ARTICLE I
DEFINITIONS

All capitalized terms used in this Lease Agreement and not otherwise defined herein shall have the meanings assigned thereto in the Schedule of Definitions attached hereto as Schedule A, and words and phrases set forth therein shall be interpreted as provided therein.

ARTICLE II
REPRESENTATIONS AND COVENANTS

Section 2.1 Representations and Covenants of Agency. The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will acquire a leasehold interest in the Land and Improvements, cause the Improvements to be constructed and the Equipment to be acquired and installed and will lease and sublease the Facility to the Company pursuant to this Lease Agreement, all for the Public Purposes of the State.

(c) By resolution dated August 20, 2025 the Agency determined that, based upon the review by the Agency of the materials submitted and the representations made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQR Act.

(d) Neither the execution and delivery by the Agency of any of the Agency Documents and the other documents contemplated thereby or the consummation by the Agency of the transactions contemplated thereby nor the fulfillment by the Agency of or compliance by the Agency with the provisions of any of the Agency Documents and the other documents contemplated thereby will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof, the Agency's Certificate of Establishment or By-Laws, as amended, or any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, By-Laws, restriction, agreement or instrument, except for Permitted Encumbrances.

(e) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(f) The Agency has been induced to enter into this Lease Agreement by the undertaking of the Company to utilize the Facility in the Town of Brookhaven, New York in furtherance of the Public Purposes of the Agency.

(g) The Agency will execute, acknowledge (if appropriate) and deliver from time to time such instruments and documents which the Agency deems necessary or desirable to carry out the intent and purposes of this Lease Agreement.

(h) The undertaking of the Project is anticipated to serve the Public Purposes of the State by providing affordable rental housing, which but for the Facility, would not otherwise be reasonably accessible to the residents of the Town of Brookhaven.

Section 2.2 Representations and Covenants of Company. The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) Port Jefferson Commons is a limited liability company, duly organized and existing under the laws of the State of New York, is in good standing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. Each of the

Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company.

(b) HDFC is a housing development fund company duly organized and validly existing under the laws of the State of New York, is in good standing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform on behalf of the Company each of the Company Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company.

(c) Neither the execution and delivery by the Company of any of the respective Company Documents and the other documents contemplated thereby or the consummation by the Company of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of any law or ordinance of the State or any political subdivision thereof, either of Port Jefferson Commons' or HDFC's Organizational Documents, as amended, or any restriction or any agreement or instrument to which the Company or either Port Jefferson Commons or HDFC respective is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company or either Port Jefferson Commons or HDFC under the terms of any such law, ordinance, Organizational Documents, as amended, restriction, agreement or instrument, except for Permitted Encumbrances.

(d) The Facility, the Project Work and the design, and operation of the Facility will conform with all applicable zoning, planning, building and Environmental Laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. Under penalty of perjury, the Company certifies that it is in substantial compliance with all local, state, and federal tax, worker protection and environmental laws, rules and regulations.

(e) Each of the Company Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms.

(f) The Facility is and will continue to be a "project" as such quoted term is defined in the Act as of the date of this Lease Agreement. The Company will not take any action, or fail to take any action, which action or failure to act would cause the Facility not to constitute a "project" as such quoted term is defined in the Act as of the date of this Lease Agreement.

(g) The transactions contemplated by this Lease Agreement shall not result in the removal of any facility or plant of any Facility occupant(s) from one area of the State to another area of the State or in the abandonment of one or more facilities or plants of the Facility occupant(s) located within the State.

(h) The Company agrees to take any actions reasonably deemed necessary by the Agency, or its Chairman, Vice Chairman, Chief Executive Officer, or any member or officer of the Agency, counsel to the Agency or Transaction Counsel, in order to ensure compliance with

Sections 2.2(e) and (f) and 9.3 of this Lease Agreement provided that the Company receives duly acknowledged written confirmation from the Agency setting forth the reason(s) for said action(s). Without limiting the generality of the foregoing, the Company will provide the Agency with any and all reasonably necessary information and materials describing proposed non-residential Facility occupants as necessary.

(i) The Company will sublease and lease the Facility in accordance with the provisions hereof, including, but not limited to, Section 9.3 hereof, and will cause future non-residential sublessees of the Facility, or any portion thereof, to execute and deliver to the Agency a Tenant Agency Compliance Agreement substantially in the form attached hereto as Exhibit I, prior to the occupancy of the Facility, or a portion thereof, by such sublessee, in accordance with the provisions of Section 9.3 hereof.

(j) The Company hereby represents to the Agency that facilities and property that are primarily used in making retail sales of goods and services to customers who personally visit the Facility will not constitute more than one-third (1/3) of the total costs of the Facility, except in accordance with New York General Municipal Law (the "**GML**") Section 862.

(k) There is no action or proceeding pending or, to the best of the Company's knowledge, after diligent inquiry, threatened, by or against the Company by or before any court or administrative agency that would adversely affect the ability of the Company to perform its obligations under this Lease Agreement or any other Company Document.

(l) The Company has obtained all authorizations, consents and approvals of governmental bodies or agencies required to be obtained by it as of the Closing Date in connection with the execution and delivery of this Lease Agreement and each other Company Document or in connection with the performance of its obligations hereunder and under each Company Document.

(m) The Project Application Information was true, correct and complete in all material respects as of the date submitted to the Agency, and no event has occurred or failed to occur since such date of submission which could cause any of the Project Application Information to include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make such statements not misleading.

(n) The Company shall not use or permit any use of the Facility for any purpose or in any manner other than as approved by the Agency pursuant to the Authorizing Resolution and described herein, unless otherwise consented to by the Agency.

(o) No representation or warranty by or on behalf of the Company herein nor any statement, certificate or application furnished or to be furnished by or on behalf of the Company to the Agency in connection herewith or in connection with the transactions contemplated hereby, contain nor will contain any untrue statement of a material fact nor will omit to state a material fact necessary to make the statements contained herein or therein not misleading.

## ARTICLE III
## CONVEYANCE OF FACILITY SITE; PROJECT WORK AND COMPLETION

Section 3.1 Agreement to Convey to Agency. The Company has conveyed or has caused to be conveyed to the Agency (i) a leasehold interest in the Land, including any buildings, structures or other improvements thereon, but excluding the Excluded Premises located thereon, and (ii) lien-free title to the Equipment, and will convey or cause to be conveyed to the Agency lien-free title to or a leasehold interest in the Equipment and Improvements acquired after the date hereof, in each case except for Permitted Encumbrances.

Section 3.2 Title Report and Survey. The Company has obtained and delivered to the Agency (i) a title report (in form and substance acceptable to the Agency) reflecting all matters of record with respect to the Land and existing Improvements, including municipal searches and (ii) a current or updated survey of each of the Land and the existing Improvements certified to the Agency.

Section 3.3 Public Authorities Law Representations. The parties hereto hereby acknowledge and agree that the Facility and the interest therein to be conveyed by this Lease Agreement are not "Property" as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Facility and the leasehold interests therein are securing the financial obligations of the Company. The Facility and the leasehold interests therein secure the obligations of the Company to the Agency under this Lease Agreement, including the Company's obligation to acquire and maintain the Facility and complete the Project Work on behalf of the Agency and the Company's obligation to indemnify and hold harmless the Agency.

Section 3.4 Project Work.

(a) The Company agrees that, on behalf of the Agency, it will complete the Project Work substantially in accordance with the Plans and Specifications and pay all costs and expenses therefor.

(b) The Company may revise the Plans and Specifications from time to time without the consent or approval of the Agency; provided that the Facility shall substantially retain its overall configuration and intended purposes and shall remain a "project" as defined in the Act.

