CONSTRUCTION WAGE POLICY

EFFECTIVE January 1, 2005

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;
- (2) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program;

OR

- (3) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.
