Section 2.2 Representations and Covenants of Company. The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company, organized and existing under the laws of the State of Delaware and authorized to transact business in the State of New York, is in good standing under the laws of the State of New York and the State of Delaware, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. (b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby or the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of any law or ordinance of the State or any political subdivision thereof, the Company's Organizational Documents, as amended, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, Organizational Documents, as amended, restriction, agreement or instrument, except for Permitted Encumbrances.

(c) The Phase 2B Facility, the Project Work and the design, and operation of the Phase 2B Facility will conform with all applicable zoning, planning, building and Environmental Laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Phase 2B Facility. Under penalty of perjury, the Company certifies that it is in substantial compliance with all local, state, and federal tax, worker protection and environmental laws, rules and regulations.

(d) Each of the Company Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms.

(e) The Phase 2B Facility is and will continue to be a "project" as such quoted term is defined in the Act. The Company will not take any action, or fail to take any action, which action or failure to act would cause the Phase 2B Facility not to constitute a "project" as such quoted term is defined in the Act.

(f) The transactions contemplated by this Lease Agreement shall not result in the removal of any facility or plant of any Phase 2B Facility occupant(s) from one area of the State to another area of the State or in the abandonment of one or more facilities or plants of the Phase 2B Facility occupant(s) located within the State.

(g) The Company agrees to take any actions reasonably deemed necessary by the Agency, or its Chairman, Vice Chairman, Chief Executive Officer, or any member or officer of the Agency, counsel to the Agency or Transaction Counsel, in order to ensure compliance with Sections 2.2(e) and (f) and 9.3 of this Lease Agreement provided that the Company receives duly acknowledged written confirmation from the Agency setting forth the reason(s) for said action(s). (i) The Company hereby represents to the Agency that facilities and property that are primarily used in making retail sales of goods and services to customers who personally visit the Phase 2B Facility will not constitute more than one-third (1/3) of the total costs of the Phase 2B Facility, except in accordance with New York General Municipal Law (the "GML") Section 862.

(j) There is no action or proceeding pending or, to the best of the Company's knowledge, after diligent inquiry, threatened, by or against the Company by or before any court or administrative agency that would adversely affect the ability of the Company to perform its obligations under this Lease Agreement or any other Company Document.

(k) The Company has obtained all authorizations, consents and approvals of governmental bodies or agencies required to be obtained by it as of the Closing Date in connection with the execution and delivery of this Lease Agreement and each other Company Document or in connection with the performance of its obligations hereunder and under each Company Document.

(l) The Project Application Information was true, correct and complete as of the date submitted to the Agency, and no event has occurred or failed to occur since such date of submission which could cause any of the Project Application Information to include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make such statements not misleading.

(m) The Company shall not use or permit any use of the Phase 2B Facility for any purpose or in any manner other than as approved by the Agency pursuant to the Authorizing Resolution and described herein, unless otherwise consented to by the Agency.

(n) No representation or warranty by or on behalf of the Company herein nor any statement, certificate or application furnished or to be furnished by or on behalf of the Company to the Agency in connection herewith or in connection with the transactions contemplated hereby, contain nor will contain any untrue statement or a material fact nor will omit to state a material fact necessary to make the statements contained herein or therein not misleading.

### ARTICLE III

#### CONVEYANCE OF PHASE 2B FACILITY SITE; PROJECT WORK AND COMPLETION

Section 3.1 Agreement to Convey to Agency. The Company has conveyed or has caused to be conveyed to the Agency (i) a leasehold interest in the Land, including any buildings, structures or other improvements thereon, and (ii) lien-free title to the Equipment, and will convey or cause to be conveyed to the Agency leasehold interest in Improvements and lien-free title to the Equipment acquired after the date hereof, in each case except for Permitted Encumbrances.

Section 3.2 Title Report and Survey. The Company has obtained and delivered to the Agency (i) a title report (in form and substance acceptable to the Agency) reflecting all matters of record with respect to the Land and existing Improvements, including municipal searches and (ii) a current or updated survey of each of the Land and the existing Improvements certified to the Agency.

Section 3.3 Public Authorities Law Representations. The parties hereto hereby acknowledge and agree that the Phase 2B Facility and the interest therein to be conveyed by this Lease Agreement are not “Property” as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Phase 2B Facility and the leasehold interests therein are securing the financial obligations of the Company. The Phase 2B Facility and the leasehold interests therein secure the obligations of the Company to the Agency under this Lease Agreement, including the Company’s obligation to acquire and maintain the Phase 2B Facility and complete the Project Work on behalf of the Agency and the Company’s obligation to indemnify and hold harmless the Agency.

#### Section 3.4 Project Work.

(a) The Company agrees that, on behalf of the Agency, it will complete the Project Work in accordance with the Plans and Specifications and pay all costs and expenses therefor.

(b) The Company may revise the Plans and Specifications from time to time without the consent or approval of the Agency; provided that the Phase 2B Facility shall retain its overall configuration and intended purposes and shall remain a “project” as defined in the Act.

(c) Except as set forth in Section 6.2 hereof, fee title to all Equipment, and or leasehold title to the Land and Improvements, comprising Phase 2B Facility, shall vest in the Agency immediately upon the Company’s obtaining an interest therein. The Company shall execute, deliver and record or file all instruments necessary or appropriate so to vest such title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(d) The Agency shall enter into, and accept the assignment of, in form and substance reasonably acceptable to the Agency and containing such exculpatory provisions as the Agency may require, such contracts as the Company may request in order to effectuate the purposes of this Section 3.4.

(e) The Company, as agent for the Agency, shall comply with all provisions of the Labor Law, the Executive Law and the Civil Rights Law of the State applicable to the completion of the Project Work and shall include in all construction contracts all provisions that shall be required to be inserted therein by such provisions. The Company shall comply with the relevant policies of the Agency with respect to such laws, which are set forth as Exhibit G attached hereto. Except as provided in the preceding two sentences, the provisions of this subsection do not create any obligations or duties not created by applicable law outside of the terms of this Lease Agreement.

Section 3.5 Identification of Equipment. All Equipment which is or may become the property of the Agency pursuant to the Bill of Sale shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency in its reasonable discretion. The Agency may request, and the Company shall deliver to the Agency within fifteen (15) days of such request, a schedule listing all such Equipment. All Equipment of whatever nature affixed or attached to the Land or used or to be used by the Company in connection with the Land or the Improvements shall be deemed presumptively to be owned by the Agency, rather than the Company, unless the same were installed by the Company and title thereto was retained by the Company as provided in Section 6.2 of this Lease Agreement and such Equipment was properly identified by such appropriate records as were approved by the Agency.

Section 3.6 Certificates of Completion. To establish the Completion Date, the Company shall deliver to the Agency (i) a certificate signed by an Authorized Representative of the Company in the form set forth in Exhibit J-1 attached hereto, together with all attachments required thereunder stating (a) that the Project Work has been completed in accordance with the Plans and Specifications therefor, and (b) that payment for all labor, services, materials and supplies used in such Project Work has been made or provided for (other than any amounts that are being contested by the Company in good faith); (ii) the Final Project Cost Budget, which budget will include a comparison with the project cost budget information listed in the Project Application Information and shall include all costs paid or incurred by the Company in connection with the Phase 2B Facility, (iii) a completed Form ST-340 Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority (IDA), a form of which is attached hereto as Exhibit J-2; and (iv) such other certificates and information as may be reasonably satisfactory to the Agency. The Company agrees to pay to the Agency, within ten (10) Business Days of written request, any additional fees owed to the Agency as a result of an increase in the final costs of the Project Work, as evidenced by the Final Project Cost Budget, and not accounted for in the Agency's fee collected on the Closing Date. The Company shall not be entitled to any refund or credit of the Agency's fee in the Final Project Cost Budget is lower than provided in the Project Application Information. The Company agrees that the Completion Date shall be no later than December 31, 2026.

Section 3.7 Remedies to Be Pursued Against Contractors, Subcontractors, Materialmen and Their Sureties. In the event of a default by any contractor, subcontractor, materialman or other Person under any contract made by it in connection with the Phase 2B Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company at its expense, either separately or in conjunction with others, may pursue any and all remedies available to it and the Agency, as appropriate, against the contractor, subcontractor, materialman or other Person so in default and against any surety for the performance of such contract. The Company, in its own name or in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman, surety or other Person which the Company deems reasonably necessary, and in such event the Agency, at the Company's sole cost and expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding, provided that the Agency, its members, officers, directors, employees and agents shall not thereby be subjected to risk of loss, liability or expense. The Net Proceeds of any recovery from a contractor or subcontractor or materialman or other person shall be paid to the Company.