(c) Except as set forth in Section 6.2 hereof, fee or leasehold title, as applicable, to all materials, equipment, machinery and other items of Property incorporated or installed in or placed in, upon, or under the Facility shall vest in the Agency immediately upon the Company's obtaining an interest in or to the materials, equipment, machinery and other items of Property. The Company shall execute, deliver and record or file all instruments reasonably necessary or appropriate so to vest such title in the Agency and shall take all action reasonably necessary or appropriate to protect such title against claims of any third Persons.

(d) The Agency shall enter into, and accept the assignment of, in form and substance reasonably acceptable to the Agency and containing such exculpatory provisions as the Agency may require, such contracts as the Company may request in order to effectuate the purposes of this Section 3.4.

(e) The Company, as agent for the Agency, shall comply with all provisions of the Labor Law, the Executive Law and the Civil Rights Law of the State applicable to the completion of the Project Work and shall include in all construction contracts all provisions that shall be required to be inserted therein by such provisions. The Company shall comply with the relevant policies of the Agency with respect to such laws, which are set forth as Exhibit G attached hereto. Except as provided in the preceding two sentences, the provisions of this subsection do not create any obligations or duties not created by applicable law outside of the terms of this Lease Agreement.

Section 3.5 Identification of Equipment. All Equipment which is or may become the Property of the Agency pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency, such approval not to be unreasonably withheld. The Agency may request, and the Company shall deliver to the Agency within twenty (20) days of such request, a schedule listing all such Equipment. All Property of whatever nature affixed or attached to the Land or used or to be used by the Company in connection with the Land or the Improvements shall be deemed presumptively to be owned by the Agency, rather than the Company, unless the same were installed by the Company and title thereto was retained by the Company as provided in Section 6.2 of this Lease Agreement and such Property was properly identified by such appropriate records as were approved by the Agency.

Section 3.6 Certificates of Completion. To establish the Completion Date, the Company shall deliver to the Agency within ten (10) days after the date of completion of the Facility (i) a certificate signed by an Authorized Representative of the Company in the form set forth in Exhibit J-1 attached hereto, together with all attachments required thereunder stating (a) that the Project Work has been completed substantially in accordance with the Plans and Specifications therefor, and (b) that payment for all labor, services, materials and supplies used in such Project Work has been made or provided for; (ii) the Final Project Cost Budget, which budget will include a comparison with the project cost budget information listed in the Project Application Information and shall include all costs paid or incurred by the Company in connection with the Facility, and (iii) such other certificates and information as may be reasonably satisfactory to the Agency. The Company agrees to pay to the Agency, within ten (10) days of written request, any additional fees owed to the Agency as a result of an increase in the final costs of the Project Work, as evidenced by the Final Project Cost Budget, and not accounted for in the Agency's fee collected on the Closing Date. The Company shall not be entitled to any refund or credit of the Agency's fee if the Final Project Cost Budget is lower than provided in the Project Application Information. The Company agrees that the Completion Date shall be no later than December 31, 2027.

Section 3.7 Remedies to Be Pursued Against Contractors, Subcontractors, Materialmen and Their Sureties. In the event of a default by any contractor, subcontractor, materialman or other Person under any contract made by it in connection with the Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company at its expense, either separately or in conjunction with others, may pursue any and all remedies available to it and the Agency, as appropriate, against the contractor, subcontractor, materialman or other Person so in default and against any surety for the performance of such contract. The Company, in its own name or in the name of the

Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman, surety or other Person which the Company deems reasonably necessary, and in such event the Agency, at the Company's sole cost and expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding, provided that the Agency, its members, officers, directors, employees and agents shall not thereby be subjected to risk of loss, liability or expense. The Net Proceeds of any recovery from a contractor or subcontractor or materialman or other person shall be paid to the Company.

Section 3.8 Publicity. The Company hereby authorizes the Agency, without further notice or consent, to use the Company's name and logo and photographs related to the Facility in its advertising, marketing and communications materials. Such materials may include web pages, print ads, direct mail and various types of brochures or marketing sheets, and various media formats other than those listed (including without limitation video or audio presentations through any media form). In these materials, the Agency also has the right to publicize its involvement in the Project.

## ARTICLE IV
## LEASE OF FACILITY RENTAL PROVISIONS

Section 4.1 Lease of Facility. The Agency hereby subleases and leases the Facility, consisting of the Land, the Improvements and the Equipment to the Company and the Company hereby takes the Facility from the Agency upon the terms and conditions of this Lease Agreement. The Company shall use and occupy the Facility, and shall permit the use and occupancy of the Facility, for affordable rental apartments as described herein and in the Project Application Information, and for no other purpose without the consent of the Agency.

Section 4.2 Duration of Lease Term; Quiet Enjoyment.

(a) The Agency shall deliver to the Company sole and exclusive possession of the Facility (subject to Sections 8.1 and 10.2 hereof), and the leasehold and subleasehold estate created hereby shall commence, and the Company shall accept possession of the Facility on the Closing Date.

(b) Except as provided in Sections 10.2 and 11.1 hereof, the estate created hereby shall terminate at 11:58 p.m. on November 30, 2057 (the "**Lease Term**").

(c) Except as provided in Sections 8.1 and 10.2 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company's sole cost and expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 4.3 Rents and Other Amounts Payable.

(a) The Company shall pay to the Agency on the Closing Date the balance of the Agency's administrative fee in the amount of $224,091 (equal to the administrative fee of

$221,539 plus the public hearing notice and transcript costs of $552 plus the insurance review costs of $2,000); the Company shall pay to the Agency upon request such additional administrative fees determined by the Agency on account of increased costs of the Project. The Company shall pay basic rent for the Facility as follows: One Dollar ($1.00) per year commencing on the Closing Date and on each and every January 1 thereafter during the term of this Lease Agreement. In addition, the Company shall pay to the Agency an annual compliance fee as established from time to time by the Agency, currently in the amount of $2,000, together with an annual compliance fee as established from time to time by the Agency, currently in the amount of $500, for each subtenant, occupant or user of the Facility (other than residential tenants), on or before January 1 of each year commencing January 1, 2027 and continuing through the Lease Term.

(b) In addition to the payments of basic rent pursuant to Section 4.3(a) hereof, throughout the Lease Term, the Company shall pay to the Agency as additional rent, within ten (10) days of receipt of written demand therefor, an amount equal to the sum of the expenses of the Agency and the members thereof, including reasonable attorneys' fees, incurred (i) by reason of the Agency's ownership, leasing, subleasing, or financing of the Facility, or (ii) in connection with the carrying out of the Agency's duties and obligations under the Agency Documents, the payment of which is not otherwise provided for under this Lease Agreement. The foregoing shall be in addition to any annual or continuing administrative or management fee imposed by the Agency now or hereafter.

(c) The Company, under the provisions of this Section 4.3, agrees to make the above-mentioned payments and all other payments due to the Agency, without set-off or deduction, in immediately available funds and without any further notice in lawful money of the United States of America. In the event the Company shall fail to timely make any payment required in Section 4.3(a) or 4.3(b), the Company shall pay the same together with interest on such payment at a rate equal to two percent (2%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made. The payment of the Company or receipt by the Agency of a lesser amount than the rent due shall be applied to such rent due as the Agency may determine; any endorsement or statement on any check or in any letter accompanying any check or payment as rent shall not be deemed an accord and satisfaction; and the Agency may accept such check or payment without prejudice to the Agency's right to recover the balance of such rent or pursue any other remedy provided in this Lease Agreement.

