements contained herein or therein not misleading.

ARTICLE III FACILITY SITE AND TITLE INSURANCE AND SUBORDINATION OF LEASE AGREEMENT

Section 3.1 Agreement to Convey to Agency. The Company has conveyed or has caused to be conveyed to the Agency (i) a leasehold interest in Land, including any buildings, structures or improvements thereon, and (ii) full title to the Facility Equipment, in each instance, free and clear of all claims, charges, liens, encumbrances, security interests and servitudes other than Permitted Encumbrances. Leasehold title to such real property and full title to such personal property and any interests therein, including such interests in real and personal property as may subsequently be conveyed to the Agency as part of the Facility, shall be good and marketable, shall include all substitutions, additions, and replacements thereto as contemplated hereby, and shall vest in the Agency immediately upon delivery to or installation or incorporation into the Company Facility. Without limiting the generality of the Company's obligations under this Lease Agreement, the Company shall defend, indemnify and hold the Agency harmless from any claim, suit, action, proceeding, obligation, damage, liability, judgment, cost or expense, including legal fees and expenses, arising out of a defect in title or a Lien adversely affecting the Facility and shall pay all expenses incurred by the Agency in defending any action respecting title to or a Lien affecting the Facility.

Section 3.2 Title Insurance. The Company has obtained or will obtain leasehold title insurance for the benefit of the Agency, in form, substance and amount satisfactory to the Agency insuring the Agency's leasehold title thereto, with such exceptions therein as may be acceptable to the Agency.

Section 3.3 Subordination of Lease Agreement.

(a) The encumbrance created by this Lease Agreement shall in all respects be subject and subordinate to the lien of the Mortgage.

(b) Any and all subleases created under this Lease Agreement shall in all respects be subject and subordinate to the lien of the Mortgage.

ARTICLE IV
ACQUISITION, RENOVATION AND EQUIPPING OF THE FACILITY;
GRANT OF THE MORTGAGE; SALES TAX EXEMPTION

Section 4.1 Acquisition, Renovation and Equipping of the Facility.

(a) The Company shall, on or before August 31, 2016, at the Company's sole cost, expense and effort, on behalf of and for the benefit of the Agency, but without reimbursement from the Agency, promptly, diligently and expeditiously acquire, renovate, install, and equip, as approved by the Agency and the Lender, and pay all costs and expenses for, the Company Facility in accordance with this Lease Agreement.

(b) Intentionally Omitted.

(c) Title to all materials, equipment, machinery and other items of Property intended to be incorporated or installed in the Company Facility shall vest in the Agency immediately upon deposit on the Land or incorporation or installation in the Company Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest title to all such materials, equipment, machinery and other items of Property in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(d) The Agency hereby appoints the Company its true and lawful agent, and the Company hereby accepts such agency, to (i) acquire, renovate and equip the Company Facility in accordance with this Lease Agreement, on behalf of the Agency (but at sole cost and expense of the Company), (ii) make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons (subject in each case to the provisions of this Lease Agreement, including Section 4.5 hereof), and in general doing all things which may be requisite or proper, all for the purposes of acquiring, constructing, renovating and equipping the Company Facility with the same powers and with the same validity and effect as the Agency could do if acting in its own behalf, (iii) pay all fees, costs and expenses incurred in the renovation of the Improvements and the acquisition and installation of the Facility Equipment from funds made available by the Company (but not by the Agency), including from proceeds of the Note, in accordance with this Lease Agreement, and (iv) to ask, demand, sue for, levy, recover and receive all such sums or money, debts, dues and other demands whatsoever which may be due, owing and payable the Agency under the terms of any contract, order, receipt, or writing in connection with construction and completion of the Company Facility and the acquisition and installation of the Facility Equipment and to enforce the provisions of any contract, agreement, obligation, bond or other performance security entered into or obtaining in connection with the Company Facility. This agency appointment expressly excludes the

Company from purchasing or leasing motor vehicles, including cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles, for use on public highways or streets. Without limiting the generality of the Company's obligations under any Company Documents, the Company shall forever defend, indemnify and hold harmless the Agency, its members, officers, employees and agents (other than the Company and the Sublessees), anyone under the direction and control of any of them and anyone for whose acts or omissions the Agency or any of them may be liable, from and against any and all claims, demands, actions, suits, litigation, proceedings, damages, losses, liabilities, obligations, penalties, fines, defenses, judgments, costs, disbursements or expenses (including reasonable attorneys' and experts' fees, expenses and disbursements, and attorneys fees incurred to enforce the terms, conditions and provisions of this agreement) of whatever kind or nature arising, directly or indirectly, out of, any State or local sales or compensatory use taxes are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Facility, or are in any manner otherwise payable directly or indirectly in connection with the Facility.

(e) The Agency may enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1.

(f) The Company shall obtain or cause to be obtained, and pay for, all necessary approvals, permits, certificates, authorizations and licenses from appropriate authorities, authorizing the construction, equipping, operation and use of the Company Facility for the purposes contemplated by this Lease Agreement, and shall furnish copies of same to the Agency promptly upon receipt thereof, including satisfactory proof of payment therefor, all of which will be done in compliance in all respects with all applicable laws, and with the conditions and requirements of all policies of insurance required to be maintained hereunder and under this Lease Agreement with respect to the Company Facility.

(g) The Company, as agent for the Agency, shall comply with all provisions of the Labor Laws applicable to the renovation and equipping of the Company Facility. The Company shall include in all construction contracts all provisions which may be required to be inserted therein by the Labor Laws applicable to the renovation of the Company Facility. The provisions of this subsection do not create any obligations or duties not created by applicable law outside of the terms of this Lease Agreement.

Section 4.2 Grant of Mortgage and Other Security. So as to provide funds for payment of costs and expenses of acquiring, renovating and equipping the Company Facility, together with other payments and incidental expenses in connection therewith, at the request of the Company, the Agency may grant from time to time to the Lender a mortgage lien or mortgage liens and security interest or interests, in form and substance satisfactory to the Agency, on or in the Facility or a part thereof in favor of the Lender as security for the obligations of the Company, including the Note, arising out of the acquisition, renovation and equipping of the Company Facility by the Company, provided that such mortgage or mortgages and other security devices shall be without recourse to the Agency, its members, directors, officers, employees and agents who shall have no personal liability thereunder, nor in their capacity as officers, directors, members, employees and agents and shall otherwise be upon such terms, conditions and provisions as shall be acceptable to the Agency. The Company, throughout the Lease Term, shall, at its sole cost and expense, promptly comply with the

Mortgage and, without limiting the generality of the Company's obligations under this Lease Agreement, defend, indemnify and hold harmless the Agency, and its members, officers, agents (other than the Company or the Sublessees, or any person appointed by the Agency as the Agency's agent under this Lease Agreement) and employees from and against any claim, action, damage, liability or expense, including attorneys' fees, arising in connection with, or resulting from any failure of the Company to promptly comply with the Mortgage. Nothing herein contained shall be construed (i) to condition any of the Company's obligations under this Lease Agreement upon obtaining financing for the Company Facility or any part thereof, (ii) to constitute a representation by the Agency that financing for the Company Facility is or shall become available, or (iii) to obligate the Agency to provide any funds for the Company Facility or reimburse the Company or any other person for any costs or expenses of the Company Facility whether or not the proceeds of any financing are sufficient.