Section 3.8 Publicity. The Company hereby authorizes the Agency, without further notice or consent, to use the Company's name and logo and photographs related to the Phase 2B Facility in its advertising, marketing and communications materials. Such materials may include web pages, print ads, direct mail and various types of brochures or marketing sheets, and various media formats other than those listed (including without limitation video or audio presentations through any media form). In these materials, the Agency also has the right to publicize its involvement in the Project.

#### Section 4.2 Duration of Lease Term; Quiet Enjoyment.

(a) The Agency shall deliver to the Company sole and exclusive possession of the Phase 2B Facility (subject to Sections 8.1 and 10.2 hereof), and the leasehold and subleasehold estate created hereby shall commence, and the Company shall accept possession of the Phase 2B Facility on the Closing Date.

(b) Except as provided in Sections 10.2 and 11.1 hereof, the estate created hereby shall terminate at 11:58 p.m. on November 30, 2050 (the "**Lease Term**").

(c) Except as provided in Sections 8.1 and 10.2 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Phase 2B Facility and will, at the request of the Company and at the Company's sole cost and expense, cooperate with the Company in order that

the Company may have quiet and peaceable possession and enjoyment of the Phase 2B Facility as hereinabove provided.

**Section 4.3 Rents and Other Amounts Payable.**

(a) The Company shall pay to the Agency on the Closing Date the balance of the Agency's administrative fee in the amount of \$407,006. The Company shall pay to the Agency upon request such additional administrative fees determined by the Agency on account of increased costs of the Project. The Company shall pay basic rent for the Phase 2B Facility as follows: One Dollar (\$1.00) per year commencing on the Closing Date and on each and every January 1 thereafter during the term of this Lease Agreement. In addition, the Company shall pay to the Agency an annual compliance fee as established from time to time by the Agency, currently in the amount of \$2,000, together with an annual compliance fee as established from time to time by the Agency, currently in the amount of \$500, for each commercial subtenant, occupant or user of the Phase 2B Facility, on or before January 1 of each year commencing January 1, 2025 and continuing through the Lease Term.

(b) In addition to the payments of basic rent pursuant to Section 4.3(a) hereof, throughout the Lease Term, the Company shall pay to the Agency as additional rent, within ten (10) days of receipt of demand therefor, an amount equal to the sum of the expenses of the Agency and the members thereof, including attorneys' fees, incurred (i) by reason of the Agency's ownership, leasing, subleasing, or financing of the Phase 2B Facility, or (ii) in connection with the carrying out of the Agency's duties and obligations under the Agency Documents, the payment of which is not otherwise provided for under this Lease Agreement. The foregoing shall be in addition to any annual or continuing administrative or management fee imposed by the Agency now or hereafter.

(c) The Company, under the provisions of this Section 4.3, agrees to make the above-mentioned payments and all other payments due to the Agency, without set-off or deduction, in immediately available funds and without any further notice in lawful money of the United States of America. In the event the Company shall fail to timely make any payment required in Section 4.3(a) or 4.3(b), the Company shall pay the same together with interest on such payment at a rate equal to two percent (2%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made.

**Section 4.4 Obligations of Company Hereunder Unconditional.** The obligations of the Company to make the payments required in Section 4.3 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein, shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, or (ii) fail to observe any of its other covenants or agreements in this Lease Agreement.

**Section 4.5 No Warranty of Condition or Suitability by Agency.** THE AGENCY HAS MADE AND MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER

EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF THE PHASE 2B FACILITY, ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE PHASE 2B FACILITY, OR THE SUITABILITY OF THE PHASE 2B FACILITY FOR THE PURPOSES OR NEEDS OF THE COMPANY OR THE EXTENT TO WHICH FUNDS AVAILABLE TO THE COMPANY WILL BE SUFFICIENT TO PAY THE COST OF COMPLETION OF THE PROJECT WORK. THE COMPANY ACKNOWLEDGES THAT THE AGENCY IS NOT THE MANUFACTURER OF THE EQUIPMENT NOR THE MANUFACTURER'S AGENT NOR A DEALER THEREIN. THE COMPANY, ON BEHALF OF ITSELF, IS SATISFIED THAT THE PHASE 2B FACILITY IS SUITABLE AND FIT FOR PURPOSES OF THE COMPANY. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO THE COMPANY OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF THE PHASE 2B FACILITY OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

#### ARTICLE V

#### PILOT PAYMENTS; SALES TAX EXEMPTION; MORTGAGE RECORDING TAX EXEMPTION AND RECAPTURE OF BENEFITS

##### Section 5.1 PILOT Payments.

(a) As long as this Lease Agreement is in effect, the Company agrees to make payments in lieu of all real estate taxes and assessments (the "**PILOT Payments**") (in addition to paying all special ad valorem levies, special assessments or Special District Taxes and service charges against real property located in the Town of Brookhaven, Sachem School District, Suffolk County (including any existing incorporated village or any village which may be incorporated after the date hereof, within which the Phase 2B Facility is or may be wholly or partially located) (the "**Taxing Authorities**") which are or may be imposed for special improvements or special district improvements) which would be levied upon or with respect to the Phase 2B Facility if the Phase 2B Facility were owned by the Company exclusive of the Agency's leasehold interest (the "**Taxes on the Phase 2B Facility**"). The amounts of such PILOT Payments are set forth in Exhibit C attached hereto. PILOT Payments shall be allocated among the Taxing Authorities in proportion to the amount of real property tax and other taxes which would have been received by each Taxing Authority if the Phase 2B Facility was owned by the Company exclusive of the Agency's leasehold interest.

(b) After the effective date of this Lease Agreement and until the provisions of paragraph 5.1(c) become effective, the Company shall pay, as PILOT Payments, one hundred percent (100%) of the taxes and assessments that would be levied upon the Phase 2B Facility by the respective Taxing Authorities if the Phase 2B Facility were owned by the Company exclusive of the Agency's leasehold interest.

(c) Commencing with the 2025/2026 Tax Year, the Company shall pay, as PILOT Payments, the amounts set forth on Exhibit C attached hereto and made a part hereof.

(d) The Company shall pay, or cause to be paid, the amounts set forth in subsections (a), (b) and (c) above, as applicable, after receipt of tax bills from the Agency or the Taxing Authorities, as the case may be. Failure to receive a tax bill shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate tax bill, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Agency and the Taxing Authorities and to have such a bill issued, and thereafter to make payment of the same no later than the due dates provided therein. PILOT Payments shall be made directly to the Agency. PILOT Payments made after the due date(s) as set forth in the applicable tax bills shall accrue interest (and penalties) at the rates applicable to late payments of taxes for the respective Taxing Authorities and as further provided in the GML, including Section 874(5) thereof, which currently provides for an initial penalty of five percent (5%) of the amount due and an additional penalty of one percent (1%) per month on payments more than one (1) month delinquent. In addition, for any PILOT Payment made after the date due, the Company shall pay to the Agency a late fee in accordance with the policy of the Agency then in effect. Anything contained in this paragraph (d) to the contrary notwithstanding, the Company shall have the obligation to make all annual payments required by this paragraph (other than payments of penalties, if any) in two equal semi-annual installments on or prior to January 31 and May 31 of each year of the Lease Term or on such other due dates as may be established from time to time during the Lease Term.

(e) During the Lease Term, the Company shall continue to pay all special ad valorem levies, special assessments, special district taxes, and service charges levied (or would be levied except for the Agency's leasehold interest) against the Phase 2B Facility for special improvements or special district improvements.

(f) In the event that any structural addition shall be made to the building or buildings included in the Phase 2B Facility subsequent to the Completion Date, or any additional building or improvement shall be constructed on the Land (such structural additions, buildings and improvements being referred to hereinafter as "**Additional Facilities**"), the Company agrees to make additional PILOT Payments to the Taxing Authorities in amounts equal to the product of the then current ad valorem tax rates which would be levied upon or with respect to the Additional Facilities by the Taxing Authorities if the Additional Facilities were owned by the Company exclusive of the Agency's leasehold interest times the assessment or assessments established for that tax year by the respective Taxing Authorities having appropriate assessing jurisdiction. All other provisions of this Section 5.1 shall apply to this obligation for additional PILOT Payments.

(g) In the event that the Agency's leasehold interest in the Phase 2B Facility or any part thereof terminates or expires at such time in reference to any taxable status date as to make it impossible to place such Phase 2B Facility or part thereof on the tax rolls of the Taxing Authorities, or appropriate special districts, as the case may be, by such taxable status date, the Company hereby agrees to pay, at the first time taxes or assessments are due following the taxable status date on which such Phase 2B Facility or part thereof is placed on the tax rolls, an amount equal to the taxes or assessments which would have been levied on such Phase 2B

Facility or part thereof had it been on the tax rolls from the time of the termination of the Agency's leasehold interest until the date of the tax rolls following the taxable status date as of which such Phase 2B Facility or part thereof is placed on the tax rolls. There shall be deducted from such amount any amounts previously paid pursuant to this Section 5.1 by the Agency or the Company to the respective Taxing Authorities relating to any period of time after the date of termination of the Agency's interest. The provisions of this subsection (g) shall survive the termination or expiration of this Lease Agreement. Any rights the Company may have against its respective designees are separate and apart from the terms of this subsection (g), and this subsection (g) shall survive any transfer from the Agency to the Company.