(d) All charges, payments, taxes and assessments, together with such other sums as are payable by the Company pursuant to the terms of this Lease Agreement, shall constitute additional rent, may be referred to as rent, shall be due and payable as rent under this Lease Agreement at the time and in the manner herein provided, and in the event of the nonpayment of same by the Company, the Agency shall have all the rights and remedies with respect thereto as the Agency has for the nonpayment of the rent herein.

Section 4.4 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 4.3 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein, shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense

or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, or (ii) fail to observe any of its other covenants or agreements in this Lease Agreement.

Section 4.5 No Warranty of Condition or Suitability by Agency. THE AGENCY HAS MADE AND MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF THE FACILITY, ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITY, OR THE SUITABILITY OF THE FACILITY FOR THE PURPOSES OR NEEDS OF THE COMPANY OR THE EXTENT TO WHICH FUNDS AVAILABLE TO THE COMPANY WILL BE SUFFICIENT TO PAY THE COST OF COMPLETION OF THE PROJECT WORK. THE COMPANY ACKNOWLEDGES THAT THE AGENCY IS NOT THE MANUFACTURER OF THE EQUIPMENT NOR THE MANUFACTURER'S AGENT NOR A DEALER THEREIN. THE COMPANY, ON BEHALF OF ITSELF, IS SATISFIED THAT THE FACILITY IS SUITABLE AND FIT FOR PURPOSES OF THE COMPANY. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO THE COMPANY OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF THE FACILITY OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

## PILOT PAYMENTS; SALES TAX EXEMPTION; MORTGAGE RECORDING TAX EXEMPTION AND RECAPTURE OF BENEFITS

Section 5.1 PILOT Payments.

(a) As long as this Lease Agreement is in effect, the Company agrees to make payments in lieu of all real estate taxes and assessments (the "**PILOT Payments**") (in addition to paying all special ad valorem levies, special assessments or Special District Taxes and service charges against real property located in the Village of Port Jefferson, Town of Brookhaven, Comsewogue Union Free School District, Suffolk County (including any existing incorporated village or any village which may be incorporated after the date hereof, within which the Facility is or may be wholly or partially located) (the "**Taxing Authorities**") which are or may be imposed for special improvements or special district improvements) which would be levied upon or with respect to the Facility if the Facility were owned by the Company exclusive of the Agency's leasehold interest (the "**Taxes on the Facility**"). The amounts for such PILOT Payments are set forth in Exhibit C attached hereto. PILOT Payments shall be allocated among the Taxing Authorities in proportion to the amount of real property tax and other taxes which would have been received by each Taxing Authority if the Facility was owned by the Company exclusive of the Agency's leasehold interest.

(b) After the effective date of this Lease Agreement and until the provisions of paragraph 5.1(c) become effective, the Company shall pay, as PILOT Payments, one hundred percent (100%) of the taxes and assessments that would be levied upon the Facility by the respective Taxing Authorities if the Facility were owned by the Company exclusive of the Agency's leasehold interest.

(c) Commencing with the 2027/2028 Tax Year, the Company shall pay, as PILOT Payments, the amounts set forth on Exhibit C attached hereto and made a part hereof.

(d) The Company shall pay, or cause to be paid, the amounts set forth in subsections (a), (b) and (c) above, as applicable, after receipt of tax bills from the Agency or the Taxing Authorities, as the case may be. Failure to receive a tax bill shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate tax bill, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Agency and the Taxing Authorities and to have such a bill issued, and thereafter to make payment of the same no later than the due dates provided therein. PILOT Payments shall be made directly to the Agency. PILOT Payments made after the due date(s) as set forth in the applicable tax bills shall accrue interest (and penalties) at the rates applicable to late payments of taxes for the respective Taxing Authorities and as further provided in the GML, including Section 874(5) thereof, which currently provides for an initial penalty of five percent (5%) of the amount due and an additional penalty of one percent (1%) per month on payments more than one (1) month delinquent. In addition, for any PILOT Payment made after the date due, the Company shall pay to the Agency a late fee in accordance with the policy of the Agency then in effect. Anything contained in this paragraph (d) to the contrary notwithstanding, the Company shall have the obligation to make all annual payments required by this paragraph (other than payments of penalties, if any) in two equal semi-annual installments on or prior to January 31 and May 31 of each year of the Lease Term or on such other due dates as may be established from time to time during the Lease Term.

(e) During the Lease Term, the Company shall continue to pay to the Taxing Authorities all special ad valorem levies, special assessments, special district taxes, and service charges levied (or would be levied except for the Agency's leasehold interest) against the Facility for special improvements or special district improvements.

(f) In the event that any structural addition shall be made to the building or buildings included in the Facility subsequent to the Completion Date, or any additional building or improvement shall be constructed on the Land (such structural additions, buildings and improvements being referred to hereinafter as "**Additional Facilities**"), the Company agrees to make additional PILOT Payments to the Agency, or to the extent directed by the Agency, to the Taxing Authorities in amounts equal to the product of the then current ad valorem tax rates which would be levied upon or with respect to the Additional Facilities by the Taxing Authorities if the Additional Facilities were owned by the Company exclusive of the Agency's leasehold interest times the assessment or assessments established for that tax year by the respective Taxing Authorities having appropriate assessing jurisdiction. All other provisions of this Section 5.1 shall apply to this obligation for additional PILOT Payments.

(g) In the event that the Agency's leasehold interest in the Facility or any part thereof terminates or expires at such time in reference to any taxable status date as to make it impossible to place such Facility or part thereof on the tax rolls of the Taxing Authorities, or appropriate special districts, as the case may be, by such taxable status date, the Company hereby agrees to pay, at the first time taxes or assessments are due following the taxable status date on which such Facility or part thereof is placed on the tax rolls, an amount equal to the taxes or assessments which would have been levied on such Facility or part thereof had it been on the tax rolls from the time of the termination of the Agency's leasehold interest until the date of the tax rolls following the taxable status date as of which such Facility or part thereof is placed on the tax rolls. There shall be deducted from such amount any amounts previously paid pursuant to this Section 5.1 by the Agency or the Company to the respective Taxing Authorities relating to any period of time after the date of termination of the Agency's interest. The provisions of this subsection (g) shall survive the termination or expiration of the Lease Agreement. Any rights the Company may have against its respective designees are separate and apart from the terms of this subsection (g), and this subsection (g) shall survive any transfer from the Agency to the Company.

(h) In the event the Facility or any part thereof is declared to be subject to taxation for taxes or assessments by an amendment to the Act or other legislative change or by a final judgment of a court of competent jurisdiction, the obligations of the Company under this Section 5.1 shall, to such extent, be null and void.

(i) In the event the Company shall enter into a subsequent payment-in-lieu-of-tax agreement or agreements with respect to the Taxes on the Facility directly with any or all Taxing Authorities in the jurisdiction of which the Facility is located, the obligations of the Company under this Section 5.1, which are inconsistent with such future agreement or agreements, shall be superseded and shall, to such extent, be null and void.

