### CONSTRUCTION WAGE POLICY

**EFFECTIVE January 1, 2005**

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

## SCHEDULE C

### RECAPTURE AND TERMINATION POLICY

EFFECTIVE JUNE 8, 2016

Pursuant to Sections 874(10) and (11) of Title 1 of Article 18-A of the New York State General Municipal Law (the “Act”), the Town of Brookhaven Industrial Development Agency (the “Agency”) is required to adopt policies (i) for the discontinuance or suspension of any financial assistance provided by the Agency to a project or the modification of any payment in lieu of tax agreement and (ii) for the return of all or part of the financial assistance provided by the Agency to a project. This Recapture and Termination Policy was adopted pursuant to a resolution enacted by the members of the Agency on June 8, 2016.

The decision of whether to terminate or suspend Financial Assistance and the timing of such termination or suspension of Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and shall be subject to the notice and cure periods provided for in the Project Documents.

For the purposes of this policy, the term “Financial Assistance” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the Project Agreements including, but not limited to:

## **III. Modification of Payment In Lieu of Tax Agreement**

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements. The amount of such adjustments shall be determined by the provisions of the Project Documents.

*Re: Francis A. Lee/Integrated Structures Corp.*

Dear Mr. Pasichow:

This law firm represents Francis A. Lee and the Minority Business Entity (“MBE”) of which he is president, Integrated Structures Corp. (“the Company”), in the matter of the Company’s application for approval to perform as an MBE subcontractor on a construction project of the Port Authority of New York and New Jersey (“PA”) of which Grammercy Group Inc. is the prime contractor. Mr. Lee provides this explanation for his inability to sign the subcontractor certification required by the PA for such construction projects.

Over 20 years ago, Mr. Lee pleaded guilty in federal court on Long Island to a federal felony for which he was sentenced to a term of probation, the most lenient sentence permitted. Since then, Mr. Lee has been asked many times by public agencies to respond to inquiries like the present PA inquiry. Upon examination and review by all levels of government - federal, state and local agencies - Mr. Lee and the Company have always been approved as responsible bidders and subcontractors. The PA should feel free to contact some of those agencies, listed below, because, if you do, we are confident that your agency will reach the same conclusion, i.e., the Company is a highly competent and responsible New York MBE,<sup>1</sup> and that Mr. Lee’s conviction, by now ancient history, should present no bar to the subcontracting work for which

---

<sup>1</sup> Because Mr. Lee is Chinese-American, the Company is certified by the State of New York as an MBE. The Company is known throughout the construction industry as a highly respected and competent MBE, one of the few structural steel MBE’s in the construction industry in the New York metropolitan area.

the Company has been selected to perform on the PA's project. The PA has been and should be proud to do business with Mr. Lee and the Company.

**A. Mr. Lee's Offense Conduct and Sentence.** On April 7, 1999, Mr. Lee pleaded guilty to a single count of a prosecutor's information charging him with conspiracy to defraud the Internal Revenue Service and to engage in a prohibited monetary transaction. After years of cooperation with the government, Mr. Lee was sentenced on February 4, 2003, more than 16 years ago, to a term of probation and a \$10,000 fine. Since this firm represented Mr. Lee in those criminal proceedings, I know first-hand about his conduct in the criminal case.

In view of the motivation for Mr. Lee's conduct and his extensive cooperation with the government, it is not surprising that Mr. Lee received a particularly lenient sentence, and approval of the Company to perform on public works projects in the many years since.

**B. The Company's Relationship With Other Public Agencies.** Mr. Lee's legal difficulties more than 20 years ago have not deterred numerous public agencies from approving the Company's participation in public works projects over the intervening years. On the contrary, the U.S. Department of Justice ("DOJ") has encouraged various public agencies to continue to do business with the Company on public projects, and the Company has continued to perform on such contracts. Examples of some of the Company's most recent public works contracts include the NYS Department of Transportation's Gowanus Expressway project; the NYC Transit Authority's renovation and rehabilitation of the Sea Beach Line; and perhaps most impressively, the PA's \$4 billion renovation of LaGuardia Airport. Each of these agencies was made aware of Mr. Lee's ancient conviction before they approved the Company as an MBE subcontractor on their projects.

It is not surprising that so many public agencies have continued to do business with the Company. The Company not only competently performs highly specialized structural steel work, but is one of the very few (if not the only) qualified MBE capable of doing such work. Moreover, the PA can no doubt quickly confirm that the Company performed yeoman work on the clean-up of the World Trade Center site following the September 11 attack, and its volunteer work on the clean-up was at considerable cost to the Company.

**C. Conclusion.** For all of the above-stated reasons, I respectfully submit that Mr. Lee's criminal conviction is no indication of a lack of business integrity or responsibility affecting his or the Company's qualifications for subcontracting work for the PA. I respectfully urge the PA to approve the Company for subcontracting work on the project LGA 124.261.

If you have further questions, please do not hesitate to contact me. Thank you for your courtesy and consideration.