Section 4.3 Certificates of Completion. The Company shall furnish the Agency with evidence of completion of the Company Facility, including (i) a certificate signed by an Authorized Representative stating that acquisition, construction and equipping of the Company Facility has been completed as approved by the Agency and the Lender, and stating that the payment of all labor, services, materials and supplies used in such acquisition, construction and equipping has been made or provided for; (ii) such certificates, permits and licenses required for the Company Facility as may be satisfactory to the Agency and the Lender, including a final certificate of occupancy; and (iii) such documents or certificates as may be required by the Agency or the Lender.

Section 4.4 Remedies to be Pursued Against Contractors and Subcontractors and Their Sureties. In the event of a default by any contractor or other Person or subcontractor under any contract made by it in connection with the Company Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship, or performance guaranty, the Company at its expense, either separately or in conjunction with others, may pursue any and all remedies available to it and the Agency, as appropriate, against the contractor, subcontractor or manufacturer or supplier or other Person so in default and against such surety for the performance of such contract. The Company, in its own name or, if necessary, in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, manufacturer, supplier or surety or other Person which the Company deems reasonably necessary, and in such event the Agency, at the Company's expense, shall cooperate fully with the Company and take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding provided that the Agency, its members, officers, directors, employees and agents shall not thereby be subjected to risk of loss, liability or expense.

Section 4.5 Sales Tax Exemption.

(a) Agency's Exempt Status. The Agency constitutes a corporate governmental agency and a public benefit corporation under the laws of the State of New York, and therefore, in the exercise of its governmental functions, is exempt from the imposition of Sales and Use Taxes. As an exempt governmental entity, no exempt organization identification number has been issued to the Agency nor is one required. Notwithstanding the foregoing, the Agency makes

no representation to the Company, any Agent or any third party that any Sales Tax Exemption is available under this Lease Agreement.

(b) Scope of Authorization of Sales Tax Exemption. The Agency hereby authorizes the Company, subject to the terms and conditions of this Lease Agreement, to act as its agent in connection with the Company Facility for the purpose of effecting purchases and leases of Eligible Items so that such purchases and leases are exempt from the imposition of Sales and Use Taxes. The Agency's authorization with respect to such Sales Tax Exemption provided to the Company and its Agents pursuant to this Lease Agreement and any Sales Tax Agent Authorization Letters issued hereunder shall be subject to the following limitations:

(i) This Sales Tax Exemption shall be effective only for a term commencing on the Closing Date and expiring upon the earliest of (A) August 31, 2016, (B) completion of the initial acquisition, renovation and equipping of the Company Facility, (C) the Maximum Company Sales Tax Savings Amount has been received or realized on account of the Company Facility, (D) the expiration or termination of this Lease Agreement, (E) notice from the Agency to the Company of termination of the Sales Tax Exemption, and (F) the termination of the Sales Tax Exemption authorization pursuant to Section 10.2 (the date on which any of the foregoing occurs may be referred to herein as the "Termination Date").

(ii) The Sales Tax Exemption authorization set forth herein shall automatically be suspended upon written notice to the Company that the Company is in default under this Lease Agreement until such default is cured to the satisfaction of the Agency.

(iii) The Sales Tax Exemption authorization shall be subject to all of the terms, conditions and provisions of this Lease Agreement.

(iv) The Sales Tax Exemption shall only be utilized for Eligible Items which shall be purchased, incorporated, completed or installed for use only by the Company or the Sublessees at the Facility (and not with any intention to sell, transfer or otherwise dispose of any such Eligible Item to a Person as shall not constitute the Company or the Sublessees), it being the intention of the Agency and the Company that the Sales Tax Exemption shall not be made available with respect to any Eligible Item unless such item is used solely by the Company or the Sublessees at the Facility.

(v) The Sales Tax Exemption shall not be used for any Ineligible Item.

(vi) The Sales Tax Exemption shall not be used to benefit any person or entity, including any tenant or subtenant located at the Facility, other than the Company or the Sublessees, without the prior written consent of the Agency.

(vii) By execution by the Company of this Lease Agreement, the Company agrees to accept the terms hereof and represents and warrants to the Agency that the use of the Sales Tax Exemption by the Company or by any Agent is strictly for the purposes stated herein.

(viii) Upon the Termination Date, the Company and each Agent shall cease being agents of the Agency, and the Company shall immediately notify each Agent in writing of such termination and that the Sales Tax Agent Authorization Letter issued to any such Agent is

likewise terminated and that the original executed Sales Tax Exemption Authorization Letter must be returned to the Company so that the Company can return the same to the Agency.

(ix) Company agrees that the aggregate amount of the Company Sales Tax Savings realized by the Company and by each Agent in connection with the Company Facility shall not exceed in the aggregate the Maximum Company Sales Tax Savings Amount.

(c) Procedures for Appointing Agents. If the Company desires to seek the appointment of a Sublessee, a contractor, a subcontractor or other party to act as the Agency's agent (an "Agent") for the purpose of effecting purchases which are eligible for the Sales Tax Exemption pursuant to authority of this Lease Agreement, it must complete the following steps:

(i) General Municipal Law Section 874(9) and Form ST-60 and the regulations relating thereto require that within thirty (30) days of the date that the Agency appoints a project operator or other person or entity to act as agent of the Agency for purposes of extending a sales or use tax exemption to such person or entity, the Agency must file a completed Form ST-60 with respect to such person or entity. Accordingly, for each Agent, the Company must complete and submit Form ST-60 to the Agency with an original copy of the completed Sales Tax Agent Authorization Letter in the form attached hereto as Exhibit D executed by the Agent. [At the date hereof, Form ST-60 may be obtained via the internet by typing http://www.tax.ny.gov/pdf/current_forms/st/st60_fill_in.pdf into the address bar of an internet browser and saving the "fill-in" PDF of the form].

(ii) The appointment of each such Agent as an agent for the Agency shall be effective only upon execution by the Agency and the Agent of a Sales Tax Agent Authorization Letter in the form attached hereto as Exhibit D, following receipt of the completed Form ST-60 by the Agency. The determination whether or not to approve the appointment of an Agent shall be made by the Agency, in its sole discretion. If executed, a completed copy of the Sales Tax Agent Authorization Letter shall be sent to the Company within five (5) business days following such execution. The Company shall provide a copy of such executed Sales Tax Agent Authorization Letter together with a copy of this Lease Agreement to the Agent within five (5) Business Days after receipt thereof by the Company.

(iii) The Company shall ensure that each Agent shall observe and comply with the terms and conditions of its Sales Tax Agent Authorization Letter and this Lease Agreement, and upon the termination, expiration or cancellation of each Sales Tax Agent Authorization Letter, the Company shall retrieve and promptly surrender the same to the Agency.