(j) As long as this Lease Agreement is in effect, the Agency and the Company agree that (i) the Company shall be deemed to be the owner of the Facility and of the Additional Facilities for purposes of instituting, and shall have the right to institute, administrative or judicial review of an assessment of the real estate with respect to the Facility and of the Additional Facilities pursuant to the provisions of Article 7 of the Real Property Tax Law or any other applicable law, as the same may be amended from time to time, and (ii) the Agency, at the request of the Company, shall request the Assessor of the Town of Brookhaven, or any other assessor having jurisdiction to assess the Facility, to take into consideration the value of surrounding properties of like character when assessing the Facility. Notwithstanding the foregoing, in the event that the assessment of the real estate with respect to the Facility and the Additional Facilities is reduced as a result of any such administrative or judicial review so that such complaining party would be entitled to receive a refund or refunds of taxes paid to the respective Taxing Authorities, if such complaining party were the owner of the Facility and the Additional Facilities exclusive of the Agency's leasehold interest therein, such complaining party shall not be entitled to receive a refund or refunds of the PILOT Payments paid pursuant to this Lease Agreement and the PILOT Payments set forth on Exhibit C hereto shall not be reduced. In no event shall the Agency be required to remit to the Company or any Taxing Authority any moneys otherwise due as a result of a reduction in the assessment of the Facility (or any part thereof) due to a certiorari review. If the Company receives a reduction in assessment in the last

year of the Lease Agreement after it has made its final PILOT Payment, the Company acknowledges that it shall look solely to the Taxing Authorities for repayment or for a credit against the first payment(s) of Taxes on the Facility which will be due after the Facility is returned to the tax rolls. The Company hereby agrees that it will notify the Agency if the Company shall have requested a reassessment of the Facility or a reduction in the taxes on the Facility or shall have instituted any tax certiorari proceedings with respect to the Facility. The Company shall deliver to the Agency copies of all notices, correspondence, claims, actions and/or proceedings brought by or against the Company in connection with any reassessment of the Facility, reduction of taxes with respect to the Facility or tax certiorari proceedings with respect to the Facility.

(k) The Company, in recognition of the benefits provided under the terms hereof, including, but not limited to, the PILOT Payments set forth in Exhibit C hereto, and for as long as the Lease Agreement is in effect, expressly waives any rights it may have for any exemption under Section 485-b of the Real Property Tax Law or any other exemption under any other law or regulation (except, however, for the exemption provided by Title 1 of Article 18-A of the GML) with respect to the Facility. The Company, however, reserves any such rights with respect to the Additional Facilities as referred to in subsection (f) hereof and with respect to the assessment and/or exemption of the Additional Facilities.

Section 5.2 No Sales Tax Exemption. The Agency has not provided the Company a sales tax exemption as part of this transaction.

Section 5.3 No Mortgage Recording Tax Exemption. The Agency did not grant a exemption from mortgage recording taxes to the Company.

Section 5.4 Recapture of Agency Benefits.

(a) It is understood and agreed by the parties hereto that the Agency is entering into this Lease Agreement in order to provide financial assistance to the Company for the Facility and to accomplish the Public Purposes of the Act. In consideration therefor, the Company hereby agrees as follows:

(i) If there shall occur a Recapture Event after the Closing Date, but on or before December 31, 2031, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, one hundred percent (100%) of the Recaptured Benefits (as defined below);

(ii) If there shall occur a Recapture Event on or after January 1, 2032 but on or before December 31, 2037, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, seventy-five percent (75%) of the Recaptured Benefits;

(iii) If there shall occur a Recapture Event on or after January 1, 2038 but on or before December 31, 2043, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, fifty percent (50%) of the Recaptured Benefits;

(iv) If there shall occur a Recapture Event on or after January 1, 2044 but on or before December 31, 2048, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, twenty-five percent (25%) of the Recaptured Benefits; and

(v) If there shall occur a Recapture Event on or after January 1, 2049, the Company shall not be obligated to pay to the Agency, or to the State of New York, any of the Recaptured Benefits; and

(b) The term "**Recaptured Benefits**" shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency's participation in the transaction contemplated by the Lease Agreement including, but not limited to, the amount equal to 100% of:

(i) Reserved; and

(ii) Reserved; and

(iii) real property tax abatements granted pursuant to Section 5.1 hereof (i.e., Taxes on the Facility less the PILOT Payments) (the "**Real Property Tax Abatements**");

which Recaptured Benefits from time to time shall upon the occurrence of a Recapture Event in accordance with the provisions of subsection (c) below and the declaration of a Recapture Event by notice from the Agency to the Company be payable directly to the Agency or the State of New York if so directed by the Agency within ten (10) days after such notice.

(c) The term "**Recapture Event**" shall mean any of the following events:

(i) The occurrence and continuation of an Event of Default under this Lease Agreement (other than as described in clause (iv) below or in subsections (d) or (e) below) which remains uncured beyond any applicable notice and/or grace period, if any, provided hereunder; or

(ii) The Facility shall cease to be a "project" within the meaning of the Act, as in effect on the Closing Date, through the act or omission of the Company; or

(iii) The sale of the Facility or closure of the Facility and/or departure of the Company from the Town of Brookhaven, except as due to casualty, condemnation or force majeure as provided in subsection (e) below or as provided in Section 9.3 hereof; or

(iv) Failure of the Company to create or cause to be maintained the number of FTE jobs at the Facility as provided in Section 8.11 of this Lease Agreement, which failure, in the sole judgment of the Agency, is not reflective of the business conditions of the Company or the subtenants of the Company, including without limitation loss of major sales, revenues, distribution or other adverse business developments and/or local, national or international economic conditions, trade issues or industry wide conditions; or

(v) Any significant and adverse deviations from the Project Application Information which, in the sole judgment of the Agency, would constitute a significant diminution of the Company's activities in, or commitment to, the Town of Brookhaven, Suffolk County, New York; or

(vi) Reserved;

(d) Provided, however, if a Recapture Event has occurred due solely to the failure of the Company to create or cause to be maintained the number of FTEs at the Facility as provided in Section 8.11 hereof in any Tax Year but the Company has created or caused to be maintained at least 90% of such required number of FTEs for such Tax Year, then in lieu of recovering the Recaptured Benefits provided above, the Agency may, in its sole discretion, adjust the PILOT Payments due hereunder on a pro rata basis so that the amounts payable will be adjusted upward retroactively for such Tax Year so that the PILOT savings will be reduced by the same percentage as the percentage of FTEs that are below the required FTE level for such Tax Year. Such adjustments to the PILOT Payments may be made each Tax Year until such time as the Company has complied with the required number of FTEs pursuant to Section 8.11 hereof.

(e) Furthermore, notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a result of (i) a "force majeure" event (as more particularly defined in Section 10.1(b) hereof), (ii) a taking or condemnation by governmental authority of all or part of the Facility, or (iii) the inability or failure of the Company after the Facility shall have been destroyed or damaged in whole or in part (such occurrence a "**Loss Event**") to rebuild, repair, restore or replace the Facility to substantially its condition prior to such Loss Event, which inability or failure shall have arisen in good faith on the part of the Company or any of its affiliates so long as the Company or any of its affiliates have diligently and in good faith using commercially reasonable efforts pursued the rebuilding, repair, restoration or replacement of the Facility or part thereof. If, following a Loss Event, the Company elects to rebuild, repair, restore, or replace the Facility, a Recapture Event shall not be deemed to have occurred during the process of rebuilding, repairing, restoring, or replacing the Facility, so long as the Company completes such rebuilding, repairing, restoring, or replacing in compliance with the requirements set forth in this Lease Agreement.

(f) The Company covenants and agrees to furnish, and to cause any non-residential sublessee of the Facility to furnish, the Agency with written notification within thirty (30) days of actual notice of any facts or circumstances which would likely lead to a Recapture Event or constitute a Recapture Event hereunder. The Agency shall notify the Company of the occurrence of a Recapture Event hereunder, which notification shall set forth the terms of such Recapture Event.

(g) In the event any payment owing by the Company under this Section shall not be paid on demand by the Agency, such payment shall bear interest from the date of such demand at a rate equal to one percent (1%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, until the Company shall have made such payment in full, together with such accrued interest to the date of payment, to the Agency (except as otherwise specified above).