(h) In the event the Phase 2B Facility or any part thereof is declared to be subject to taxation for taxes or assessments by an amendment to the Act or other legislative change or by a final judgment of a court of competent jurisdiction, the obligations of the Company under this Section 5.1 shall, to such extent, be null and void.

(i) In the event the Company shall enter into a subsequent payment-in-lieu-of-tax agreement or agreements with respect to the Taxes on the Phase 2B Facility directly with any or all Taxing Authorities in the jurisdiction of which the Phase 2B Facility is located, the obligations of the Company under this Section 5.1, which are inconsistent with such future agreement or agreements, shall be superseded and shall, to such extent, be null and void.

(j) As long as this Lease Agreement is in effect, the Agency and the Company agree that (i) the Company shall be deemed to be the owner of the Phase 2B Facility and of the Additional Facilities for purposes of instituting, and shall have the right to institute, administrative or judicial review of an assessment of the real estate with respect to the Phase 2B Facility and of the Additional Facilities pursuant to the provisions of Article 7 of the Real Property Tax Law or any other applicable law, as the same may be amended from time to time, and (ii) the Agency, at the request of the Company, shall request the Assessor of the Town of Brookhaven, or any other assessor having jurisdiction to assess the Phase 2B Facility, to take into consideration the value of surrounding properties of like character when assessing the Phase 2B Facility. Notwithstanding the foregoing, in the event that the assessment of the real estate with respect to the Phase 2B Facility and the Additional Facilities is reduced as a result of any such administrative or judicial review so that such complaining party would be entitled to receive a refund or refunds of taxes paid to the respective Taxing Authorities, if such complaining party were the owner of the Phase 2B Facility and the Additional Facilities exclusive of the Agency's leasehold interest therein, such complaining party shall not be entitled to receive a refund or refunds of the PILOT Payments paid pursuant to this Lease Agreement and the PILOT Payments set forth on Exhibit C hereto shall not be reduced. In no event shall the Agency be required to remit to the Company or any Taxing Authority any moneys otherwise due as a result of a reduction in the assessment of the Phase 2B Facility (or any part thereof) due to a certiorari review. If the Company receives a reduction in assessment in the last year of this Lease Agreement after it has made its final PILOT Payment, the Company acknowledges that it shall look solely to the Taxing Authorities for repayment or for a credit against the first payment(s) of Taxes on the Phase 2B Facility which will be due after the Phase 2B Facility is returned to the tax rolls. The Company hereby agrees that it will notify the Agency if the Company shall have requested a reassessment of the Phase 2B Facility or a reduction in the taxes on the Phase 2B Facility or shall have instituted any tax certiorari proceedings with respect to the Phase 2B

Facility. The Company shall deliver to the Agency copies of all notices, correspondence, claims, actions and/or proceedings brought by or against the Company in connection with any reassessment of the Phase 2B Facility, reduction of taxes with respect to the Phase 2B Facility or tax certiorari proceedings with respect to the Phase 2B Facility.

(k) The Company, in recognition of the benefits provided under the terms hereof, including, but not limited to, the PILOT Payments set forth in Exhibit C hereto, and for as long as this Lease Agreement is in effect, expressly waives any rights it may have for any exemption under Section 485-b of the Real Property Tax Law or any other exemption under any other law or regulation (except, however, for the exemption provided by Title 1 of Article 18-A of the GML) with respect to the Phase 2B Facility. The Company, however, reserves any such rights with respect to the Additional Facilities as referred to in subsection (f) hereof and with respect to the assessment and/or exemption of the Additional Facilities.

#### Section 5.2 Sales Tax Exemption.

(a) The Agency hereby appoints the Company its true and lawful agent, and the Company hereby accepts such agency (i) to complete the Project Work in accordance with the Plans and Specifications, (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be requisite or proper, all for the Project Work with the same powers and with the same validity as the Agency could do if acting on its own behalf, (iii) to pay all fees, costs and expenses incurred in connection with the Project Work, (iv) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the Project Work, and (v) to enforce the provisions of any contract, agreement, obligation, bond or other performance security. This agency appointment expressly excludes the Company from purchasing any motor vehicle, including any cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles for use on public highways or streets.

(b) Agency's Exempt Status. The Agency constitutes a corporate governmental agency and a public benefit corporation under the laws of the State of New York, and therefore, in the exercise of its governmental functions, is exempt from the imposition of Sales and Use Taxes. As an exempt governmental entity, no exempt organization identification number has been issued to the Agency nor is one required. Notwithstanding the foregoing, the Agency makes no representation to the Company, any Agent or any third party that any Sales Tax Exemption is available under this Lease Agreement.

(c) Scope of Authorization of Sales Tax Exemption. The Agency hereby authorizes the Company, subject to the terms and conditions of this Lease Agreement, to act as its agent in connection with the Phase 2B Facility for the purpose of effecting purchases and leases of Eligible Items so that such purchases and leases are exempt from the imposition of Sales and Use Taxes. The Agency's authorization with respect to such Sales Tax Exemption provided to the Company and its Agents pursuant to this Lease Agreement and any Sales Tax Agent Authorization Letters issued hereunder shall be subject to the following limitations:

(i) The Sales Tax Exemption shall be effective only for a term commencing on the Closing Date and expiring upon the earliest of (A) the termination of this Lease Agreement, (B) the Completion Date, (C) the failure of the Company to file Form ST-340, as described in Section 5.2(g) below, (D) the termination of the Sales Tax Exemption authorization pursuant to Section 10.2 hereof or (E) the date upon which the Company receives the Maximum Company Sales Tax Savings Amount.

(ii) The Sales Tax Exemption authorization set forth herein shall automatically be suspended upon written notice to the Company that the Company is in default under this Lease Agreement until such default is cured to the satisfaction of the Agency.

(iii) The Sales Tax Exemption authorization shall be subject to all of the terms, conditions and provisions of this Lease Agreement.

(iv) The Sales Tax Exemption shall only be utilized for Eligible Items which shall be purchased, incorporated, completed or installed for use only by the Company at the Phase 2B Facility (and not with any intention to sell, transfer or otherwise dispose of any such Eligible Item to a Person as shall not constitute the Company), it being the intention of the Agency and the Company that the Sales Tax Exemption shall not be made available with respect to any Eligible Item unless such item is used solely by the Company at the Phase 2B Facility.

(v) The Sales Tax Exemption shall not be used for any Ineligible Item.

(vi) The Sales Tax Exemption shall not be used to benefit any person or entity, including any tenant or subtenant located at the Phase 2B Facility, other than the Company, without the prior written consent of the Agency.

(vii) By execution by the Company of this Lease Agreement, the Company agrees to accept the terms hereof and represents and warrants to the Agency that the use of the Sales Tax Exemption by the Company or by any Agent is strictly for the purposes stated herein.

(viii) Upon the Termination Date, the Company and each Agent (as hereinafter defined) shall cease being agents of the Agency, and the Company shall immediately notify each Agent in writing of such termination and that the Sales Tax Agent Authorization Letter issued to any such Agent pursuant to subsection (d) below is likewise terminated.

(ix) The Company agrees that the aggregate amount of Company Sales Tax Savings realized by the Company and by all Agents of the Company, if any, in connection with the Phase 2B Facility shall not exceed in the aggregate the Maximum Company Sales Tax Savings Amount.

(d) Procedures for Appointing Agents. If the Company desires to seek the appointment of a contractor, a subcontractor or other party to act as the Agency's agent (an "Agent") for the purpose of effecting purchases which are eligible for the Sales Tax Exemption pursuant to authority of this Lease Agreement, it must complete the following steps:

(i) For each Agent, the Company must complete and submit Form ST-60 to the Agency. The foregoing is required pursuant to the GML Section 874(9) and Form ST-60 and

the regulations relating thereto which require that within thirty (30) days of the date that the Agency appoints a project operator or other person or entity to act as agent of the Agency for purposes of extending a sales or use tax exemption to such person or entity, the Agency must file a completed Form ST-60 with respect to such person or entity.