(d) Form ST-60 Not an Exemption Certificate. The Company acknowledges that the executed Form ST-60 designating the Company or any Agent as an agent of the Agency shall not serve as a sales or use tax exemption certificate or document. Neither the Company nor any other Agent may tender a copy of the executed Form ST-60 to any person required to collect sales tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED IN THE TAX LAW. IN ADDITION, THE

USE BY AN AGENT, PROJECT OPERATOR, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY EIGHT AND THIRTY SEVEN OF THE TAX LAW, THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.

(e) Form ST-123 Requirement. As an agent of the Agency, the Company agrees that it will, and will cause each Agent to, present to each seller or vendor a completed and signed Form ST-123 for each contract, agreement, invoice, bill or purchase order entered into by the Company or by any Agent, as agent for the Agency, for the construction, renovation, repair and equipping of the Project. Form ST-123 requires that each seller or vendor accepting Form ST-123 identify the Project on each bill and invoice and invoice for purchases and indicate on the bill or invoice that the Agency or Agent or Company, as Project operator of the Agency, was the purchaser. The Company shall retain copies of all such contracts, agreements, invoices, bill and purchase orders for a period of not less than six years from the date thereof. For each Agent the Form ST-123 shall be completed as follows: (i) the "Project Information" section of Form ST-123 should be completed using the name and address of the Project as indicated on the Form ST-60 used to appoint the Agent; (ii) the date that the Agent was appointed as an agent should be completed using the date of the Agent's Sales Tax Agent Authorization Letter; and (iii) the "Exempt purchases" section of Form ST-123 should be completed by marking "X" in box "A" only.

(f) Form ST-340 Filing Requirement. The Company shall annually (currently, by each February 28th with respect to the prior calendar year) file a Form ST-340 with NYSDTF, in a manner and consistent with such regulations as is or may be prescribed by the Commissioner of NYSDTF, and a copy with the Agency, of the value of all Company Sales Tax Savings claimed by the Company and each Agent in connection with the Company Facility. Should the Company fail to comply with the foregoing requirement, the Company and each Agent shall immediately cease to be agents of the Agency in connection with the Company Facility without any further action of the Agency and the Company shall immediately and without demand notify each Agent appointed by the Agency in connection with the Company Facility of such termination.

(g) Sales Tax Registry Filing Requirement. No later than August 1st of each year, the Company shall file with the Agency a completed Sales Tax Registry, in the form attached hereto as Exhibit E, which accounts for all of the Company Sales Tax Savings realized by the Company and each Agent during the prior annual period ending on the preceding December 31st (or such shorter period beginning on the Closing Date and ending on the preceding December 31st), unless the Termination Date occurred prior to such December 31st. Within ten (10) days after the Termination Date, the Company shall file with the Agency a completed Sales Tax Registry which accounts for all Company Sales Tax Savings realized by the Company and each Agent during the period from the preceding December 31st to the Termination Date.

(h) Special Provisions Relating to Sales Tax Savings.

(i) The Company covenants and agrees to comply, and to cause each of its contractors, subcontractors, Agents, persons or entities to comply, with the requirements of General Municipal Law Sections 875(1) and (3) (the "Special Provisions"), as such provisions

may be amended from time to time. In the event of a conflict between the other provisions of this Lease Agreement and the Special Provisions, the Special Provisions shall control.

(ii) The Company acknowledges and agrees that pursuant to General Municipal Law Section 875(3) the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Company Sales Tax Savings taken or purported to be taken by the Company, any Agent or any other person or entity acting on behalf of the Company to which Company is not entitled or which are in excess of the Maximum Company Sales Tax Exemption Amount or which are for property or services not authorized or taken in cases where the Company, any Agent or any other person or entity acting on behalf of the Company failed to comply with a material term or condition to use property or services in the manner required by this Lease Agreement. The Company shall, and shall require each Agent and any other person or entity acting on behalf of the Company, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such Sales Tax Savings and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the Commissioner of the New York State Department of Taxation and Finance (the "Commissioner") to assess and determine State Sales and Use Taxes due from the Company under Article Twenty-Eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

(i) Subject to the provisions of Section 4.5(h) hereof, in the event that the Company or any Agent shall utilize the Sales Tax Exemption in violation of the provisions of this Lease Agreement or any Sales Tax Agent Authorization Letter, the Company shall promptly deliver notice of same to the Agency, and the Company shall, upon demand by the Agency, pay to or at the direction of the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the rate of twelve percent (12%) per annum compounded daily from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was availed of by the Company or any Agent (as applicable).

(j) Upon request by the Agency with reasonable notice to the Company, the Company shall make available at reasonable times to the Agency and/or an independent certified public accountant or firm of independent certified public accountants selected by the Company and approved by the Agency (or if the Company shall fail to promptly select such accountant or accountants or receive the Agency's approval thereof, then such accountant or accountants may be selected by the Agency) all such books, records, contracts, agreements, invoices, bills or purchase orders of the Company and any Agent, and require all appropriate officers and employees of the Company to respond to all inquiries by the Agency and/or such independent certified public accountant or firm of independent certified public accountants, as shall the Agency, or accountant or accountants, consider necessary (y) to indicate in reasonable detail those costs for which the Company or any Agent shall have utilized the Sales Tax Exemption and the dates and amounts so utilized, and (z) to permit the Agency to determine any amounts owed by the Company under this Section 4.5.

ARTICLE V
DEMISING CLAUSES AND RENTAL PROVISIONS

Section 5.1 Demise of Facility. The Agency hereby demises and leases the Company Facility to the Company and the Company hereby hires and takes the Company Facility from the Agency upon the terms and conditions of this Lease Agreement.

Section 5.2 Use of Facility. The Company shall use and occupy, and shall permit the use and occupancy, of the Company Facility for the Sublessees' respective commercial maintenance business and general construction business and not for any other purpose without the approval of the Agency.

Section 5.3 Duration of Lease Term; Quiet Enjoyment.

(a) The Agency hereby delivers to the Company, and the Company acknowledges receipt of, and accepts, sole and exclusive possession of the Company Facility (subject to the provisions of Section 10.2 and the provisions of Section 8.3 hereof); the leasehold estate created hereby shall commence on the Closing Date.

(b) Except as provided in Section 10.2 hereof, the leasehold estate created hereby shall terminate at 11:59 p.m. on the Expiration Date, or on such earlier date as may be permitted by Section 11.1 hereof, provided, however, that the Agency reserves the right not to terminate this Lease Agreement until all charges, fees and expenses of the Agency required to be paid under any of the Company Documents shall have been paid in full.

(c) The Agency, subject to the provisions of Section 4.2, shall not take any action, other than pursuant to Article X of this Lease Agreement, to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Company Facility and, at the request of the Company and at the Company's sole cost and expense, shall cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Company Facility as hereinabove provided. The rights of the Company hereunder and this Lease Agreement shall be subordinate to the Lien of the Mortgage.

Section 5.4 Rents and Other Amounts Payable.

