Yes  No

A. If yes, list the Address: 172 Barnes Road, Moriches, New York 11955 ("Facility No. 2")  
Insert No. 1

6. If yes to above ("5"), will the completion of the project result in the removal of such facility or facilities from one area of the state to another OR in the abandonment of such facility or facilities located within the State? Yes  No

A. If no, explain how current facilities will be utilized: Facility No. 1 will continue to be used solely as a distribution center. Facility No. 2 will continue to be used as a farm where ingredients for the Applicant's business will be grown.

- B. If yes, please indicate whether the project is reasonably necessary for the Applicant to maintain its competitive position in its industry or remain in the State and explain in full:

**Insert No. 2**

7. Has the Applicant actively considered sites in another state? Yes  No

A. If yes, please list states considered and explain: The Applicant was close to purchasing manufacturing and distribution facilities in southern New Jersey. It is still considering this in the event it is not successful in obtaining economic incentives and if the Project is not acquired as a result thereof.

## **INSERT NO. 1**

Part II, Section 5A: Facility No. 2 is farmland in the nearby Town of Moriches, New York that the Applicant acquired in late 2014. The farmland use to be a duck farm that was closed down due to environmental issues. The Applicant's affiliated company, at its sole cost and expense, turned this environmentally contaminated property into an organic farm where it currently grows specialty mushrooms and fruit for their food manufacturing and distribution business. The farmland is currently organic certified by Oregon Tilth Organic and Kosher certified by Star K. Please see the enclosed copies of such certifications. It is the Applicant's goal to synergistically connect Facility No. 2 with the Project both from a production standpoint as well as an employment growth standpoint.

## **INSERT NO. 2**

Part II, Section 6B: Even though this question does not require an answer per the application instructions, given the answer in the introductory Paragraph 6, the Applicant believes a response is still important. This project is necessary for the Applicant to remain competitive in what has become an extremely competitive market for the production of meat, meat products and other food products for the Asian food industry. Should the Applicant receive the necessary incentives so that it can acquire this new location, its proximity to the farm it purchased in the Town of Brookhaven as well as its proximity to the distribution center it currently owns in Nassau County will reduce its costs and give it a critical financial and operational edge over its competition. Also, of import, is that the Applicant hopes to hire several of the current employees from the business that will be closing at the location.

### **INSERT NO. 3**

Part II, Section 8A: The requested financial assistance is necessary to prevent the Applicant from moving out of New York State. The Applicant has seriously considered moves to southern New Jersey where both the cost to operate a project for these purposes as well as the current real estate tax component would be significantly less than at the contemplated project location (as well as other locations in Nassau County and elsewhere in New York). Further, economic incentives are available from and have been discussed with the State of New Jersey.

**SCHEDULE B**

**CONSTRUCTION WAGE POLICY**

**EFFECTIVE January 1, 2005**

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;
- (2) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program;

OR

- (3) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.

## SCHEDULE C

### RECAPTURE AND TERMINATION POLICY

EFFECTIVE JUNE 8, 2016

Pursuant to Sections 874(10) and (11) of Title 1 of Article 18-A of the New York State General Municipal Law (the “Act”), the Town of Brookhaven Industrial Development Agency (the “Agency”) is required to adopt policies (i) for the discontinuance or suspension of any financial assistance provided by the Agency to a project or the modification of any payment in lieu of tax agreement and (ii) for the return of all or part of the financial assistance provided by the Agency to a project. For the purposes of this policy, the term “Financial Assistance” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the Project Agreements including, but not limited to:

- (i) any exemption from any applicable mortgage recording tax with respect to the Facility on mortgages granted by the Agency on the Facility at the request of the Applicant;

For the avoidance of doubt, the Agency may determine to terminate, suspend and/or recapture Financial Assistance in its sole discretion. Such actions may be exercised simultaneously or separately and are not mutually exclusive of one another.

## **III. Modification of Payment In Lieu of Tax Agreement**

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements. The amount of such adjustments shall be determined by the provisions of the Project Documents.