(ii) Following receipt by the Agency of the completed Form ST-60, such Agent must be appointed as Agent by the Agency, by execution by the Agency and the Agent of a Sales Tax Agent Authorization Letter in the form attached hereto as Exhibit E. The determination whether to approve the appointment of an Agent shall be made by the Agency, in its sole discretion. If executed, a completed copy of the Sales Tax Agent Authorization Letter shall be sent to the Company. The Company must also provide a copy of an executed Sales Tax Agent Authorization Letter together with a copy of this Lease Agreement to the Agent within five (5) Business Days after receipt thereof by the Company.

(iii) The Company shall ensure that each Agent shall observe and comply with the terms and conditions of its Sales Tax Agent Authorization Letter and this Lease Agreement.

(e) Form ST-60 Not an Exemption Certificate. The Company acknowledges that the executed Form ST-60 designating the Company or any Agent as an agent of the Agency shall not serve as a sales or use tax exemption certificate or document. Neither the Company nor any other Agent may tender a copy of the executed Form ST-60 to any person required to collect sales tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED IN THE TAX LAW. IN ADDITION, THE USE BY AN AGENT, THE COMPANY, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY-EIGHT AND THIRTY-SEVEN OF THE TAX LAW, THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.

(f) Form ST-123 Requirement. As an agent of the Agency, the Company agrees that it will, and will cause each Agent to, present to each seller or vendor a completed and signed Form ST-123 for each contract, agreement, invoice, bill or purchase order entered into by the Company or by any Agent, as agent for the Agency, for the Project Work. Form ST-123 requires that each seller or vendor accepting Form ST-123 identify the Phase 2B Facility on each bill or invoice for purchases and indicate on the bill or invoice that the Agency or Agent or Company, as project operator of the Agency, was the purchaser. For the purposes of indicating who the purchaser is, each bill or invoice should state, "I, [Company/Agent], certify that I am duly appointed agent of the Town of Brookhaven Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the Hawkins Ave Development RHP2-B, LLC 2024 Facility - Ronk Hub Phase 2B located at the Land Bounded by Railroad Avenue, Hawkins Avenue, Union Street and Garrity Avenue, Ronkonkoma, Suffolk County, New York, IDA Project Number 4702-24-2A." The Company shall retain copies of all such contracts, agreements, invoices, bills and purchase orders for a period of not less than six (6) years from the date thereof. For each Agent the Form ST-123 shall be completed as follows: (i)

the “Project information” section of Form ST-123 should be completed using the name and address of the Phase 2B Facility as indicated on the Form ST-60 used to appoint the Agent; (ii) the date that the Agent was appointed as an agent should be completed using the date of the Agent’s Sales Tax Agent Authorization Letter; and (iii) the “Exempt purchases” section of Form ST-123 should be completed by marking “X” in box “A” only.

(g) Form ST-340 Filing Requirement. The Company shall annually (currently, by each February 28th with respect to the prior calendar year) file a Form ST-340 with NYSDTF, after first filing such ST-340 with the Agency on February 1st, in a manner consistent with such regulations as is or may be prescribed by the Commissioner of NYSDTF (the “**Commissioner**”), of the value of all Company Sales Tax Savings claimed by the Company and each Agent in connection with the Phase 2B Facility during the previous calendar year. Should the Company fail to comply with the foregoing requirement, the Company and each Agent shall immediately cease to be agents of the Agency in connection with the Phase 2B Facility without any further action of the Agency and the Company shall immediately and without demand notify each Agent appointed by the Agency in connection with the Phase 2B Facility of such termination.

(h) Sales Tax Registry Filing Requirement. No later than January 15<sup>th</sup> and July 15<sup>th</sup> of each year, the Company shall file with the Agency a completed Sales Tax Registry, in the form attached hereto as Exhibit F, which accounts for all Company Sales Tax Savings realized by the Company and each Agent during the prior semi-annual period ending on the preceding June 30<sup>th</sup> or December 31<sup>st</sup>, as applicable (or such shorter period beginning on the Closing Date and ending on the preceding June 30<sup>th</sup> or December 31<sup>st</sup>, as applicable), unless the Termination Date occurred prior to such June 30<sup>th</sup> or December 31<sup>st</sup>, as applicable. Within ten (10) days after the Termination Date, the Company shall file with the Agency a completed Sales Tax Registry which accounts for all Company Sales Tax Savings realized by the Company and each Agent during the period from the preceding July 1<sup>st</sup> or January 1<sup>st</sup> to the Termination Date.

(i) Special Provisions Relating to State Sales Tax Savings.

(i) The Company covenants and agrees to comply, and to cause each of its contractors, subcontractors, Agents, persons or entities to comply, with the requirements of GML Sections 875(1) and (3) (the “**Special Provisions**”), as such provisions may be amended from time to time. In the event of a conflict between the other provisions of this Lease Agreement and the Special Provisions, the Special Provisions shall control.

(ii) The Company acknowledges and agrees that pursuant to GML Section 875(3), the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Company, State Sales Tax Savings taken or purported to be taken by the Company, any Agent or any other person or entity acting on behalf of the Company to which the Company is not entitled or which are in excess of the Maximum Company Sales Tax Savings Amount or which are for property or services not authorized or taken in cases where the Company, any Agent or any other person or entity acting on behalf of the Company failed to comply with a material term or condition to use property or services in the manner required by this Lease Agreement. The Company shall, and shall require each Agent and any other person or entity acting on behalf of the Company, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such State Sales Tax Savings and shall promptly pay over

any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the Commissioner to assess and determine State Sales and Use Taxes due from the Company under Article 28 of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

(j) Subject to the provisions of subsection (i) above, in the event that the Company or any Agent shall utilize the Sales Tax Exemption in violation of the provisions of this Lease Agreement or any Sales Tax Agent Authorization Letter, the Company shall promptly deliver notice of same to the Agency, and the Company shall, upon demand by the Agency, pay to or at the direction of the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the rate of twelve percent (12%) per annum compounded daily from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was availed of by the Company or any Agent (as applicable).

(k) Upon request by the Agency with reasonable notice to the Company, the Company shall make available at reasonable times to the Agency and/or an Independent Accountant all such books, records, contracts, agreements, invoices, bills or purchase orders of the Company and any Agent, and require all appropriate officers and employees of the Company to respond to reasonable inquiries by the Agency and/or the Independent Accountant, as shall be necessary (y) to indicate in reasonable detail those costs for which the Company or any Agent shall have utilized the Sales Tax Exemption and the dates and amounts so utilized, and (z) to permit the Agency to determine any amounts owed by the Company under this Section 5.2.

Section 5.3 No Mortgage Recording Tax Exemption. The Agency has not granted an exemption pursuant to Section 874 of the Act from the mortgage recording tax in connection with the recording of the Mortgages. The Company hereby represents and warrants that it shall pay all mortgage recording taxes in connection with the recording of the Mortgages.

Section 5.4 Recapture of Agency Benefits.

(a) It is understood and agreed by the parties hereto that the Agency is entering into this Lease Agreement in order to provide financial assistance to the Company for the Phase 2B Facility and to accomplish the Public Purposes of the Act. In consideration therefor, the Company hereby agrees as follows:

(i) If there shall occur a Recapture Event after the Closing Date, but on or before December 31, 2029, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, one hundred percent (100%) of the Recaptured Benefits (as defined below);

(ii) If there shall occur a Recapture Event on or after January 1, 2030 but on or before December 31, 2034, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, seventy-five percent (75%) of the Recaptured Benefits;

(iii) If there shall occur a Recapture Event on or after January 1, 2035 but on or before December 31, 2039, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, fifty percent (50%) of the Recaptured Benefits;

(iv) If there shall occur a Recapture Event on or after January 1, 2040 but on or before December 31, 2045, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, twenty-five percent (25%) of the Recaptured Benefits; and

(v) If there shall occur a Recapture Event on or after January 1, 2046, the Company shall not be obligated to pay to the Agency, or to the State of New York, any of the Recaptured Benefits; and

(b) The term “**Recaptured Benefits**” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by this Lease Agreement including, but not limited to, the amount equal to 100% of:

(i) the Mortgage Recording Tax Exemption; and

(ii) Sales Tax Exemption savings realized by or for the benefit of the Company, including any savings realized by any Agent pursuant to this Lease Agreement and each Sales Tax Agent Authorization Letter issued in connection with the Phase 2B Facility (the “**Company Sales Tax Savings**”); and

(iii) real property tax abatements granted pursuant to Section 5.1 hereof (i.e., Taxes on the Phase 2B Facility less the PILOT Payments) (the “**Real Property Tax Abatements**”);

which Recaptured Benefits from time to time shall upon the occurrence of a Recapture Event in accordance with the provisions of subsection (c) below and the declaration of a Recapture Event by notice from the Agency to the Company be payable directly to the Agency or the State of New York if so directed by the Agency within ten (10) days after such notice.