(a) Throughout the Lease Term, the Company shall pay to the Agency as rent, (i) \$1.00 on the Closing Date and on each January 1 of each year of the Lease Term, and (ii) within ten (10) days after demand therefor, an amount equal to (A) the sum of the costs and expenses (including attorneys' fees) of the Agency and the members thereof incurred by reason of or in connection with the Agency's acquisition, construction, renovation, equipping, operation, ownership, financing, leasing or subleasing of the Company Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease Agreement, the Mortgage or any other agreement arising under or by virtue the transactions contemplated hereby, the payment of which is not otherwise provided for under this Lease Agreement, (B) the Agency Fee, (C) the PILOT Administrative Fee, and (D) all other sums due from the Company to the Agency under, by virtue of or in connection with this Lease Agreement, the PILOT Agreement, the Recapture Agreement, or otherwise.

(b) The Company, under the provisions of subsection 5.4(a) above, shall make the above-mentioned payments (and all other payments required hereunder), without set-off or deduction, in immediately available funds and without any further notice in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to timely make any payment required in this Section 5.4, the Company shall pay the same together with all additional interest or late payment penalties at the maximum rate of interest and amount permitted by law. The receipt by the Agency of any rent with knowledge of the breach of any covenant of this Lease Agreement shall not be deemed a waiver of such breach and no provision of this Lease Agreement shall be deemed to have been waived by the Agency unless such waiver shall be in writing signed by the Agency. No payment of the Company or receipt by the Agency of a lesser amount than the rent due shall be deemed to be other than on account of the earliest rent due, nor shall any endorsement or statement on any check or in any letter accompanying any check or payment as rent be deemed an accord and satisfaction, and the Agency may accept such check or payment without prejudice to the Agency's right to recover the balance of such rent or pursue any other remedy provided in this Lease Agreement. All checks tendered to the Agency as and for the rent hereunder shall be deemed payments for the account of the Company. The acceptance by the Agency of rent from anyone other than the Company shall not be deemed to operate as an attornment to the Agency by the payor of such rent or as a consent by the Agency to an assignment or subletting by the Company of the Company Facility or a portion thereof to such payor, or as a modification of the provisions of this Lease Agreement.

(c) All charges, payments, taxes and assessments, together with such other sums as are payable by the Company pursuant to the terms of this Lease Agreement, shall constitute additional rent, may be referred to as rent, shall be due and payable as rent under this Lease Agreement at the time and in the manner herein provided, and in the event of the nonpayment of same by the Company, the Agency shall have all the rights and remedies with respect thereto as the Agency has for the nonpayment of the rent herein.

(d) This Lease Agreement, including the rent herein specified, shall be absolutely net to the Agency, and all costs, expenses and obligations of every kind relating to or arising in connection with the Company Facility, including the Mortgage and the acquisition, construction, renovation, improvement, maintenance, operation, repair, replacement, lease, and sublease of the Company Facility, which may arise or become due during the Lease Term shall be paid by the Company. Without limiting the generality of the Company's obligations under this Lease Agreement, the Company shall defend, indemnify and hold the Agency and the Lender harmless from any claim, suit, action, proceeding, obligation, damage, liability, judgment, cost or expense, including legal fees and expenses, arising out any and all of the foregoing.

Section 5.5 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 5.4 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Company and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency. The Company shall not (i) suspend, discontinue or abate any payment required hereof, (ii) fail to observe any of its other covenants or agreements in this Lease Agreement, (iii) except as provided in Sections 11.1 or 11.2 hereof, terminate this Lease Agreement for any cause

whatsoever including without limiting the generality of the foregoing, the failure to complete the Company Facility, failure of the Company to occupy or to use the Company Facility as contemplated in this Lease Agreement or otherwise, any defect in the title, design, operation, merchantability, fitness or condition of the Company Facility or in the suitability of the Company Facility for the Company's purposes, or needs, failure of consideration, destruction of or damage to the Company Facility, commercial frustration of purpose, or the taking by Condemnation of title to or the use of all or any part of the Company Facility, any change in the tax or other laws of the United States of America or administrative rulings of or administrative actions by the State or any political subdivision of either, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or a duty, liability or obligation arising out of or in connection with this Lease Agreement.

Section 5.6 Rights and Obligations of the Company upon Prepayment of Obligations to the Lender. In the event all Indebtedness due the Lender and secured by the Mortgage, and all fees and expenses of the Agency and the Lender, required to be paid thereunder or hereunder shall be paid in full prior to the termination date specified in Section 5.3 hereof, and instruments evidencing such satisfaction of the obligations to the Lender shall have been duly recorded and/or filed to the satisfaction of the Agency, and provided no event has occurred or is continuing which either immediately or with the lapse of time or with notice, or both, shall constitute an Event of Default under this Lease Agreement, (i) all references in this Lease Agreement to the Lender, the Note, Indebtedness due the Lender, and the Mortgage shall be ineffective and (ii) the Company shall be entitled, at its option, to the exclusive use, occupancy and enjoyment of the Company Facility from the date of such payment until the Expiration Date, on all of the terms and conditions hereof, except that the Company shall not be required to carry any insurance for the benefit of the Lender. The Company, at its sole cost and expense, shall obtain and record or file appropriate discharges or releases of the Mortgage and any other security interests relating to the Company Facility or this Lease Agreement to the satisfaction of the Agency.

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

Section 6.1 Maintenance and Modifications of Company Facility by Company.

(a) The Agency shall not be required to make any repairs, replacements or improvements of any kind upon or with respect to, or to maintain, the Company Facility.

(b) The Company shall not abandon, or cause or permit any waste to, the Company Facility, and shall keep the Company Facility in good and safe condition. The Company shall not remove any part of the Company Facility outside the jurisdiction of the Agency. At the Company's sole cost and expense, the Company shall, throughout the Lease Term, take good care of the Company Facility, including the fixtures and appurtenances thereto and all structures, improvements, betterments, landscaping, utilities and equipment, devices, heating, air conditioning, ventilating, plumbing systems, and all appurtenances, fixtures and other facilities used or useful in connection with the use, operation or occupancy of the Company Facility, and all alterations and additions thereto and restorations and replacements thereof, and make all repairs, replacements, and restorations thereto, as and when appropriate or required to preserve

same in good, safe, sound, economic condition and good working order, whether such repairs, replacements or restorations are ordinary or extraordinary or foreseen or unforeseen. Without limiting the generality of the Company's obligations under this Lease Agreement, the Company shall defend, protect, indemnify and hold the Agency harmless from any claim, suit, action, proceeding, obligation, damage, liability, judgment, cost or expense, including legal fees and expenses, from the failure by the Company to comply with the foregoing. The Company shall operate the Company Facility in a sound and economic manner.

(c) The Company may make, from time to time, at its sole cost and expense, any structural and non-structural additions, modifications or improvements to the Company Facility or any part thereof which it may deem desirable provided that the consent of the Agency shall be obtained in each instance, and further provided that such actions do not adversely affect the structural integrity of the Company Facility. All such structural additions, modifications or improvements so made by the Company shall become a part of the Company Facility. The Company shall deliver to the Agency all documents which may be necessary or appropriate to convey to the Agency title to, or other satisfactory interest in, such Property and to perfect or protect the Lien of the Mortgage.