(h) The Company shall pay to the Agency all reasonable out of pocket expenses of the Agency, including without limitation, reasonable legal fees, incurred with the recovery of all amounts due under this Section 5.4.

The Company may not make any changes to the footprint of the Facility, and any additions expanding the square footage of the Facility (including the addition of any stories whether above or below ground) or make any additions, modifications or improvements to the Facility which will materially and/or adversely affect the structural integrity or value of the Facility without the prior written consent of the Agency which consent shall not be unreasonably withheld or delayed. All such additions, modifications or improvements made by the Company after the date hereof shall become a part of the Facility and the Property of the Agency. The Company agrees to deliver to the Agency all documents which may be reasonably necessary or appropriate to convey to the Agency title to or an interest in such Property.

Section 6.2 Installation of Additional Equipment. Subject to the provisions of Section 3.5 hereof, the Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility, so long as such additional property is properly identified by such appropriate records, including computerized records, as approved by the Agency. The Company from time to time may create or permit to be created any Lien on such machinery, equipment or other personal property. Further, the Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur: (i) if any Event of Default has occurred or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage to the Facility is occasioned by such removal, the Company agrees promptly to repair or cause to be repaired such damage at its own expense.

Section 6.3 Taxes, Assessments and Utility Charges.

(a) Subject to the Real Property Tax Abatements as provided hereunder, the Company agrees to pay, as the same become due and before any fine, penalty, interest (except interest which is payable in connection with legally permissible installment payments) or other cost which may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (i) all taxes, PILOT Payments and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Facility or any part or component thereof, or the rental or sale of the Facility or any part thereof, and any taxes levied upon or with respect to the income or revenues of the Agency from the Facility; (ii) all utility and other charges, including service charges, incurred or imposed for or with respect to the operation, maintenance, use, occupancy, upkeep and improvement of the Facility; and (iii) all assessments and charges of any kind whatsoever lawfully made by any governmental body for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated under this Lease Agreement to pay only such installments as are required to be paid during the Lease Term.

(b) The Company may in good faith contest any such taxes, assessments and other charges (other than PILOT Payments). In the event of any such proceedings, the Company may permit the taxes, assessments or other charges (but in no event the PILOT Payments)so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or reasonably requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned and received by the Agency, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts; which such obligation shall survive the expiration or termination of this Lease Agreement.

At least thirty (30) days prior to the expiration or termination of each such policy or policies, the Company shall furnish to the Agency and any other appropriate Person a new policy or policies of insurance or evidence that such policy or policies have been renewed or replaced or are no longer required by this Lease Agreement. The Company shall provide such further information with respect to the insurance coverage required by this Lease Agreement as the Agency may from time to time reasonably require.

(c) The minimum insurance requirements set forth under Section 6.4 and this Section 6.5 shall not limit, abridge, or modify the Company's obligation under Section 8.2 hereof to indemnify and hold the Agency harmless from and against certain damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses, as more fully set forth in Section 8.2.

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the Facility;

(ii) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement, including, without limitation, the PILOT Payments (whether or not the Facility is replaced, repaired, rebuilt, restored or relocated);

(iii) the Company shall promptly give written notice thereof to the Agency;

(iv) upon the occurrence of such damage or destruction, the Net Proceeds derived from the insurance shall be (A) paid to the Company or the Lender, as applicable, for the replacement, repair, rebuilding, restoration or relocation of the Facility as provided in Section 7.1(b) hereof or (B) applied pursuant to Section 7.1(e) hereof; and

(b) Any replacements, repairs, rebuilding, restorations or relocations of the Facility by the Company after the occurrence of such damage or destruction shall be subject to the following conditions:

(i) the Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the Facility shall continue to constitute a "project" as such term is defined in the Act;

(iv) any other conditions the Agency may reasonably impose.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts (provided that the Company shall be entitled to contest payments that it in good faith disputes) and shall automatically become a part of the Facility as if the same were specifically provided herein.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such repair, replacement, rebuilding, restoration or relocation, the Company shall nonetheless complete the work, or cause the work to be completed pursuant to the terms of this Lease Agreement, and pay from its own moneys, or cause to be paid by such other party as may be obligated for payment that portion of the costs thereof in excess of such Net Proceeds. All such repairs, replacements, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the Company's own money or moneys of any other person, shall automatically become a part of the Facility as if the same were specifically described herein.

(e) If the Company shall not repair, replace, rebuild, restore or relocate the Facility, it shall be deemed to have exercised its option to terminate this Lease Agreement pursuant to Section 11.1 hereof. Subject to the provisions of any Mortgage, any Net Proceeds derived from insurance shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof and the balance shall be delivered to the Company. If an Event of Default hereunder shall have occurred and be continuing and the Agency shall have exercised its remedies under Section 10.2 hereof, such Net Proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof.

(iii) the Company shall promptly give written notice thereof to the Agency;

(iv) upon the occurrence of such Condemnation, the Net Proceeds derived therefrom shall be (A) paid to the Company or the Lender, as applicable, for the replacement, repair, rebuilding, restoration or relocation of the Facility or acquisition of Substitute Facilities as provided in Section 7.2(b) hereof or (B) applied pursuant to Section 7.2(e) hereof; and

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts and shall automatically become a part of the Facility as if the same were specifically described herein. Any Net Proceeds of a Condemnation not used to repair, replace, rebuild, restore, or relocate the Facility shall belong to the Company.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such repair, replacement, rebuilding, restoration, relocation or acquisition of Substitute Facilities, the Company shall nonetheless complete, or cause to be completed, the work or the acquisition pursuant to the terms of this Lease Agreement and pay from its own moneys, or cause to be paid by such other party as may be obligated for payment, that portion of the costs thereof in excess

of such Net Proceeds. All such repairs, replacements, rebuilding, restoration, relocations and such acquisition of Substitute Facilities made pursuant to this Section, whether or not requiring the expenditure of the Company's own money or moneys of any other person, shall automatically become a part of the Facility as if the same were specifically described herein.

(e) If the Company shall not repair, replace, rebuild or restore the Facility or acquire Substitute Facilities, it shall be deemed to have exercised its option to terminate this Lease Agreement pursuant to Section 11.1 hereof. Subject to the provisions of any Mortgage, any Net Proceeds derived from the Condemnation shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof. If any Event of Default hereunder shall have occurred and be continuing and the Agency shall have exercised its remedies under Section 10.2 hereof, such Net Proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof and any balance remaining thereafter shall belong to the Company.

Section 7.3 Condemnation of Company-Owned Property. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of any of the Indemnified Parties, and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of any such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

## ARTICLE IX
## RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING

Section 9.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article IX and in Article X hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof, or any of its rights under this Lease Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Lease Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver any and all instruments necessary or appropriate so to release such part of, or interest in, the Land. As a condition to such release, the Agency shall be provided with a copy of the instrument transferring such title or interest in such Land, an instrument survey of the Land to be conveyed, together with a certificate of an Authorized Representative of the Company stating that there is then no Event of Default under this Lease Agreement and that such part of, or interest in, the Land is not necessary, desirable or useful for the Facility.

(c) No conveyance of any part of, or interest in, the Land effected under the provisions of this Section 9.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Lease Agreement or any abatement or diminution of the PILOT Payments.

Section 9.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company, may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) Upon the request of the Company, the Agency shall execute and deliver to the Company all instruments, in form and substance reasonably satisfactory to the Agency, necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any costs (including reasonable attorneys' fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 9.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the PILOT Payments or any other amounts payable by it under this Lease Agreement.

Section 9.3 Assignment and Subleasing.

