SCHEDULE B

CONSTRUCTION WAGE POLICY

EFFECTIVE January 1, 2005

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;
- (2) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program;

OR

- (3) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.

Adopted: May 23, 2005

SCHEDULE C

RECAPTURE AND TERMINATION POLICY

EFFECTIVE JUNE 8, 2016

Pursuant to Sections 874(10) and (11) of Title 1 of Article 18-A of the New York State General Municipal Law (the “Act”), the Town of Brookhaven Industrial Development Agency (the “Agency”) is required to adopt policies (i) for the discontinuance or suspension of any financial assistance provided by the Agency to a project or the modification of any payment in lieu of tax agreement and (ii) for the return of all or part of the financial assistance provided by the Agency to a project. This Recapture and Termination Policy was adopted pursuant to a resolution enacted by the members of the Agency on June 8, 2016.

I. Termination or Suspension of Financial Assistance

The Agency, in its sole discretion and on a case-by-case basis, may determine (but shall not be required to do so) to terminate or suspend the Financial Assistance (defined below) provided to a project upon the occurrence of an Event of Default, as such term is defined and described in the Lease Agreement entered into by the Agency and a project applicant (the “Applicant”) or any other document entered into by such parties in connection with a project (the “Project Documents”). Such Events of Default may include, but shall not be limited to, the following:

- 1) Sale or closure of the Facility (as such term is defined in the Project Documents);
- 2) Failure by the Applicant to pay or cause to be paid amounts specified to be paid pursuant to the Project Documents on the dates specified therein;
- 3) Failure by the Applicant to create and/or maintain the FTEs as provided in the Project Documents;
- 4) A material violation of the terms and conditions of the Project Agreements; and
- 5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The decision of whether to terminate or suspend Financial Assistance and the timing of such termination or suspension of Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and shall be subject to the notice and cure periods provided for in the Project Documents.

For the purposes of this policy, the term “Financial Assistance” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the Project Agreements including, but not limited to:

- (i) any exemption from any applicable mortgage recording tax with respect to the Facility on mortgages granted by the Agency on the Facility at the request of the Applicant;

- (ii) sales tax exemption savings realized by or for the benefit of the Applicant, including and savings realized by any agent of the Applicant pursuant to the Project Agreements in connection with the Facility; and
- (iii) real property tax abatements granted under the Project Agreements.

II. Recapture of Financial Assistance

The Agency, in its sole discretion and on a case-by-case basis, may determine (but shall not be required to do so) to recapture all or part of the Financial Assistance provided to a project upon the occurrence of a Recapture Event, as such term is defined and described in the Project Documents. Such Recapture Events may include, but shall not be limited to the following:

- 1) Sale or closure of the Facility (as such term is defined in the Project Documents);
- 2) Failure by the Applicant to pay or cause to be paid amounts specified to be paid pursuant to the Project Documents on the dates specified therein;
- 3) Failure by the Applicant to create and/or maintain the FTEs as provided in the Project Documents;
- 4) A material violation of the terms and conditions of the Project Agreements; and
- 5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The timing of the recapture of the Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and is subject to the notice and cure periods provided for in the Project Documents. The percentage of such Financial Assistance to be recaptured shall be determined by the provisions of the Project Documents.

All recaptured amounts of Financial Assistance shall be redistributed to the appropriate affected taxing jurisdiction, unless agreed to otherwise by any local taxing jurisdiction.

For the avoidance of doubt, the Agency may determine to terminate, suspend and/or recapture Financial Assistance in its sole discretion. Such actions may be exercised simultaneously or separately and are not mutually exclusive of one another.

III. Modification of Payment In Lieu of Tax Agreement

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements. The amount of such adjustments shall be determined by the provisions of the Project Documents.

SCHEDULE D

Agency Payment in Lieu of Taxes (PILOT) Policy

An annual fee of \$1,000 will be due to the Agency in addition to the PILOT payment to cover ongoing costs incurred by the Agency on behalf of the project.