(c) The term “**Recapture Event**” shall mean any of the following events:

(i) The occurrence and continuation of an Event of Default under this Lease Agreement (other than as described in clause (iv) below or in subsections (d) or (e) below) which remains uncured beyond any applicable notice and/or grace period, if any, provided hereunder; or

(ii) The Phase 2B Facility shall cease to be a “project” within the meaning of the Act, as in effect on the Closing Date, through the act or omission of the Company; or

(iii) The sale of the Phase 2B Facility or closure of the Phase 2B Facility and/or departure of the Company from the Town of Brookhaven, except as due to casualty,

condemnation or force majeure as provided in subsection (e) below or as provided in Section 9.3 hereof; or

(iv) Failure of the Company to create or cause to be maintained the number of FTE jobs at the Phase 2B Facility as provided in Section 8.11 of this Lease Agreement, which failure, in the sole judgment of the Agency, is not reflective of the business conditions of the Company or the subtenants of the Company, including without limitation loss of major sales, revenues, distribution or other adverse business developments and/or local, national or international economic conditions, trade issues or industry wide conditions; or

(v) Any significant deviations from the Project Application Information which, in the sole judgment of the Agency, would constitute a significant diminution of the Company's activities in, or commitment to, the Town of Brookhaven, Suffolk County, New York; or

(vi) The Company receives Sales Tax Savings in connection with the Project Work in excess of the Maximum Company Sales Tax Savings Amount or after the Termination Date; provided, however, that the foregoing shall constitute a Recapture Event with respect to such excess Sales Tax Savings only. It is further provided that failure to repay the Sales Tax Savings within thirty (30) days after notice from the Agency shall constitute a Recapture Event with respect to all Recaptured Benefits.

(d) Provided, however, if a Recapture Event has occurred due solely to the failure of the Company to create or cause to be maintained the number of FTEs at the Phase 2B Facility as provided in Section 8.11 hereof in any Tax Year but the Company has created or caused to be maintained at least 90% of such required number of FTEs for such Tax Year, then in lieu of recovering the Recaptured Benefits provided above, the Agency may, in its sole discretion, adjust the PILOT Payments due hereunder on a pro rata basis so that the amounts payable will be adjusted upward retroactively for such Tax Year by the same percentage as the percentage of FTEs that are below the required FTE level for such Tax Year. Such adjustments to the PILOT Payments may be made each Tax Year until such time as the Company has complied with the required number of FTEs pursuant to Section 8.11 hereof.

(e) Furthermore, notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a result of (i) a "force majeure" event (as more particularly defined in Section 10.1(b) hereof), (ii) a taking or condemnation by governmental authority of all or part of the Phase 2B Facility, or (iii) the inability or failure of the Company after the Phase 2B Facility shall have been destroyed or damaged in whole or in part (such occurrence a "**Loss Event**") to rebuild, repair, restore or replace the Phase 2B Facility to substantially its condition prior to such Loss Event, which inability or failure shall have arisen in good faith on the part of the Company or any of its affiliates so long as the Company or any of its affiliates have diligently and in good faith using commercially reasonable efforts pursued the rebuilding, repair, restoration or replacement of the Phase 2B Facility or part thereof.

(f) The Company covenants and agrees to furnish, and to cause any sublessee of the Phase 2B Facility to furnish, the Agency with written notification within thirty (30) days of

actual notice of any facts or circumstances which would likely lead to a Recapture Event or constitute a Recapture Event hereunder. The Agency shall notify the Company of the occurrence of a Recapture Event hereunder, which notification shall set forth the terms of such Recapture Event.

(g) In the event any payment owing by the Company under this Section shall not be paid on demand by the Agency, such payment shall bear interest from the date of such demand at a rate equal to one percent (1%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, until the Company shall have made such payment in full, together with such accrued interest to the date of payment, to the Agency (except as otherwise specified above).

(h) The Company shall pay to the Agency all reasonable out of pocket expenses of the Agency, including without limitation, reasonable legal fees, incurred with the recovery of all amounts due under this Section 5.4.

(b) The Company from time to time may make any structural additions, modifications or improvements to the Phase 2B Facility or any part thereof, provided such actions do not adversely affect the structural integrity of the Phase 2B Facility. The Company may not make any changes to the footprint of the Phase 2B Facility, and any additions expanding the square footage of the Phase 2B Facility (including the addition of any stories whether above or below ground) or make any additions, modifications or improvements to the Phase 2B Facility which will materially and/or adversely affect the structural integrity or value of the Phase 2B Facility without the prior written consent of the Agency which consent shall not be unreasonably withheld or delayed. All such additions, modifications or improvements made by the Company after the date hereof shall become a part of the Phase 2B Facility and the Property of the Agency. The Company agrees to deliver to the Agency all documents which may be necessary or appropriate to convey to the Agency title to or an interest in such Property.

Section 6.2 Installation of Additional Equipment. Subject to the provisions of Section 3.5 hereof, the Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Phase 2B Facility (which may be attached or affixed to the Phase 2B Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Phase 2B Facility, so long as such additional property is properly identified by such appropriate records,

including computerized records, as approved by the Agency in its reasonable discretion. The Company from time to time may create or permit to be created any Lien on such machinery, equipment or other personal property. Further, the Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Phase 2B Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur: (i) if any Event of Default has occurred and is continuing or (ii) if any such removal shall adversely affect the structural integrity of the Phase 2B Facility or impair the overall operating efficiency of the Phase 2B Facility for the purposes for which it is intended (except to the extent that such machinery, equipment or personal property is replaced), and provided further, that if any damage to the Phase 2B Facility is occasioned by such removal, the Company agrees promptly to repair or cause to be repaired such damage at its own expense.

### Section 6.3 Taxes, Assessments and Utility Charges.

(a) Subject to the Sales Tax Exemption and the Real Property Tax Abatements as provided hereunder, the Company agrees to pay, as the same become due and before any fine, penalty, interest (except interest which is payable in connection with legally permissible installment payments) or other cost which may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (i) all taxes, PILOT Payments and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Phase 2B Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Phase 2B Facility or any part or component thereof, or the rental or sale of the Phase 2B Facility or any part thereof, and any taxes levied upon or with respect to the income or revenues of the Agency from the Phase 2B Facility; (ii) all utility and other charges, including service charges, incurred or imposed for or with respect to the operation, maintenance, use, occupancy, upkeep and improvement of the Phase 2B Facility; and (iii) all assessments and charges of any kind whatsoever lawfully made by any governmental body for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated under this Lease Agreement to pay only such installments as are required to be paid during the Lease Term.

(b) The Company may in good faith contest any such taxes, assessments and other charges (other than PILOT Payments). In the event of any such proceedings, the Company may permit the taxes, assessments or other charges (but in no event the PILOT Payments) so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Phase 2B Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned and received by the Agency, as a result thereof, will be promptly transmitted by the Agency to the Company and that

the Company shall be entitled to retain all such amounts; which such obligation shall survive the expiration or termination of this Lease Agreement.

(d) Within thirty (30) days of receipt of written request therefor, the Company shall deliver to the Agency, official receipts of the appropriate taxing authorities or other proof reasonably satisfactory to the Agency evidencing payment of any tax.

(c) The minimum insurance requirements set forth under Section 6.4 and this Section 6.5 shall not limit, abridge, or modify the Company's obligation under Section 8.2 hereof to indemnify and hold the Agency harmless from and against certain damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses, as more fully set forth in Section 8.2.

No such payment shall be made or act performed by the Agency until at least ten (10) Business Days shall have elapsed since notice shall have been given by the Agency, and in the case of any tax, assessment or governmental charge or the amounts specified in clauses (i) and (iv) hereof, no such payment shall be made in any event if the Company is contesting the same in good faith to the extent and as permitted by this Lease Agreement, unless an Event of Default hereunder shall have occurred and be continuing. No such payment by the Agency shall affect or impair any rights of the Agency hereunder arising in consequence of such failure by the Company. The Company shall, on demand, reimburse the Agency for any amount so paid or for expenses or costs incurred in the performance of any such act by the Agency pursuant to this Section (which shall include all reasonable legal fees and disbursements), together with interest thereon, from the date of payment of such amount, expense or cost by the Agency at a rate equal to two percent (2%) plus the Prime Rate, but in no event higher than the maximum lawful prevailing rate.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such repair, replacement, rebuilding, restoration or relocation, the Company shall nonetheless complete the work, or cause the work to be completed pursuant to the terms of this Lease Agreement, and pay from its own moneys, or cause to be paid by such other party as may be obligated for payment that portion of the costs thereof in excess of such Net Proceeds. All such repairs, replacements, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the Company’s own money or moneys of any other person, shall automatically become a part of the Phase 2B Facility as if the same were specifically described herein.