(a) Excluding residential leases to individuals that comply with Section 8.14 hereof which shall not be subject to the Agency's prior written consent, this Lease Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part (including successive generation subleases) or used or occupied, without the prior written consent of the Agency, in each instance, which consent shall not be unreasonably withheld or delayed, but shall be subject to the dates of the Agency's board meetings, and which consent may be fully and effectively given by the execution and delivery of a Tenant Agency Compliance Agreement by an Authorized Representative of the Agency in substantially the form attached hereto as Exhibit I. Any assignment or sublease shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder unless the Agency consents thereto, which consent shall not be unreasonably withheld or delayed subject to the dates of the Agency's board meetings and which consent shall be conditioned upon the Agency being indemnified and held harmless to its reasonable satisfaction;

(ii) the assignee or sublessee (except in the case of a true sublessee in the ordinary course of business) shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) except with respect to residential subleases, the Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or sublease and the instrument of assumption;

(iv) neither the validity nor the enforceability of the Lease Agreement shall be adversely affected thereby;

(v) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act, and, without limiting the generality of the foregoing, no assignment or sublease shall cause the Facility to be used in violation of Section 862(2)(a) of the Act; and

(vi) any non-residential sublessee will execute and deliver a Tenant Agency Compliance Agreement, satisfactory to the Agency in substantially the form attached hereto as Exhibit I;

(b) Except with respect to residential subleases, if the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 9.3, the Company at its sole cost and expense shall furnish the Agency with opinions, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to items (i), (ii), and (iv) above.

(c) In accordance with Section 862(1) of the Act, no assignment or sublease shall cause the Facility to be occupied by an assignee or sublessee whose occupancy would result in the removal of a facility or plant of the proposed assignee or sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such assignee or sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

(i) that such occupation of the Facility is reasonably necessary to discourage the proposed assignee or sublessee from removing such other plant or facility to a location outside the State, or

(ii) that such occupation of the Facility is reasonably necessary to preserve the competitive position of the proposed assignee or sublessee in its respective industry.

Section 9.4 Merger of Agency.

(a) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or the transfer of the Agency's interest in the entire Facility to, any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility and to continue the tax benefits contemplated by the Transaction Documents, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall, upon request, furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 9.4(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

(v) any representation or warranty of the Company herein, in any of the Company Documents or in the Project Application Information shall prove to have been false or misleading in any material respect;

(vi) the failure by the Company to observe and perform any covenant, condition or agreement hereunder on its part to be observed or performed (except obligations referred to in 10.1(a)(i), (ii), (iii) and (vii)) for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, has been given to the Company by the Agency, provided, however, that in the event such covenant, condition or agreement is not capable of being observed or performed within thirty (30) days after written notice and the Company is diligently attempting to observe or perform such covenant, condition or agreement, then the Company shall be provided an additional period of time to observe such covenant, condition or agreement not to exceed ninety (90) days from the initial notice of default from the Agency;

(vii) the dissolution or liquidation of the Company; or the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; or the commencement by the Company (as the debtor) of a case in bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor), wherein a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor, or such case or proceeding is consented to by the Company or remains un-dismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such

(viii) an Event of Default under the Mortgage, if any, shall have occurred and be continuing beyond any applicable cure period therein;

(ix) a default under the Regulatory Agreement shall have occurred which remains uncured beyond any applicable notice and/or grace period, if any, provided thereunder; or

(x) a default by any non-residential tenant, if any, under its respective Tenant Agency Compliance Agreement beyond any applicable cure period therein, shall have occurred and be continuing.

(b) Notwithstanding the provisions of Section 10.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 3.4, 6.1 and 8.11 of this Lease Agreement, and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this Lease Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuation of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions or officials or any civil or military authority, insurrections, riots, epidemics, pandemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

Section 10.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred and be continuing beyond any applicable cure period, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 4.3(a) and (b) hereof, (B) all unpaid and past due PILOT Payments, (C) all due and owing Recaptured Benefits, and (D) all other payments due under this Lease Agreement; provided, however, that if an Event of Default specified in

Section 10.1(a)(vii) hereof shall have occurred and be continuing, such installments of rent and other payments due under this Lease Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) terminate this Lease Agreement and the Company Lease, reconvey the Equipment to the Company and terminate the Sales Tax Exemption authorization. The Agency shall have the right to execute appropriate lease termination documents with respect to the Facility and to place the same on record in the Suffolk County Clerk's office, at the sole cost and expense of the Company and in such event the Company waives delivery and acceptance of such lease termination documents and the Company hereby appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest), with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording of such lease termination documents; or

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, and to enforce the obligations, agreements and covenants of the Company under this Lease Agreement.

(b) No action taken pursuant to this Section 10.2 (including termination of the Lease Agreement) shall relieve the Company from its obligation to make all payments required by Section 4.3 hereof or due and owing PILOT Payments or Recaptured Benefits.

Section 10.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right and power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Lease Agreement.

Section 10.4 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, within ten (10) days after the Agency's written demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred.

Section 10.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

## ARTICLE XI
## EARLY TERMINATION OF LEASE AGREEMENT
## OPTION IN FAVOR OF COMPANY

Section 11.1 Early Termination of Lease Agreement. The Company shall have the option to terminate this Lease Agreement and the Company Lease at any time upon filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section and stating the date upon which such payments required by Section 11.2 hereof shall be made (which date shall not be less than forty five (45) nor more than 90 days from the date such certificate is filed) and upon compliance with the requirements set forth in Section 11.2 hereof.

Section 11.2 Conditions to Termination of Lease Agreement. In the event of the termination or expiration of this Lease Agreement in accordance with the provisions of Sections 4.2, 10.2 or 11.1 hereof, the Company shall make or cause to be made the following payments:

(a) To the Agency or the Taxing Authorities, as appropriate pursuant to Section 5.1 hereof: all PILOT Payments due and payable hereunder as of the date of the termination or expiration of this Lease Agreement;

(b) To the Agency: the purchase price with respect to the Equipment of one dollar ($1.00);

Section 11.3 Conveyance on Termination. At the closing of any expiration or termination of the Lease Agreement, the Agency shall, upon receipt of the amounts payable pursuant to Section 11.2 hereof, deliver to the Company all necessary documents, in form and substance reasonably satisfactory to the Agency (i) to terminate this Lease Agreement and the Company Lease and to convey the Equipment to the Company, subject in each case only to the following: (A) any Liens to which leasehold estate or title to such Property was subject when conveyed to the Agency, (B) any Liens created at the request of the Company, to the creation of which the Company consented or in the creation of which the Company acquiesced, (C) any Permitted Encumbrances, and (D) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease Agreement or arising out of an Event of Default hereunder; and (ii) to release and convey to the Company all of the Agency's rights and interest in and to any rights of action or any Net Proceeds of insurance or Condemnation awards with respect to the Facility (but not including any Unassigned Rights). At the closing of any expiration or termination of the Lease Agreement, and unless otherwise waived by the Agency, as a condition to such termination or expiration, the Company shall

request each Lender to release the Agency from any Mortgage and any other Loan Documents to which it is a party in writing and cause such releases to be recorded as applicable.

## ARTICLE XII
## LENDER PROVISIONS

Section 12.1 Subordination of Lease Agreement. This Lease Agreement and any and all modifications, amendments, renewals and extensions thereof is subject and subordinate to any Mortgage which may be granted by the Agency and the Company on the Facility or any portion thereof and to any and all modifications, amendments, consolidations, extensions, renewals, replacements and increases thereof.