1. The Town of Brookhaven Industrial Development Agency (IDA) may grant or be utilized to obtain a partial or full real property tax abatement for a determined period. To be eligible for this abatement there would be a requirement of new construction, or renovation, and a transfer of title of the real property to the Town of Brookhaven IDA.
2. The Chief Executive Officer (CEO) or their designee shall consult with the Town Assessor to ascertain the amounts due pursuant to each PILOT Agreement. Thereafter, the PILOT payment for each project shall be billed to the current lessees. The lessees can pay the PILOT payment in full by January 31st of each year, or in two equal payments due January 31st and May 31st of each year of the PILOT Agreement. The CEO or their designee shall send all PILOT invoices to the lessees on a timely basis.
3. The Town of Brookhaven IDA shall establish a separate, interest bearing bank account for receipt and deposit of all PILOT payments. The CEO or their designee shall be responsible for depositing and maintaining said funds with input from the Chief Financial Officer (CFO).
4. The CEO or their designee shall remit PILOT payments and penalties if any, to the respective taxing authorities in the proportionate amounts due to said authorities. These remittances shall be made within thirty (30) days of receipt of the payments to the Agency.
5. Payments in lieu of taxes which are delinquent under the agreement shall be subject to a late payment penalty of five percent (5%) of the amount due. For each month, or part thereof, that the payment in lieu of taxes is delinquent beyond the first month, interest shall on the total amount due plus a late payment penalty in the amount of one percent (1%) per month until the payment is made.
6. If a PILOT payment is not received by **January 31st** of any year or **May 31st** of the second half of the year the lessee shall be in default pursuant to the PILOT Agreement. The Agency may give the lessee notice of said default. If the payment is not received within thirty (30) days of when due, the CEO shall notify the Board, and thereafter take action as directed by the Board.
7. The CEO shall maintain records of the PILOT accounts at the Agency office.
8. Nothing herein shall be interpreted to require the Agency to collect or disburse PILOT payments for any projects which are not Agency projects.

9. Should the Applicant fail to reach employment levels as outlined in their application to the Agency, the Board reserves the right to reduce or suspend the PILOT Agreement, declare a default under the Lease or the Installment Sale Agreement, and/or convey the title back to the Applicant.
10. This policy has been adopted by the IDA Board upon recommendation of the Governance Committee and may only be amended in the same manner.

Town of Brookhaven, New York

June 23, 2021

Ladies and Gentlemen:

C2 NY Brookhaven, LLC, a Delaware limited liability company (the “Company”), desires to assign to Key Equipment Finance, a Division of KeyBank National Association (“KeyBank”), certain (but not all) of its rights, interests and obligations with respect to the Project Agreement (as defined below) in connection with the entry by the Company into a sale-leaseback transaction with KeyBank in respect of the solar photovoltaic equipment that is subject to the Project Agreement. In addition, the Company requests certain other related consents and authorizations with respect to the Project Agreement and the Ground Lease (as defined below) in connection with the transaction being entered into between the Company and KeyBank, as set forth below.

Background

Reference is made to that certain Lease and Project Agreement, dated as of April 1, 2019, between the Town of Brookhaven Industrial Development Agency (the “Agency”) and Pennysaver Solar, LLC (“Pennysaver”), as assigned by Pennysaver to the Company pursuant to certain agreements dated September 18, 2019 (as assigned and amended, the “Project Agreement”), which Project Agreement, among other things, provides for certain terms, conditions and transactions for the development, construction and operation by the Company of a solar energy generating carport system located at 55 Bicycle Path, Farmingville, New York (the “Premises”). The totality of these transactions is referred to as the “Project” in the Project Agreement.

Reference is also made to that certain Renewable Energy Lease Agreement, dated as of June 11, 2018 between the Town of Brookhaven, a municipal corporation (the “Town”), and Ace-Bald Hill Solar, LLC, as assigned to Pennysaver and as further assigned by Pennysaver to the Company pursuant to certain agreements (as assigned and amended, the “Ground Lease”), pursuant to which the Town leases the Premises to the Company. The Company subleases the Premises to the Agency pursuant to a certain Company Lease Agreement dated April 1, 2019 (the “Company Lease”), and the Agency sub-subleases the Premises back to the Company pursuant to the Project Agreement.