(d) All improvements, additions, alterations, repairs, replacements, and restorations (i) shall not impair the continuity of the use and operation of the Company Facility as contemplated hereby for longer than reasonably necessary, (ii) shall be effected with due diligence, in a good and workmanlike manner and in compliance with all applicable legal requirements, (iii) shall be promptly and fully paid for by the Company, and (v) shall not change the nature of the Company Facility so that it would not constitute a commercial facility and a qualified "project" as defined in and as contemplated by the Act for use for the general purposes specified in this Lease Agreement.

(e) The Company, at its own cost and expense, shall promptly execute and comply with all present and future valid statutes, orders, ordinances, regulations and requirements and rules of the federal, state, county, municipal and other local governments, if any, and all their departments and bureaus, and of the New York Board of Fire Underwriters or any other similar body having jurisdiction over the Company Facility, whether usual or unusual, ordinary or extraordinary, and whether or not related to (i) structural or non-structural changes or requirements, (ii) to the use or occupancy made of the Company Facility, (iii) any unlawful use, negligence of the Company, or (iv) any breach or default of the Company under this Lease Agreement.

Section 6.2 Installation of Additional Equipment. Subject to the provisions of Section 8.10 hereof, the Company may install from time to time, at its sole cost and expense, additional Facility Equipment, which such Facility Equipment or other personal property shall become, or be deemed to become, part of the Company Facility. The Company shall execute and deliver to the Agency such documents and instruments as may be deemed necessary by the Agency to convey title to such additional Facility Equipment to the Agency and subject such additional Facility Equipment to the Lien of the Mortgage. Subject to the prior consent of the Agency, the Company, from time to time, may remove or permit the removal of any other machinery, equipment and other personal property from the Company Facility and may create or permit to be created any Lien on any other machinery, equipment or other personal property; provided that

any such removal of any other machinery, equipment or other personal property shall not adversely affect the integrity or value of the Company Facility, impair the overall operating efficiency of the Company Facility for the purposes for which it is intended or violate the Mortgage and provided, further, that if any damage is occasioned to the Company Facility by such removal the Company shall promptly repair such damage at its own expense.

Section 6.3 Taxes, PILOT Agreement, Recapture Agreement, Assessments and Utility Charges.

(a) The Company shall pay as the same respectively become due and before any fine, penalty, interest or other cost may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (i) all taxes, payments in lieu of taxes, and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Company Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including any sales or use taxes imposed with respect to the Company Facility or any part or component thereof, or the rental of the Company Facility or any part thereof and any taxes levied upon or with respect to the income or revenues of the Agency from the Company Facility, (ii) all utility and other charges, including "service charges", incurred or imposed for or with respect to the operation, maintenance, use, occupancy, upkeep and improvement of the Company Facility, (iii) all assessments and charges of any kind whatsoever lawfully made by any governmental body for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated under this Lease Agreement to pay only such installments as are required to be paid during the Lease Term, and (iv) all payments under the PILOT Agreement or the Recapture Agreement.

(b) The Company may in good faith contest any such taxes, assessments and other charges set forth in subsection 6.3(a) above. In the event of any such contest, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom, provided, however, that (i) neither the Company Facility nor any part thereof or interest therein will be in any immediate danger of being sold, forfeited or lost by reasons of such proceedings, and (ii) the Company shall have set aside in its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency. The aforesaid right to refrain from paying taxes or assessments and to reserve for any such contested obligations shall specifically not apply to payments required under the PILOT Agreement or the Recapture Agreement. Under all circumstances, payments required under the PILOT Agreement or the Recapture Agreement shall be paid in accordance with the terms and provisions as set forth in the PILOT Agreement or the Recapture Agreement and the PILOT Agreement or the Recapture Agreement shall govern all rights and obligations of the Company as they pertain to payments pursuant to the PILOT Agreement or the Recapture Agreement, as applicable.

(c) If the Company successfully contests any taxes or assessments set forth in the subsection 6.3(a) above, the Company shall look solely to the affected Taxing Authorities (as defined in the PILOT Agreement), and not the Agency, for any refunds due or awarded as a result thereof.

(d) Within thirty (30) days after request therefor, the Company shall deliver to the Agency official receipts of the affected Taxing Authorities or other proof satisfactory to the Agency evidencing payment of any and all taxes, assessments or payments pursuant to the PILOT Agreement (if paid to other than the Agency).

(e) Without limiting the generality of the obligations of the Company under this Lease Agreement, the Company shall defend, indemnify and hold the Agency harmless from any claim, suit, action, proceeding, obligation, damage, liability, judgment, cost or expense, including legal fees and expenses, arising out of any failure by the Company to comply with the provisions of this Section 6.3.

(a) All insurance required by Section 6.4 hereof shall be in form and substance satisfactory to the Agency, and procured and maintained with financially sound and generally recognized responsible insurance companies selected by the Company and approved by the Agency and authorized to write such insurance in the State; the insurance company providing the coverage described at Section 6.4 (b) and (g) shall be the same. The policies required by Section 6.4 (a) and (c) hereof shall contain standard New York mortgagee clauses in the name of the Lender until payment in full of the Indebtedness secured by the Mortgage, requiring that all Net Proceeds of insurance resulting from any claim for loss or damage covered thereby be paid to the Lender, for the benefit of the Lender. The Company acknowledges that a mortgage and security interest in the policies of insurance required by Section 6.4 (a), (c), and (h) and the Net Proceeds thereof have been or may be granted by the Agency to the Lender and the Company consents thereto. The policies maintained hereunder shall contain appropriate waivers of subrogation, shall provide that such coverages shall be primary, irrespective of any other insurance that may be maintained by the Company, the Agency or otherwise, and shall be specific to the Company Facility, and no other locations. Each of the policies required by Section 6.4 shall name the Agency as an additional insured except the policy required by Section 6.4(g) shall name the Agency as the sole named insured.

(b) All such policies of insurance, or a certificate or certificates of the insurers, shall be in form and substance satisfactory to the Agency, and shall be deposited with the Agency on or before the Closing Date; the Company acknowledges that if requested at any time by the

(c) The Company shall not violate or permit to be violated any of the conditions or provisions of any insurance policies maintained pursuant to this Lease Agreement and shall comply with the requirements of any company issuing said insurance in order to maintain said insurance in full force and effect. In the event that any policy shall be canceled for non-compliance by the Company, the Company shall procure forthwith a substitute policy in form and content satisfactory to the Agency.

Section 6.6 Application of Net Proceeds of Insurance. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.4 hereof shall be applied as follows: (i) the Net Proceeds of the insurance required by Section 6.4(a), (c) and (h) hereof shall be applied as provided in Section 7.1 hereof and (ii) the Net Proceeds of the insurance required by Section 6.4(b), (d), (e), (f), (g) and (i) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

No such payment shall be made by the Agency until at least ten (10) days shall have elapsed after notice of intention to make such payment shall have been given by the Agency to the Company; and in the case of any tax, payment in lieu of taxes, assessment or governmental charge, no such payment shall be made in any event if the Company is contesting the same in good faith to the extent and as permitted by this Lease Agreement unless an Event of Default hereunder shall have occurred and be continuing. No such payment by the Agency shall affect or impair any rights of the Agency hereunder arising in consequence of such failure by the Company. The Company shall reimburse the Agency on demand for any amount so paid, and expense incurred by the Agency pursuant to this Section 6.7, together with interest and late charges thereon from the date of payment at the maximum rates permitted by law.