Section 12.2 Mortgage and Pledge of Agency's Interests to Lender. The Agency shall at the request of, and at the sole cost and expense of, the Company (i) mortgage its interest in the Facility, and (ii) pledge and assign its rights to and interest in this Lease Agreement (other than Unassigned Rights) to the Lender as security for the payment of the principal of and interest on the Loan, in each case in accordance with the provisions attached hereto as Exhibit D. The Company hereby acknowledges and consents to such mortgage, pledge and assignment by the Agency. Notwithstanding the foregoing, all indemnities herein contained shall, subsequent to such mortgage, pledge and assignment, continue to run to the Agency for its benefit.

Section 12.3 Pledge of Company's Interest to Lender. The Company shall have the right to pledge and assign its rights to and interest in this Lease Agreement and the Plans and Specifications to any Lender as security for the payment of the principal of and interest on the Loan (as hereinafter defined). The Agency hereby acknowledges and consents to any such pledge and assignment by the Company.

Section 12.4 Making of Loans; Disbursement of Loan Proceeds. The Agency acknowledges that the Company may request one or more Lenders to make one or more loans to finance and refinance the costs of the acquisition of the Facility and/or the Project Work or to reimburse the Company for the cost of acquiring the Facility and/or the Project Work (the "**Loan**"). Proceeds of such Loan shall be disbursed by such Lender in accordance with the provisions of the Mortgage or other related documentation applicable to such Loan.

Provided that the Agency shall have received the notice of the name and address of a Lender, the Agency agrees that simultaneously with its giving of any notice under this Lease Agreement (each a "**Notice**") it will send a copy of such Notice to each Lender. Each Notice shall be sent to each Lender in the manner provided herein at the address provided to the Agency by each Lender for such purpose. Each such Lender may change such address from time to time by written notice to the Agency in accordance herewith. The Agency shall reasonably cooperate with the Company in connection with the granting or modification by the Company of any Mortgage. Such cooperation shall include, without limitation, the execution and delivery of such documents and instruments in connection with a Mortgage as the Company or the Lender may reasonably request (the "**Loan Documents**"), provided that such documents and instruments shall contain the language set forth in Exhibit D attached hereto and made a part hereof. The Company shall perform or cause to be performed for and on behalf of the Agency, and at the

Company's sole cost and expense, each and every obligation of the Agency under and pursuant to such instruments.

Section 12.5 References to Lender, Loan or Mortgage. All references herein to Lender, Loan or Mortgage or other similar words, whether in the singular or the plural, may be in anticipation of future Loans to be made by future Lenders. Such references shall only be effective if such Loans have been made and are still outstanding. If such Loans are never made or have been repaid, such references shall not be of any force or effect.

Section 12.6 Lender's and Investor's Right to Cure. Upon the occurrence of an Event of Default (as defined in Section 10.1 of this Lease Agreement), Lender and the tax credit investor of the Company shall have the right, to the same extent and during the same time periods afforded to the Company pursuant to this Lease, to cure such Event of Default.

(a) Neither the Facility nor, any property adjacent to or within the immediate vicinity of the Facility is being or has been used in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, production or disposal of any Hazardous Substance or as a landfill or other waste management or disposal site or for military, manufacturing or industrial purposes or for the storage of petroleum or petroleum based products.

(e) All Environmental Permits necessary for the Project Work and the ownership, use or operation of the Facility have been obtained and are in full force and effect.

(f) No event has occurred with respect to the Facility which, with the passage of time or the giving of notice, or both, would constitute a violation of or non-compliance with any applicable Environmental Law or Environmental Permit.

(g) There are no agreements, consent orders, decrees, judgments, license or permit conditions or other orders or directives of any federal, state or local court, governmental agency or authority relating to the past, present or future construction, renovation, equipping, ownership, use, operation, sale, transfer or conveyance of the Facility which require any change in the present condition of the Facility or any work, repairs, construction, containment, clean up, investigations, studies, removal or remedial action or capital expenditures in order for the Facility to be in compliance with any applicable Environmental Law or Environmental Permit.

(h) There are no actions, suits, claims or proceedings, pending or threatened, which could cause the incurrence of expenses or costs of any name or description or which seek money damages, injunctive relief, remedial action or remedy that arise out of, relate to or result from (i) conditions of the Environment at, on or in the vicinity of the Facility, (ii) a violation or alleged violation of any applicable Environmental Law or non-compliance or alleged non-compliance with any Environmental Permit with respect to the Facility, (iii) the presence of any Hazardous Substance or a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility or (iv) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility, the Project Work or the ownership, use, operation, sale, transfer or conveyance of the Facility.

Section 13.2 Environmental Covenants of the Company. The Company hereby covenants and agrees with the Agency as follows:

(a) The Company shall perform the Project Work and use, operate and manage the Facility in accordance with all applicable Environmental Laws and Environmental Permits, and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to perform the Project Work and to use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or Disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits.

(b) The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits, if any.

(c) The Company shall not cause or permit any change to be made in the present or intended Project Work or use or operation of the Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the Project Work or use or operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or

(d) The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to conditions of the Environment at or in the vicinity of the Facility, any past or present Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility. If the Company receives or becomes aware of any such notification which is not in writing or otherwise capable of being copied, the Company shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. Furthermore, upon the Company's discovery thereof, the Company shall promptly advise the Agency in writing of: (i) the presence of any Hazardous Substance on, under or about the Facility of which the Agency has not previously been advised in writing; (ii) any remedial action taken by, or on behalf of, the Company in response to any Hazardous Substance on, under or about the Facility or to any environmental proceedings of which the Company has not previously been advised in writing; and (iii) the occurrence or condition on any real property adjoining or in the vicinity of the Facility that could reasonably be expected to cause the Facility or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Facility under any Environmental Law. The Company shall also provide the Agency with copies of all reports, analyses, notices, licenses, approvals, orders, correspondences or other written materials in its possession or control relating to the condition of the Environment at the Facility or real property or bodies of water adjoining or in the vicinity of the Facility or environmental proceedings promptly upon receipt, completion or delivery of such materials.

(e) The Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. All remedial work shall be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the remedial work approved by any public or private agencies or persons with a legal or contractual right to such approval, (iii) with such insurance coverage pertaining to liabilities arising out of the remedial work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. In addition, the Company shall submit, or cause to be submitted, to the Agency, promptly upon receipt or preparation, copies of any and all reports, studies, analyses, correspondence, governmental comments or approvals, proposed removal or other remedial work contracts and similar information prepared or received by or on behalf of the Company in connection with any remedial work, or Hazardous Substances relating to the Facility. All costs and expenses of such remedial work shall be paid by or on behalf of the Company, including, without limitation, the charges of the remedial work contractors and the consulting environmental engineer, any taxes or penalties assessed in connection with the remedial work and the Agency's out-of-pocket costs incurred in connection with monitoring or review of such remedial work. The Agency shall have the right but not the obligation to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any environmental proceedings.