In connection with the Project, the Company has obtained certain financing for the construction of the Equipment and certain of the Improvements related thereto (as each term is defined in the Project Agreement, and which are referred to herein collectively as the "Equipment") from KeyBank. On or around the time of the completion of the construction of the Equipment, the Company and KeyBank desire to enter into a sale-leaseback transaction for the Equipment (the "SLB Transaction"), and in connection therewith KeyBank intends, among other things, to be entitled to claim the federal energy investment tax credit.

As part of the Project and pursuant to the Project Agreement, and to obtain certain tax benefits provided by the State of New York thereunder, (a) the Company has and/or will transfer nominal title to the Equipment to the Agency, such that the Agency holds or will hold nominal title to such Equipment, and (b) the Agency is leasing the Equipment to the Company, such that the Company has a leasehold interest in the Equipment.

In order to consummate the SLB Transaction, KeyBank must purchase the benefits and burdens of ownership of the Equipment from the Company. Since the Company does not hold title to the Equipment to sell to KeyBank, the Company must sell/assign to KeyBank all of the rights, interests, and obligations it does have with respect to the Equipment, which, for the duration of Project Agreement, is the Company's aforementioned leasehold interest in the Equipment held by the Company under the Project Agreement as well as the Company's rights under the Project Agreement to ultimately receive title to the Equipment from the Agency.

Concurrently with the purchase of these rights, interests and obligations with respect to the Equipment under the Project Agreement from the Company, KeyBank will lease them back to the Company for the duration of the SLB Transaction (except for the right to ultimately receive title to the Equipment from the Agency (such right remaining with KeyBank)). For the avoidance of doubt, KeyBank's interest pursuant to the SLB Transaction is primarily an economic one (noting KeyBank is required, absent a default under the SLB Transaction Documents, to provide the Company quiet enjoyment with respect to the Equipment), and the Company will remain responsible and obligated to the Agency under the Project Agreement for the operation of the Project and for compliance with all terms, requirements and conditions of the Project Agreement.

Assignment and Amendment of Project Agreement Provisions

Because the Project Agreement contains transactions and obligations of the Company above and beyond those related to just the Equipment interests, KeyBank is unable to purchase / take an assignment of the Company's interest in the entire Project Agreement. As such, KeyBank will need to purchase from the Company all of those rights, interests, and certain obligations held by the Company solely as they pertain to the Equipment under the Project Agreement. In connection therewith, we would also look for an amended and restated Bill of Sale (of the one previously given by Pennysaver to the Agency) to be given by the Company to the Agency that specifically identifies the equipment at issue here. Section 9.3 of the Project Agreement requires the consent of the Agency for any partial assignment by the Company of or under the Project Agreement.

Based on our review of the Project Agreement, we note the following sections and/or provisions of the Project Agreement that would be subject to the assignment and Agency consent (but noting in any event that the definitive assignment agreement will need to cover all relevant provisions insofar as they pertain to the Company's interest in the Equipment thereunder):