ARTICLE VII
DAMAGE, DESTRUCTION AND CONDEMNATION

Section 7.1 Damage or Destruction.

(a) If the Company Facility shall be damaged or destroyed (in whole or in part) at any time during the Lease Term: (i) the Agency shall have no obligation to replace, repair, rebuild or restore the Company Facility; (ii) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement, the PILOT Agreement or the Recapture Agreement (whether or not the Company Facility is replaced, repaired, rebuilt or restored); (iii) except as otherwise provided in subsection (b) of this Section 7.1, the Company shall promptly replace, repair, rebuild or restore the Company Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction with such changes, alterations and modifications as may be desired or approved by the Company, provided that such changes, alterations or modifications do not so change the nature of the Company Facility that it does not constitute a "project" as such quoted term is defined in the Act; and (iv) upon the occurrence of such damage or destruction, the Net Proceeds derived from the insurance shall be paid to the Lender and except as otherwise provided in Section 11.1, applied by the Lender pursuant to the terms of the Mortgage. Upon full compliance with the foregoing provisions of this paragraph, and provided no event has occurred or is continuing that immediately or with the lapse of time, or with notice, or both, constitutes an Event of Default under this Lease Agreement, then, subject to the provisions of the Mortgage, any balance remaining thereafter may be retained by the Company. All replacements, repairs, rebuilding or restoration made pursuant to this Section 7.1, shall automatically become a part of the Company Facility as if the same were specifically described herein.

(b) If no Event of Default shall have occurred and the Company shall exercise its option to terminate this Lease Agreement pursuant to Section 11.1 hereof, the Company shall not be obligated to replace, repair, rebuild or restore the Company Facility, the Net Proceeds derived from such insurance shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof, and subject to the terms of the Mortgage, any balance remaining thereafter shall be retained by the Company. If an Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 10.2 hereof, such Net Proceeds shall be applied to the payment of the amounts required to be paid by Sections 10.2, 10.4 and 10.5 hereof, and subject to the terms of the Mortgage, any balance remaining thereafter shall be retained by the Company.

(c) Until the occurrence of an Event of Default and the continuance thereof for ten (10) days, subject to the terms of the Mortgage, the Company shall have the right to settle and adjust all claims under, and collect the Net Proceeds of any policies of insurance required by Section 6.4(a) and (c) hereof.

(d) All such repair, replacement, rebuilding, restoration or relocation of the Company Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts, and shall automatically become a part of the Company Facility as if the same were specifically described herein. Subject to the terms of

the Mortgage, any balance of such Net Proceeds remaining after payment of all costs of replacement, repair, rebuilding, restoration or relocation shall be retained by the Company.

(e) If the Company Facility has been substantially damaged or destroyed and is not replaced, repaired, rebuilt, restored or relocated, then the Company shall exercise its option to terminate this Lease Agreement as provided in Section 11.1 hereof.

Section 7.2 Condemnation.

(a) If, at any time during the Lease Term, the whole or any part of title to, or the use of, the Company Facility shall be taken by Condemnation, the Agency shall have no obligation to restore or replace the Company Facility, there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement, the PILOT Agreement or the Recapture Agreement, and the Net Proceeds derived from the Condemnation shall be paid to the Lender and applied by the Lender pursuant to the terms of the Mortgage. Except as otherwise provided in subsection (b) of this Section 7.2, the Company shall promptly after payment of the Net Proceeds of such condemnation: (i) restore the Company Facility (including the purchase of necessary land in replacement of any land taken by Condemnation) to substantially the same condition and value as an operating entity as existed prior to such Condemnation; or (ii) acquire, by construction or otherwise, facilities of substantially the same nature and value, reasonably acceptable to the Agency, as an operating entity as the Company Facility ("Substitute Facilities"). Such Substitute Facilities shall (x) constitute a "project" as such quoted term is defined in the Act, and (y) be subject to no Liens prior to the Lien of the Mortgage other than Permitted Encumbrances. The Company Facility, as so restored, or the Substitute Facilities shall automatically become part of the Company Facility as if the same were specifically described herein. Upon full compliance with the foregoing provisions of this paragraph, and provided no event has occurred or is continuing that immediately or with the lapse of time, or with notice, or both, constitutes an Event of Default under this Lease, then, subject to the provisions of the Mortgage, any balance remaining thereafter may be retained by the Company.

(b) If no Event of Default shall have occurred and the Company shall exercise its option to terminate this Lease Agreement pursuant to Section 11.1 hereof, the Company shall not be obligated to restore the Company Facility or acquire Substitute Facilities, the Net Proceeds derived from such Condemnation shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof, and subject to the terms of the Mortgage, any balance remaining thereafter shall be retained by the Company. (c) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any Condemnation proceeding with respect to the Company Facility. Until the occurrence of an Event of Default hereunder and the continuance thereof for ten (10) days, and subject to the terms and provisions of the Mortgage, the Company shall have the sole right to control any such proceedings and to adjust all claims and make any settlement therein; and in no event shall the Agency voluntarily settle, or consent to the

settlement of, any Condemnation proceeding with respect to the Company Facility without the written consent of the Company.

(d) All such replacement or restoration or relocation of the Company Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts, and shall automatically become a part of the Company Facility as if the same were specifically described herein. Subject to the terms of the Mortgage, any balance of such Net Proceeds remaining after payment of all costs of replacement or restoration shall be retained by the Company.

(e) If the Company Facility has been substantially condemned and is not replaced or restored, then the Company shall exercise its option to terminate this Lease Agreement as provided in Section 11.1 hereof.

Section 7.3 Condemnation of Company-Owned Property. Subject to the Mortgage, the Company shall be entitled to the proceeds of any Condemnation award or portion thereof made for damage to or taking of any Property which, at the time of such damage or taking, is not part of the Company Facility.

The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of any such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding the provisions of subsection (a) of this Section 8.8, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsection (a) other than the provision of Exhibit C. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirement, the Facility or any part thereof may be materially endangered or subject to loss or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency.

(b) Notwithstanding the provisions of subsection (a) of this Section 8.9, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Lien of the Mortgage may be materially endangered or the Company Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing the requisite bond, in form and substance satisfactory to the Agency, thereby causing the Lien to be removed or by taking such other actions as may be satisfactory to the Agency to protect its interests; provided, however, any Mechanic's Lien shall be removed within thirty (30) days of the filing thereof to the satisfaction of the Agency.

Section 8.10 Identification of Facility Equipment. All Facility Equipment which is or may become the property of the Agency pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency. In this regard, all improvements, machinery, equipment and other Property of whatever nature affixed or attached to the Land or the Improvements or used or to be used by the Company in connection with the Land or the Improvements shall be deemed presumptively to be owned by the Agency, rather than the Company, unless the same were utilized solely for purposes of construction of the Company Facility and such improvements, machinery, equipment and other Property were properly identified by such appropriate records as were approved by the Agency.

