SCHEDULE B

CONSTRUCTION WAGE POLICY

EFFECTIVE January 1, 2005

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;
- (2) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program;

OR

- (3) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.

EFFECTIVE JUNE 8, 2016

Pursuant to Sections 874(10) and (11) of Title 1 of Article 18-A of the New York State General Municipal Law (the “Act”), the Town of Brookhaven Industrial Development Agency (the “Agency”) is required to adopt policies (i) for the discontinuance or suspension of any financial assistance provided by the Agency to a project or the modification of any payment in lieu of tax agreement and (ii) for the return of all or part of the financial assistance provided by the Agency to a project. For the purposes of this policy, the term “Financial Assistance” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the Project Agreements including, but not limited to:

- (i) any exemption from any applicable mortgage recording tax with respect to the Facility on mortgages granted by the Agency on the Facility at the request of the Applicant;

The percentage of such Financial Assistance to be recaptured shall be determined by the provisions of the Project Documents.

All recaptured amounts of Financial Assistance shall be redistributed to the appropriate affected taxing jurisdiction, unless agreed to otherwise by any local taxing jurisdiction.

For the avoidance of doubt, the Agency may determine to terminate, suspend and/or recapture Financial Assistance in its sole discretion. Such actions may be exercised simultaneously or separately and are not mutually exclusive of one another.

III. Modification of Payment In Lieu of Tax Agreement

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending, or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements. The amount of such adjustments shall be determined by the provisions of the Project Documents.