(e) If the Company shall not repair, replace, rebuild, restore or relocate the Phase 2B Facility in accordance with the terms hereof, it shall be deemed to have exercised its option to terminate this Lease Agreement pursuant to Section 11.1 hereof. Any Net Proceeds derived from insurance shall, subject to the rights of any Lender pursuant to the terms of any Loan Documents

be applied to the payment of the amounts required to be paid by Section 11.2 hereof and the balance shall be delivered to the Company. any such losses, damages, liabilities or expenses of the Agency are not incurred on account of and do not result from the gross negligence or intentional or willful wrongdoing of the Indemnified Parties. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of any of the Indemnified Parties, and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of any such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought, the payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the Indemnified Parties, relating to the enforcement of the provisions herein specified. The liability of the Company to the Agency hereunder shall in no way be limited, abridged, impaired or otherwise affected by (i) any amendment or modification of any of the Transaction Documents by or for the benefit of the Agency, the Company or any subsequent owners or users of the Phase 2B Facility, (ii) any extensions of time for payment or performance required by any of the Transaction Documents, (iii) the release of the Company or any other person from the performance or observance of any of the agreements, covenants, terms or conditions contained in any of the Transaction Documents by operation of law, either by the Agency's voluntary act or otherwise, (iv) the invalidity or unenforceability of any of the terms or provisions of the Transaction Documents, (v) any exculpatory provision contained in any of the Transaction Documents limiting the Agency's recourse to any other security or limiting the Agency's rights to a deficiency judgment against the Company, (vi) any investigation or inquiry conducted by or on the behalf of the Agency or any information which the Agency may have or obtain with respect to the condition of the Environment at, or ecological condition of, the Phase 2B Facility, (vii) the sale, assignment or foreclosure of any mortgage relating to all or any part of the Phase 2B Facility, but only with respect to a Release that has occurred prior to any such event, (viii) the sale, assignment, subleasing, transfer or conveyance of all or part of the Land or the Phase 2B Facility or the Company's interests and rights in, to, and under this Lease Agreement or the termination of this Lease Agreement, but only with respect to a Release that has occurred prior to any such event, (ix) the death or legal incapacity of the Company, (x) the release or discharge, in whole or in part, of the Company in any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or similar proceeding, or (xi) any other circumstances which might otherwise constitute a legal or equitable release or discharge, in whole or in part, of the Company under this Lease Agreement, or any other Transaction Document.

(c) In the event of any claim against the Indemnified Parties by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

(d) Notwithstanding any provisions of this Section 8.2, the Agency retains the right to defend itself, and in any such defense of itself, the Agency may select its own counsel, and any and all costs of such defense, including, without limitation, reasonable attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses, shall be paid by the Company.

(e) To effectuate the provisions of this Section 8.2, the Company shall provide for and insure in the liability policies required in Section 6.4 hereof, its liabilities assumed pursuant to this Section 8.2.

Section 8.3 Company to Maintain Its Existence. The Company covenants and agrees that at all times during the Lease Term, it will (i) maintain its existence, (ii) continue to be an entity subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business as a foreign entity in the State, (iii) not liquidate, wind-up or dissolve or otherwise dispose of all or substantially all of its property, business or assets remaining after the execution and delivery of this Lease Agreement, (iv) not consolidate with or merge into another corporation or permit one or more corporations to consolidate with or merge into it, and (v) not change, directly or indirectly, however accomplished, whether in a single transaction or in a series of related or unrelated transactions, more than 49% of the ownership or control of the Company or sell or transfer, directly or indirectly, however accomplished, whether in a single transaction or in a series of related or unrelated transactions, more than 49% of the equity interests in the Company, other than to another existing member of the Company, except with consent of the Agency, which consent shall not be unreasonably withheld or delayed or conditioned.

Section 8.4 Qualification in State. The Company throughout the Lease Term shall continue to be duly authorized to do business in the State.

Section 8.5 Agreement to File Annual Statements and Provide Information. The Company shall file with NYSDTF an annual statement of the value of all sales and use tax exemptions claimed in connection with the Phase 2B Facility in compliance with Sections 874(8) of the GML as provided in Section 5.2(g) hereof. The Company shall submit a copy of such annual statement to the Agency at the time of filing with NYSDTF. The Company shall also provide the Agency with the information the Agency deems necessary for the Agency to comply with Section 874(9) of the GML. Annually, and upon request, the Company shall provide the Agency with a certified statement and documentation (i) enumerating the FTE jobs, by category, retained and/or created at the Phase 2B Facility as a result of the Agency's financial assistance and (ii) indicating the fringe benefits and salary averages or ranges for such categories of FTE jobs created and/or retained. The Company further agrees to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations, its employment and its affairs as the Agency deems necessary, including to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act or the Public Authorities Accountability Act of 2005 and the Public Authorities Reform Act of 2009, each as amended from time to time, or any other reports required by the New York State Authority Budget Office or the Office of the State Comptroller or any of the Agency Documents or Company Documents. Such information shall be provided

within thirty (30) days following written request from the Agency. The Company shall cause any and all commercial sublessees at the Phase 2B Facility to comply with the requirements of this Section 8.5 by requiring each such sublessee to enter into a Tenant Agency Compliance Agreement as described in Section 9.3 hereof.

Section 8.6 Books of Record and Account; Financial Statements. The Company at all times agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all transactions and events relating to the business and financial affairs of the Company.

Section 8.7 Compliance with Orders, Ordinances, Etc.

(a) The Company, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee, tenant or occupant of the Phase 2B Facility to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Phase 2B Facility or any part thereof, or to the Project Work, or to any use, manner of use or condition of the Phase 2B Facility or any part thereof, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers having jurisdiction over the Phase 2B Facility or any part thereof, or of the Project Work, or of any use, manner of use or condition of the Phase 2B Facility or any part thereof or of any companies or associations insuring the premises.

(b) Notwithstanding the provisions of subsection (a) above, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsection (a) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Phase 2B Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Phase 2B Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts not to cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

Section 8.8 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Phase 2B Facility or any part thereof, without the Agency's consent, including without limitation, by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Phase 2B Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) above, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company in writing that by nonpayment of any such item or items, the Phase 2B Facility or any part thereof may be subject to loss or forfeiture. In the event of such notice the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed, or by taking such other actions as may be satisfactory to the Agency to protect its interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

Section 8.9 Depreciation Deductions and Investment Tax Credit. The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Phase 2B Facility and to any investment credit with respect to any part of the Phase 2B Facility.

Section 8.10 Employment Opportunities; Notice of Jobs. The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which the Company is a party, cause any new employment opportunities created in connection with the Phase 2B Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300), as superseded by the Workforce Innovation and Opportunity Act (PL. 113-128), in which the Phase 2B Facility is located (collectively, the "**Referral Agencies**"). The Company also agrees, and shall cause any and all commercial sublessees to agree, that except as is otherwise prohibited by collective bargaining contracts or agreements, they will, where practicable, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.

Section 8.11 Employment at the Phase 2B Facility. The Company hereby agrees to create and maintain (or cause to be created and maintained) at all times at the Phase 2B Facility: fifteen (15) full-time equivalent employees as of December 31, 2027, and thereafter throughout the Lease Term, calculated on the basis of 35 hours per week who are employees of the Company or any subsidiary or affiliates of the Company, or any consultants, contractors or subcontractors of the Company, or any subsidiary or affiliates of the Company, whose place of employment or workplace is located at the Phase 2B Facility (including the full time equivalent employees of all commercial tenants at the Phase 2B Facility) ("**FTE**"). It is further provided that the Company may not actually provide the FTEs at the Phase 2B Facility, but rather shall sublease certain portions of the Phase 2B Facility to the commercial tenants, and the FTE jobs created and maintained by such commercial tenants at the Phase 2B Facility shall satisfy the requirement above. The Company's obligation with regard to creating or causing to be maintained FTEs includes (a) using all reasonable efforts to lease up the Phase 2B Facility, and (b) including provisions in all commercial subleases requiring any tenant thereunder to comply with the provisions of this Lease Agreement applicable to them.

Section 8.12 Annual Compliance Certificate. The Company shall deliver to the Agency each year no later than January 15th, a certificate signed by an Authorized Representative of the Company in the form attached hereto as Exhibit K, together with all attachments referenced therein.

Section 8.13 Compliance with Labor Law Section 224-a.