(a) Except as otherwise specifically provided in this Article IX and in Article X hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Company Facility or any part thereof or any of its rights under this Lease Agreement without the prior consent of the Company and, if required under the Loan Documents, the Lender.

(b) With the prior written consent of the Agency and, if required under the Loan Documents, the Lender, the Agency and the Company from time to time may release from the provisions of this Lease Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Company Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, and request the Lender to execute and deliver, any and all instruments necessary or appropriate, and approved by the Agency, to so release such part of, or interest in, the Land and convey such title thereto or interest therein free from the Lien of the Mortgage, to the Company. As a condition to such conveyance, the Agency shall be provided with a copy of the instrument transferring such title or interest in such Land, an instrument survey (if the Agency so requests) of the Land conveyed, together with a certificate of an Authorized Representative of the Company stating that there is then no Event of Default under this Lease Agreement, no event has occurred or is continuing, which either immediately or with the lapse of time, or with notice, or both, shall constitute an Event of Default under this Lease Agreement, and such Land or interest therein is not necessary, desirable or useful for the Company Facility.

(c) No conveyance of any Land or interest therein effected under the provisions of this Section 9.1 shall entitle the Company to any abatement or diminution of the rents payable by the Company under Section 5.4 hereof.

Section 9.2 Removal of Facility Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Facility Equipment. In any instance where the Company determines that any item of Facility Equipment has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company, with the prior written consent of the Agency, may remove such items from the Company Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal shall not violate the Mortgage or materially impair the operation of the Company Facility for the purpose for which it is intended or change the nature of the Company Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company such instruments, in such form and substance as the Agency shall approve, as the Agency shall determine to be necessary and appropriate to enable the Company to sell or otherwise dispose of any such item of Facility Equipment subject to the rights, if any, of the Lender. The Company shall pay any costs (including counsel fees) incurred in transferring title to and releasing from the Lien of the Mortgage any item of Facility Equipment removed pursuant to this Section 9.2.

(c) The removal of any item of Facility Equipment pursuant of this Section 9.2 shall not entitle the Company to any abatement or diminution of the rents payable by it under Section 5.4 hereof.

Section 9.3 Assignment and Subleasing.

(a) This Lease Agreement shall not be assigned, in whole or in part, without the written consent of the Agency, and, except for the sublease of all of the Company Facility to the Sublessees under the Subleases, the Company Facility shall not be further subleased (including successive generation subleases) nor used or occupied by an person other than the Company or the Sublessees, in whole or in part, without the written consent of the Agency. Any assignment or sublease, except the sublease to the Sublessees, shall be on the following conditions:

(1) No assignment shall relieve the Company from primary liability for any of its obligations hereunder;

(2) The assignee shall assume the obligations of the Company hereunder to the extent of the interest assigned;

(3) The Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or sublease, as the case may be, and the instrument of assumption, in form and substance satisfactory to the Agency;

(4) The Company Facility shall continue to constitute a "Project" as such quoted term is defined in the Act; the provisions of the Act shall not be violated by the assignment or sublease, or the use or occupancy of the Company Facility;

(5) Neither the validity nor the enforceability of the Company Documents or the Sublessee Documents shall be adversely affected or violated thereby;

(6) Each sublessee shall execute and deliver an Agency Compliance Agreement in form and substance satisfactory to the Agency;

(7) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to this subsection (a) of this Section 9.3, the Company, at its sole cost and expense, shall furnish the Agency with an opinion, in form and substance satisfactory to the Agency, of Independent Counsel that neither the validity nor the enforceability of the Company Documents or the Sublessee Documents will be adversely affected or violated thereby;

(8) such other and further requirements as the Agency may determine in its sole discretion.

(b) If the Company or a Sublessee is a corporation, the transfer of a majority of the issued and outstanding capital stock of the Company or the Sublessee or the issuance of additional shares of the Company or the Sublessee such that if the additional shares had first been issued to the existing shareholders of the Company or the Sublessee and then transferred to the acquiring shareholders, such event would have constituted a transfer of a majority of the issued and outstanding capital stock of the Company or the Sublessee within the meaning of this Section, or, if the Company or a Sublessee is a partnership or a limited liability company, the transfer of a majority of the total interest in the Company or the Sublessee, however any of such corporate stock transfers or issuances or partnership or limited liability company interest transfers are accomplished, whether in a single transaction or in a series of related or unrelated transactions, such transactions shall be deemed an assignment of this Lease Agreement. The transfer of outstanding capital stock of the Company or a Sublessee, for purposes of this Section, shall not include sale of such stock by persons other than those deemed "insiders" within the meaning of the 1934 Act, or the initial sale by the Company or the Sublessee of stock to persons other than those deemed "insiders" within the meaning of the 1934 Act, provided in each such instance the sale is effected through the "Over the Counter Market" or through any recognized stock exchange.

If the Company Facility or any part thereof are sublet to, or occupied by, or used by any person other than the Company or the Sublessees, whether or not in violation of this paragraph, the Agency, after default by the Company under this Lease Agreement, may collect rent from the subtenant, user or occupant. In either case, the Agency shall apply the net amount collected to the rent reserved in this Lease Agreement, but no such assignment, subletting, occupancy, or use, whether with or without the Agency's prior consent, nor any such collection or application of rent, shall be deemed a waiver of any term, covenant or condition of this Lease Agreement or be

deemed the acceptance by the Agency of such assignee, subtenant, occupant or be deemed acceptance by the Agency of such subletting, occupancy or use and same shall not relieve the Company from its obligation to obtain the express prior consent of the Agency to any further assignment, subletting, occupancy or use. Neither any assignment of the Company's interest in this Lease Agreement nor any subletting, occupancy or use of the Company Facility or any part thereof by any person other than the Company, nor any collection of rent by the Agency from any person other than the Company as provided in this subsection, nor any application of any such rent as provided in this subsection (b) shall, in any circumstances, relieve the Company of its obligation to fully observe and perform the terms, covenants and conditions of this Lease Agreement on the Company's part to be observed and performed.

Section 9.4 Merger of Agency.

(a) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of title of the Company Facility as an entirety to, any other public benefit corporation or political subdivision which has the legal authority to own and lease the Company Facility, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the political subdivision or public benefit corporation resulting from such consolidation of surviving such merger or to which the Company Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and the Lender. PILOT Agreement, the Recapture Agreement, or the Agency Compliance and Guaranty Agreement, or otherwise.

Section 10.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Lease Agreement.

In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Re: Town of Brookhaven Industrial Development Agency
(J-CAD Realty LLC Facility)

Ladies and Gentlemen:

The Town of Brookhaven Industrial Development Agency (the "Agency"), by this notice, hereby advises you as follows:

1. Pursuant to a certain Lease Agreement, dated as of August 1, 2015 (the "Lease Agreement"), between the Agency and J-CAD Realty LLC, a limited liability company organized and existing under the laws of the State of New York, having an address of 664 Blue Point Road, Holtsville, New York 11742 (the "Company"), the Agency has authorized the Company to act as its agent in connection with the Company Facility described therein located at the Eligible Location described above. Certain capitalized terms used herein and not defined shall have the respective meanings given to such terms in the Lease Agreement.