(f) If at any time the Agency obtains any notice or information that the Company or the Facility, or the use or operation thereof or the Project Work may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Facility, a records search, a visual inspection of any property adjacent to or within the immediate vicinity of the Facility, personnel interviews, review of all Environmental Permits and the conducting of scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility in violation of any applicable law, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, clean-up and other remedial actions required by any Environmental Law, in accordance with Section 13.2(e) above. The Company hereby consents to the Agency notifying any party under such circumstances of the availability of any or all of the environmental reports and the information contained therein. ## Mortgage Requirements

Any Mortgage or related document which shall be entered into by the Agency and the Company shall contain the following required provisions:

Non-Recourse and Hold Harmless Provisions to be included in the Lender's Mortgage

Section ___. No Recourse Against Agency. The general credit of the Agency is not obligated or available for the payment of this Mortgage. The Mortgagee will not look to the Agency or any principal, member, director, officer or employee of the Agency with respect to the indebtedness evidenced by this Mortgage or any covenant, stipulation, promise, agreement or obligation contained herein. In enforcing its rights and remedies under this Mortgage, the Mortgagee will look solely to the mortgaged premises and/or the Company for the payment of the indebtedness secured by this Mortgage and for the performance of the provisions hereof. The Mortgagee will not seek a deficiency or other money judgment against the Agency or any principal, member, director, officer or employee of the Agency and will not institute any separate action against the Agency by reason of any default that may occur in the performance of any of the terms and conditions of this Mortgage or the Loan Documentation. This agreement on the part of the Mortgagee shall not be construed in any way so as to effect or impair the lien of this Mortgage or the Mortgagee's right to foreclose hereunder as provided by law or construed in any way so as to limit or restrict any of the rights or remedies of the Mortgagee in any foreclosure proceedings or other enforcement of payment of the indebtedness secured hereby out of and from the security given therefor. All covenants, stipulations, promises, agreements and obligations are the Agency's and not of any member, director, officer, employee or agent (except the Company) of the Agency in his or her individual capacity, and no recourse shall be had for the payment of the principal of any debt or interest thereon or for any claim based thereon or hereunder against any member, director, officer, employee or agent (except the Company) of the Agency or any natural person executing this Mortgage on behalf of the Agency. No covenant contained herein shall be deemed to constitute a debt of the State of New York or the Town of Brookhaven, Suffolk County and neither the State of New York nor the Town of Brookhaven, Suffolk County shall be liable on any covenant contained herein, nor shall any obligations hereunder be payable out of any funds of the Agency.

Section ___. Hold Harmless Provisions. The Company agrees that the Agency, its directors, members, officers, agents (except the Company) and employees shall not be liable for and agrees to defend, indemnify, release and hold the Agency, its director, members, officers, agents (except the Company) and employees harmless from and against any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the use thereof or under this Mortgage, or (ii) liability arising from or expense incurred by the Project Work or the Agency's acquiring, owning and leasing of the Facility, including without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its covenants contained herein and all causes of action and reasonable attorneys' fees (whether by reason of third party claims or by reason of the enforcement of any provision of the Mortgage (including, without limitation, this Section)) and

any other expenses incurred in defending any claims, suits or actions which may arise as a result of the foregoing, provided that any such losses, damages, liabilities or expenses of the Agency are not incurred or do not result from the gross negligence or intentional or willful wrongdoing of the Agency or any of its directors, members, officers, agents (except the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its members, directors, officers, agents, or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this Mortgage, the obligations of the Company pursuant to this Section ___ shall remain in full force and effect after the termination of this Mortgage until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all reasonable expenses and charges incurred by the Agency, or its respective members, directors, officers, agents (except the Company) and employees, relating to the enforcement of the provisions herein specified.

Section ___. Recordation of Mortgage. The Agency covenants that it will record or cause this Mortgage to be duly recorded in all offices where recordation thereof is necessary.

Compliance with Labor Law, Executive Law and Civil Rights Law

The purpose of the Town of Brookhaven Industrial Development Agency (the "**Agency**") is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in Suffolk County.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in straight-lease transactions with the Agency.

Now therefor, the parties to the attached Lease Agreement (the "**Agreement**") further agree to be bound by the following, which are hereby made a part of the Agreement.

I. The Company agrees that:

(a) no laborer, workman or mechanic, in the employ of the Company or any contractor, subcontractor or other person doing or contracting to construct and equip the Facility shall be permitted or required to work more than eight hours in any one calendar day or more than five days in any one week, except in compliance with the Labor Law; and

(b) to the extent applicable and required by law, the Company shall comply with the provisions of the Labor Law of the State of New York (the "**Labor Law**"), including Section 220 thereof. While such Labor Law does not presently require or obligate the Company to pay the prevailing rate of wages as such term is defined in Section 220-d thereof, the Company acknowledges that it has been advised that it is the policy of the Agency to encourage the Company to voluntarily comply with such provisions.

II. To the extent required by law, the Company agrees that each contract or subcontract for the construction and equipping of the Facility shall provide:

(a) in the hiring of employees for the performance of work in acquiring, demolishing, constructing and equipping the Facility, or for the manufacture, sale or distribution of materials, equipment or supplies in connection with the acquisition, construction and equipping of the Facility, neither the Company nor any contractor, subcontractor nor any person acting on behalf of the Company shall by reason of race, creed, color, disability, sex, or national origin, marital status or Vietnam veteran era status discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates;

At least thirty (30) days prior to the expiration or termination of each such policy or policies, the Tenant shall furnish to the Agency and any other appropriate Person a new policy or policies of insurance or evidence that such policy or policies have been renewed or replaced or are no longer required by this Lease Agreement. The Tenant shall provide such further information with respect to the insurance coverage required by this Lease Agreement as the Agency may from time to time reasonably require.

(c) The minimum insurance requirements set forth under Section 2.1 and this Section 2.2 shall not limit, abridge, or modify the Tenant's obligation under Section 3.2 hereof to indemnify and hold the Agency harmless from and against certain damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses, as more fully set forth in Section 3.2.

Section 2.3 Application of Net Proceeds of Insurance. The Net Proceeds of the insurance carried pursuant to the provisions of Section 2.1(c) and (d) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid. The Net Proceeds of the insurance carried pursuant to the provisions of Section 2.1(a) hereof shall be applied in accordance with the provisions of the Tenant Lease Agreement.

Without limiting the generality of the foregoing, the Tenant will in no event use the Demised Premises in such a way as to cause or permit the Facility to be used in violation of Section 862(2)(a) of the Act.

(b) The occupation of the Demised Premises has not and will not result in the removal of a facility or plant of the Tenant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Tenant located within the State.

Section 3.5 Tenant to Maintain Its Existence. The Tenant agrees that during the Lease Term it will maintain its existence, will not dissolve, liquidate or otherwise dispose of substantially all of its assets, and will not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it.

The Tenant shall comply with, and ensure compliance by all of its contractors, subcontractors and subtenants with, all applicable federal, state and local environmental laws, ordinances, rules and regulations, whenever and by whomever triggered, and shall obtain and comply with, and ensure that all of its contractors, subcontractors and subtenants obtain and comply with, any and all approvals, registrations or permits required thereunder. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Tenant may have to the Agency at common law and shall survive the transactions contemplated herein.

(c) Notwithstanding the provisions of subsections (a) and (b) above, the Tenant may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Tenant may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Tenant that, by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Tenant shall promptly take such action with respect thereto or provide such security as shall be reasonably satisfactory to the Agency. If at any time the then existing use or occupancy of the Demised Premises shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Tenant shall use reasonable efforts not to cause or permit such use or occupancy by the Tenant to be discontinued without the prior written consent of the Agency, which consent shall not be unreasonably withheld.

(d) Notwithstanding the provisions of this Section, if, because of a breach or violation of the provisions of subsection (a) or (b) above (without giving effect to subsection (c)), the Agency or any of its members, directors, officers, agents or employees shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Tenant shall immediately provide legal protection or pay an amount or post a bond in an amount necessary, in the opinion of the Agency and of its members, directors, officers, agents and employees, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(e) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, reasonable attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses, shall be paid by the Tenant.

The Tenant also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.[2]

Section 3.9 Subleasing.

(a) In accordance with Section 862(1) of the Act, the Demised Premises shall not be occupied by a sublessee whose tenancy would result in the removal of a facility or plant of the proposed sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

(i) that such occupation of the Demised Premises is reasonably necessary to discourage the proposed sublessee from removing such other plant or facility to a location outside the State, or