The Agency hereby informs the Company that certain Construction work done under contract in connection with financial assistance from the Agency may be subject to the requirements of Section 224-a of the Labor Law of the State, including but not limited to the requirement that such Construction shall be subject to prevailing wage requirements of Section 220 and 220-b of the Labor Law of the State. In addition, such Construction work may be required by Section 224-a of the Labor Law to comply with the objectives and goals of minority and women-owned business enterprises pursuant to Article Fifteen-A of the Executive Law and service-disabled veteran-owned business pursuant to Article Seventeen-B of the Executive Law. The Company shall certify or cause to be certified using the Certificate required by the New York State Department of Labor (currently from PW 39a) within five (5) days of commencement of Construction work, to the Agency and Commissioner of Labor of the State, whether the Project is subject to the provisions of Section 224-a of the Labor Law. A copy of such certification shall be filed with the Agency no later than ten (10) days after filing with the Commissioner of Labor.

Notwithstanding the foregoing, by resolution, dated September 17, 2014 (the “**Facility Resolution**”), the Agency authorized financial assistance with respect to the Project. On October 4, 2017, the Agency and Ronk Hub, LLC entered into the Master Benefits Agreement (the “**MBA**”) regarding such financial assistance. The adoption of the Facility Resolution, and the execution and delivery of the MBA preceded the enactment of Section 224-a of the Labor Law of the State.

ARTICLE IX  
RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING

Section 9.1 Restriction on Sale of Phase 2B Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article IX and in Article X hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Phase 2B Facility or any part thereof, or any of its rights under this Lease Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Lease Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Phase 2B Facility. In such event, the Agency, at the Company’s sole cost and expense, shall execute and deliver any and all instruments necessary or appropriate so to release such part of, or interest in, the Land. As a condition to such release, the Agency shall be provided with a copy of the instrument transferring such title or interest in such Land, an instrument survey of the Land to be conveyed, together with a certificate of an Authorized Representative of the Company stating that there is

then no Event of Default under this Lease Agreement and that such part of, or interest in, the Land is not necessary, desirable or useful for the Phase 2B Facility.

(c) No conveyance of any part of, or interest in, the Land effected under the provisions of this Section 9.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Lease Agreement or any abatement or diminution of the PILOT Payments.

#### Section 9.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company, may remove such items from the Phase 2B Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Phase 2B Facility for the purpose for which it is intended or change the nature of the Phase 2B Facility so that it does not constitute a "project" under the Act.

(b) Upon the request of the Company, the Agency shall execute and deliver to the Company all instruments, in form and substance satisfactory to the Agency (in its reasonable discretion), necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any costs (including reasonable attorneys' fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 9.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the PILOT Payments or any other amounts payable by it under this Lease Agreement.

#### Section 9.3 Assignment and Subleasing.

(a) Subject to Sections 12.3 and 12.6 , this Lease Agreement may not be assigned, in whole or in part, and the Phase 2B Facility may not be subleased to any commercial tenant, in whole or in part (including successive generation commercial subleases) or used or occupied, without the prior written consent of the Agency, in each instance, which consent shall not be unreasonably withheld or delayed, but shall be subject to the dates of the Agency's board meetings, and which consent may be fully and effectively given by the execution and delivery of a Tenant Agency Compliance Agreement by an Authorized Representative of the Agency in substantially the form attached hereto as Exhibit I. Subject to Section 12.3, any assignment or commercial sublease shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder unless the Agency consents thereto, which consent shall not be unreasonably withheld or delayed subject to the dates of the Agency's board meetings and which consent shall be conditioned upon the Agency being indemnified and held harmless to its reasonable satisfaction;

(ii) the assignee or commercial sublessee (except in the case of a true sublessee in the ordinary course of business) shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or commercial sublease and the instrument of assumption;

(iv) neither the validity nor the enforceability of this Lease Agreement shall be adversely affected thereby;

(v) the Phase 2B Facility shall continue to constitute a “project” as such quoted term is defined in the Act, and, without limiting the generality of the foregoing, no assignment or sublease shall cause the Phase 2B Facility to be used in violation of Section 862(2)(a) of the Act; and

(vi) any sublessee will execute and deliver a Tenant Agency Compliance Agreement, satisfactory to the Agency in substantially the form attached hereto as Exhibit I;

(b) If the Agency shall so request, as of the purported effective date of any assignment or commercial sublease pursuant to subsection (a) of this Section 9.3, the Company at its sole cost and expense shall furnish the Agency with opinions, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to items (i), (ii), and (iv) above.

(c) In accordance with Section 862(1) of the Act, no assignment or commercial sublease shall cause the Phase 2B Facility to be occupied by an assignee or commercial sublessee whose occupancy would result in the removal of a facility or plant of the proposed assignee or commercial sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such assignee or commercial sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

(i) that such occupation of the Phase 2B Facility is reasonably necessary to discourage the proposed assignee or sublessee from removing such other plant or facility to a location outside the State, or

(ii) that such occupation of the Phase 2B Facility is reasonably necessary to preserve the competitive position of the proposed assignee or sublessee in its respective industry.

#### Section 9.4 Merger of Agency.

(a) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or the transfer of the Agency’s interest in the entire Phase 2B Facility to, any other public benefit corporation or political subdivision which has the legal authority to own and lease the Phase 2B Facility and to continue the tax benefits contemplated by the Transaction Documents, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and

conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Phase 2B Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall, upon request, furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 9.4(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

## ARTICLE X EVENTS OF DEFAULT AND REMEDIES

  - (vii) the dissolution or liquidation of the Company; or the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; or the commencement by the Company (as the debtor) of a case in bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor), wherein a court having jurisdiction in the premises enters a

decree or order for relief against the Company as the debtor, or such case or proceeding is consented to by the Company or remains un-dismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

(viii) an Event of Default under the Mortgage, if any, shall have occurred and be continuing, and the Lender, in its sole discretion, has directed the Agency in writing to declare an Event of Default under this Lease Agreement; or

(ix) a default by any commercial tenant under its respective Tenant Agency Compliance Agreement shall have occurred and be continuing beyond any applicable cure period, and the Company has not diligently commenced an action against such commercial tenant to evict and terminate its sublease.

(b) Notwithstanding the provisions of Section 10.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 3.4, 6.1 and 8.11 of this Lease Agreement, and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this Lease Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuation of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions or officials or any civil or military authority, insurrections, riots, epidemics, pandemics, governmentally imposed lockdowns relating to any epidemic or pandemic, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

Section 10.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may take, to the extent permitted by law and subject to the rights of any Lender pursuant to the terms of any Loan Documents, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 4.3(a) and (b) hereof, (B) all unpaid and past due PILOT Payments, (C) all due and owing Recaptured Benefits, and (D) all other payments due under this Lease Agreement; provided, however, that if an Event of Default specified in Section 10.1(a)(vii) hereof shall have occurred and be continuing, such installments of rent and other payments due under this Lease Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) terminate this Lease Agreement and the Company Lease, reconvey the Equipment to the Company and terminate the Sales Tax Exemption authorization after the applicable notice to the Company by the Agency following the occurrence of such Event of Default. The Agency shall have the right to execute appropriate lease termination documents with respect to the Phase 2B Facility and to place the same on record in the Suffolk County Clerk's office, at the sole cost and expense of the Company and in such event the Company waives delivery and acceptance of such lease termination documents and the Company hereby appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest), with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording of such lease termination documents; or

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, and to enforce the obligations, agreements and covenants of the Company under this Lease Agreement.

(b) No action taken pursuant to this Section 10.2 (including termination of this Lease Agreement) shall relieve the Company from its obligation to make all payments required by Sections 4.3 or 8.2 hereof or due and owing PILOT Payments under Section 5.1 hereof or Recaptured Benefits under Section 5.4 hereof.

Section 10.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right and power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Lease Agreement.

Section 10.4 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred.

Section 10.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI  
EARLY TERMINATION OF LEASE AGREEMENT  
OPTION IN FAVOR OF COMPANY

Section 11.1 Early Termination of Lease Agreement. The Company shall have the option, with the consent of the Lenders, to terminate this Lease Agreement at any time upon filing with the Agency and the Lenders a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section and stating the date upon which such payments required by Section 11.2 hereof shall be made (which date shall not be less than forty five (45) nor more than 90 days from the date such certificate is filed) and upon compliance with the requirements set forth in Section 11.2 hereof.

## ARTICLE XII LENDER PROVISIONS

Section 12.1 Subordination of Lease Agreement. This Lease Agreement and any and all modifications, amendments, renewals and extensions thereof (other than the Agency's Unassigned Rights) is subject and subordinate to any Mortgage, including, without limitation, the Building Loan Mortgage and the Project Loan Mortgage, which may be granted by the Company on the Phase 2B Facility or any portion thereof and to any and all modifications, amendments, consolidations, extensions, renewals, replacements and increases thereof. The Agency has approved and the Company has approved and executed and delivered the Building Loan Mortgage and the Project Loan Mortgage to the Lender securing the aggregate principal amount up to \$60,000,000.