2. Upon the Company's request, the Agency has appointed [*insert name of Agent*] (the "Agent"), pursuant to this Sales Tax Agent Authorization Letter (the "Sales Tax Agent Authorization Letter") to act as the Agency's agent for the purpose of effecting purchases exempt from sales or use tax in accordance with the terms, provisions of this Sales Tax Agent Authorization Letter and the Lease Agreement. **The Agent should review the definitions of Eligible Items and Ineligible Items in Schedule A hereto with respect to the scope of Sales Tax Exemption provided under the Lease Agreement and hereunder.**

3. The effectiveness of the appointment of the Agent as an agent of the Agency is expressly conditioned upon the execution by the Agency of New York State Department of Taxation and Finance Form ST-60 "IDA Appointment of Project Operator or Agent" ("Form ST-60") to evidence that the Agency has appointed the Agent as its agent (the form of which is to be completed by Agent and the Company). Pursuant to the exemptions from sales and use taxes available to the Agent under this Sales Tax Agent Authorization Letter, the Agent shall avail itself of such exemptions when purchasing eligible materials and services in

connection with the Facility and shall not include such taxes in its contract price, bid or reimbursable costs, as the case may be.

4. The Agent acknowledges that the executed Form ST-60 shall not serve as a sales or use tax exemption certificate or document. No agent or project operator may tender a copy of the executed Form ST-60 to any person required to collect sales tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED IN THE TAX LAW. IN ADDITION, THE USE BY AN AGENT, PROJECT OPERATOR, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY EIGHT AND THIRTY SEVEN OF THE TAX LAW, THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.

5. As agent for the Agency, the Agent agrees that it will present to each seller or vendor a completed and signed **NYSDTF Form ST-123 "IDA Agent or Project Operator Exempt Purchase Certificate"** or such additional or substitute form as is adopted by NYSDTF for use in completing purchases that are exempt from Sales and Use Taxes ("Form ST-123") for each contract, agreement, invoice, bill or purchase order entered into by the Agent, as agent for the Agency, for the construction, repair and equipping of the Company Facility. Form ST-123 requires that each seller or vendor accepting Form ST-123 identify the Company Facility on each bill and invoice and invoice for purchases and indicate on the bill or invoice that the Agency or Agent or Company, as project operator of the Agency, was the purchaser. The Agent shall complete Form ST-123 as follows: (i) the "Project information" section of Form ST-123 should be completed using the name and address of the Company Facility as indicated on the Form ST-60 used to appoint the Agent; (ii) the date that the Agent was appointed as an agent should be completed using the date of the Agent's Sales Tax Agent Authorization Letter; and (iii) the "Exempt purchases" section of Form ST-123 should be completed by marking "X" in box "A" only.

6. The Agent agrees to comply with the terms and conditions of the Lease Agreement. The Agent must retain for at least six (6) years from the date of expiration of its contract copies of (a) its contract with the Company to provide services in connection with the Facility, (b) all contracts, agreements, invoices, bills or purchases entered into or made by such Agent using the Letter of Authorization for Sales Tax Exemption, and (c) the executed Form ST-60 appointing the Agent as an agent of the Agency, and shall make such records available to the Agency upon reasonable notice. This provision shall survive the expiration or termination of this Sales Tax Agent Authorization Letter.

7. In order to assist the Company in complying with its obligation to file New York State Department of Taxation and Finance Form ST-340 "Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority" ("Form ST-340"), the Agent covenants and agrees that it shall file semi-annually with the Company and the Agency (no later than January 15th and July 15th of each calendar year in which it has claimed sales and use tax exemptions in connection with the Company Facility) a written statement of all sales and use tax exemptions claimed by such Agent

for the preceding six-month period (ending on June 30th or December 31st, as applicable) in connection with the Facility by completing and submitting to the Company and the Agency the **Sales Tax Registry** attached hereto as Schedule B. If the Agent fails to comply with the foregoing requirement, the Agent shall immediately cease to be the agent for the Agency in connection with the Company Facility (such agency relationship being deemed to be immediately revoked) without any further action of the parties, the Agent shall be deemed to have automatically lost its authority to make purchases as agent for the Agency, and shall desist immediately from all such activity.

8. The Agent agrees that if it fails to comply with the requirements for sales and use tax exemptions, as described in this Sales Tax Agent Authorization Letter, it shall pay any and all applicable Company Sales Tax Savings and any interest and penalties thereon. This provision shall survive the expiration or termination of this Sales Tax Agent Authorization Letter.

9. **Special Provisions Relating to State Sales Tax Savings.**

a. The Agent covenants and agrees to comply, and to cause each of its contractors, subcontractors, persons or entities to comply, with the requirements of General Municipal Law Sections 875(1) and (3) (the "Special Provisions"), as such provisions may be amended from time to time. In the event of a conflict between the other provisions of this Sales Tax Agent Authorization Letter or the Lease Agreement and the Special Provisions, the Special Provisions shall control.

b. The Agent acknowledges and agrees that pursuant to General Municipal Law Section 875(3) the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Agent State Sales Tax Savings taken or purported to be taken by the Agent or any other person or entity acting on behalf of the Agent to which Agent or the Company is not entitled or which are in excess of the Maximum Company Sales Tax Savings Amount or which are for property or services not authorized or taken in cases where the Company, any Agent or any other person or entity acting on behalf of the Company or the Agent failed to comply with a material term or condition to use property or services in the manner required by this Sales Tax Agent Authorization Letter or the Lease Agreement. The Company shall, and shall require each Agent and any other person or entity acting on behalf of the Company, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such State Sales Tax Savings and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the Commissioner of the New York State Department of Taxation and Finance (the "Commissioner") to assess and determine State Sales and Use Taxes due from the Company under Article Twenty-Eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

10. Subject to the provisions of Section 9 hereof, in the event that the Agent shall utilize the Sales Tax Exemption in violation of the provisions of the Lease Agreement or this Sales Tax Agent Authorization Letter, the Agent shall promptly deliver notice of same to the Company and the Agency, and the Agent shall, upon demand by the Agency, pay to or at the direction of the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the rate of twelve percent

(12%) per annum compounded daily from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was availed of by the Agent.

11. Upon request by the Agency with reasonable notice to the Agent, the Agent shall make available at reasonable times to the Agency all such books, records, contracts, agreements, invoices, bills or purchase orders of the Agent, and require all appropriate officers and employees of the Agent to respond to reasonable inquiries by the Agency as shall be necessary (y) to indicate in reasonable detail those costs for which the Agent shall have utilized the Sales Tax Exemption and the dates and amounts so utilized, and (z) to permit the Agency to determine any amounts owed by the Agent under Section 10.

12. By execution of this Sales Tax Agent Authorization Letter, the Agent agrees to accept the terms hereof and represent and warrant to the Agency that the use of this Sales Tax Agent Authorization Letter by the Agent is strictly for the purposes stated herein.

13.