- Section 2.2(h) (solely as it relates to the Company's lease of the Equipment)
- Section 3.4(c) (solely with respect to the Equipment)
- Section 3.4(d) (solely with respect to the Equipment)
- Section 3.5
- Section 3.7 (solely with respect to the Equipment)
- Section 4.1 (solely with respect to the lease of the Equipment)
- Section 4.2 (solely with respect to the Equipment)
- Section 4.3(a) (second sentence only)
- Section 5.1 (but only in the circumstance that Section 11.2(c) applies)
- Section 5.4 (but only in the circumstance that Section 11.2(a) applies)
- Section 6.1 (solely with respect to the Equipment), Section 6.2, Section 6.3 (solely with respect to the Equipment), Section 6.4(a) (solely as it applies to property and casualty insurance in respect of the Equipment), Section 6.4(e) (solely as it applies to flood insurance in respect of the Equipment) Section 6.5 (solely as it relates to Section 6.4(a) and (e)), Section 6.6 (solely as it relates to Section 6.4(a) and (e)), Section 6.7 (solely as it relates to the obligations of the Company thereunder to the extent they arise directly and solely with respect to the Equipment)
- Section 7.1 (solely with respect to the Equipment), Section 7.2 (solely with respect to the Equipment)
- Section 8.9 (solely with respect to the Equipment)
- Section 9.1 (solely with respect to the Equipment), Section 9.2, Section 9.3 (solely with respect to the Equipment)
- Section 11.1, Section 11.2, Section 11.3. (Please note that, unlike the other sections referenced herein, Sections 11.1, 11.2, and 11.3 will not be "leased back" by KeyBank to the Company under the SLB Transaction because title needs to go directly from the Agency to KeyBank upon a termination or expiration of the Project Agreement and KeyBank needs the unilateral ability to terminate the Project Agreement.)
- Section 12.2, Section 12.3 (in each case solely as it relates to Equipment)

In addition, the definitive assignment agreement will need to contain following amendments to the Project Agreement as they relate to KeyBank:

- Section 9.4(b), to provide for any such notice to also be provided to KeyBank
- Section 10.2(a)(ii), solely with respect to the Equipment (that is, re-convey the Equipment to KeyBank instead of the Company in such instance)
- Section 14.4, to provide that KeyBank's consent is also required

- New section to provide that none of the ITC eligible property is included in the definition of “Improvements”

In connection with the SLB Transaction, all rights and obligations necessary for KeyBank to be considered the owner of the Equipment for federal income tax purposes must be transferred to KeyBank and the Company and the Agency agree to cooperate in executing any further agreements, etc., memorializing such transfer.

In addition, the definitive assignment documentation will also contain customary estoppels, including with respect to the Project Agreement being in full force and effect and no default or failure of any party to meet critical date deadlines.

Additional Related Consents and Requests

In addition to the direct assignment of the Equipment interests under the Project Agreement pursuant to the above, the Company will collaterally assign the entire Project Agreement to KeyBank as security for the SLB Transaction (as it does with respect to other applicable solar project documents to which it is a party). Consent for this collateral assignment is requested notwithstanding that such consent may already generally be provided for by Section 12.3 of the Project Agreement. Likewise, the company will also collaterally assign the Company Lease to KeyBank as security for the SLB Transaction. Consent for this collateral assignment is requested notwithstanding that such consent may already generally be provided for in the Company Lease.

The Company will also collaterally assign the Ground Lease to KeyBank as security for the SLB Transaction. Consent for this collateral assignment from the Town is required pursuant to Section 23 of the Ground Lease. Further, because the Equipment will be located on the Premises, KeyBank will require the Company to deliver an Equipment waiver and disclaimer from the Town. The Equipment waiver and disclaimer will provide that the Town agrees that KeyBank’s interest in the Equipment shall be superior to any and all interests which the Town may now have or hereafter acquire in the Equipment, and whereby the Town agrees to waive all claims or right, present or future, in the Equipment (including, without limitation, all claims or rights to levy upon or attach, by foreclosure, exercise of lien rights or otherwise, the Equipment for the failure of Lessee to pay rent or any other amounts due and owing under, or to observe or perform any of the terms, conditions and covenants of the Ground Lease). The equipment waiver and disclaimer will also contain certain customary estoppels, including with respect to the Ground Lease being in full force and effect and no default.

As part of the SLB Transaction, the Company will sell and assign to KeyBank, and KeyBank will purchase from the Company a non-exclusive license of the Company’s rights to access the real property on which the Equipment is located. Notwithstanding anything to the contrary contained in the Ground Lease or the Project Agreement, the Company will need to deliver evidence of consent from the Town and the Agency, respectively, with respect to such sale and assignment of such non-exclusive access rights.

The Company requests the approval and consent of the Agency and the Town, as applicable, for all of the foregoing.

Sincerely,

C2 NY Brookhaven, LLC