Section 12.2 Mortgage and Pledge of Agency's Interests to Lender. The Agency shall at the request of, and at the sole cost and expense of, the Company (i) mortgage its interest in the Phase 2B Facility, and (ii) pledge and assign its rights to and interest in this Lease Agreement (other than Unassigned Rights) to the Lender as security for the payment of the principal of and interest on the Loan, in each case in accordance with the provisions attached hereto as Exhibit D. The Company hereby acknowledges and consents to such mortgage, pledge and assignment by the Agency. Notwithstanding the foregoing, all indemnities herein contained shall, subsequent to such mortgage, pledge and assignment, continue to run to the Agency for its benefit.

Section 12.3 Pledge of Company's Interest to Lender. The Company shall have the right to pledge and assign its rights to and interest in this Lease Agreement and the Plans and Specifications to any Lender as security for the payment of the principal of and interest on the Loan (as hereinafter defined). The Agency hereby acknowledges and consents to any such pledge and assignment by the Company.

Section 12.4 Making of Loans; Disbursement of Loan Proceeds. The Agency acknowledges that the Company may request one or more Lenders to make one or more loans to finance and refinance the costs of the acquisition of the Phase 2B Facility and/or the Project Work or to reimburse the Company for the cost of acquiring the Phase 2B Facility and/or the

Project Work (the “**Loan**”). Proceeds of such Loan shall be disbursed by such Lender in accordance with the provisions of the Mortgage or other related documentation applicable to such Loan.

Section 12.5 Notice to Lenders. Provided that the Agency shall have received the notice of the name and address of a Lender, the Agency agrees that simultaneously with its giving of any notice under this Lease Agreement, including without limitation, all notices of Event of Default under Section 11.1 hereof (each a “**Notice**”), it will send a copy of such Notice to each Lender. Each Notice shall be sent to each Lender in the manner provided herein at the address provided to the Agency by each Lender for such purpose. Each such Lender may change such address from time to time by written notice to the Agency in accordance herewith. The Agency shall reasonably cooperate with the Company in connection with the granting or modification by the Company of any Mortgage. Such cooperation shall include, without limitation, the execution and delivery of any mortgage and any other such loan documents and instruments in connection with a Mortgage as the Company or the Lender may reasonably request, provided that such documents and instruments shall contain the language set forth in Exhibit D attached hereto and made a part hereof. The Company shall perform or cause to be performed for and on behalf of the Agency, and at the Company’s sole cost and expense, each and every obligation of the Agency under and pursuant to such instruments.

Section 12.6 Right of Lenders to Cure Events of Default. The Lenders shall have the right, but not the obligation, to cure any Event of Default under this Lease Agreement within the same cure periods as are available to the Company. Upon the commencement of any remedies provided to the Lenders pursuant to the terms of the Mortgages or the Loan Documents, to the extent of the Agency’s interest in the Phase 2B Facility, the Agency may in its sole discretion, at the request of the Lender consent to the assignment and assumption of all of the Company’s rights, titles, interests, obligations and covenants under this Lease Agreement, to the Lenders or a designee of the Lenders, upon such terms, conditions and provisions as the Agency shall require. Such consent of the Agency shall not be unreasonably withheld or delayed or conditioned, but shall be subject to the dates of the Agency’s board meetings and shall be subject to all requirements of the Act. Such consent shall be subject to (i) all Events of Default under this Lease Agreement being timely cured to the satisfaction of the Agency, (ii) the Agency being indemnified and held harmless by the Lenders or their designee and the payments of all fees and expenses and of the Agency, including counsel fees, and (iii) compliance with all requirements of the Act. The foregoing shall not be construed to prohibit or limit the Agency’s exercise of any of its rights or remedies of the Agency under this Lease Agreement or the Act, including the right to terminate this Lease Agreement if any Event of Default hereunder is not timely cured to the Agency’s satisfaction.

Section 12.7 References to Lender, Loan or Mortgage. All references herein to Lender, Loan or Mortgage or other similar words, whether in the singular or the plural, may refer to one or more lenders, loans or mortgages, respectively, whether relating to a Loan outstanding at any given time, or in anticipation of future Loans to be made by future Lenders. Such references shall only be effective if such Loans have been made and are still outstanding. If such Loans are never made or have been repaid, such references shall not be of any force or effect.

(a) Neither the Phase 2B Facility nor, to the best of Company's knowledge, any property adjacent to or within the immediate vicinity of the Phase 2B Facility is being or has been used in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, production or disposal of any Hazardous Substance or as a landfill or other waste management or disposal site or for military, manufacturing or industrial purposes or for the storage of petroleum or petroleum based products.

(b) Underground storage tanks are not and have not been located on the Phase 2B Facility.

(e) All Environmental Permits necessary for the Project Work and the ownership, use or operation of the Phase 2B Facility have been obtained and are in full force and effect.

(f) No event has occurred with respect to the Phase 2B Facility which, with the passage of time or the giving of notice, or both, would constitute a violation of or non-compliance with any applicable Environmental Law or Environmental Permit.

(g) There are no agreements, consent orders, decrees, judgments, license or permit conditions or other orders or directives of any federal, state or local court, governmental agency or authority relating to the past, present or future construction, renovation, equipping, ownership, use, operation, sale, transfer or conveyance of the Phase 2B Facility which require any change in the present condition of the Phase 2B Facility or any work, repairs, construction, containment, clean up, investigations, studies, removal or remedial action or capital expenditures in order for the Phase 2B Facility to be in compliance with any applicable Environmental Law or Environmental Permit.

(h) There are no actions, suits, claims or proceedings, pending or threatened, which could cause the incurrence of expenses or costs of any name or description or which seek money damages, injunctive relief, remedial action or remedy that arise out of, relate to or result from (i) conditions of the Environment at, on or in the vicinity of the Phase 2B Facility, (ii) a violation or alleged violation of any applicable Environmental Law or non-compliance or alleged non-compliance with any Environmental Permit with respect to the Phase 2B Facility, (iii) the presence of any Hazardous Substance or a Release or the threat of a Release of any Hazardous Substance on, at or from the Phase 2B Facility or any property adjacent to or within the immediate vicinity of the Phase 2B Facility or (iv) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Phase 2B Facility, the Project Work or the ownership, use, operation, sale, transfer or conveyance of the Phase 2B Facility.

Section 13.2 Environmental Covenants of the Company. The Company hereby covenants and agrees with the Agency as follows:

(a) The Company shall perform the Project Work and use, operate and manage the Phase 2B Facility in accordance with all applicable Environmental Laws and Environmental Permits, and shall cause all operators, tenants, subtenants, licensees and occupants of the Phase 2B Facility to perform the Project Work and to use, operate and manage the Phase 2B Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Phase 2B Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or Disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits.

(b) The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Phase 2B Facility to obtain and comply with, all Environmental Permits, if any.

(c) The Company shall not cause or permit any change to be made in the present or intended Project Work or use or operation of the Phase 2B Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the Project Work or use or operation of the Phase 2B Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Law, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance.

(d) The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to conditions of the Environment at or in the vicinity of the Phase 2B Facility, any past or present Release or the threat of a Release of any Hazardous Substance on, at or from the Phase 2B Facility or any property adjacent to or within the immediate vicinity of the Phase 2B Facility. If the Company receives or becomes aware of any such notification which is not in writing or otherwise capable of being copied, the Company

shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. Furthermore, upon the Company's discovery thereof, the Company shall promptly advise the Agency in writing of: (i) the presence of any Hazardous Substance on, under or about the Phase 2B Facility of which the Agency has not previously been advised in writing; (ii) any remedial action taken by, or on behalf of, the Company in response to any Hazardous Substance on, under or about the Phase 2B Facility or to any environmental proceedings of which the Company has not previously been advised in writing; and (iii) the occurrence or condition on any real property adjoining or in the vicinity of the Phase 2B Facility that could reasonably be expected to cause the Phase 2B Facility or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Phase 2B Facility under any Environmental Law. The Company shall also provide the Agency with copies of all reports, analyses, notices, licenses, approvals, orders, correspondences or other written materials in its possession or control relating to the condition of the Environment at the Phase 2B Facility or real property or bodies of water adjoining or in the vicinity of the Phase 2B Facility or environmental proceedings promptly upon receipt, completion or delivery of such materials.

(e) The Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Phase 2B Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. All remedial work shall be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the remedial work approved by any public or private agencies or persons with a legal or contractual right to such approval, (iii) with such insurance coverage pertaining to liabilities arising out of the remedial work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. In addition, the Company shall submit, or cause to be submitted, to the Agency, promptly upon receipt or preparation, copies of any and all reports, studies, analyses, correspondence, governmental comments or approvals, proposed removal or other remedial work contracts and similar information prepared or received by or on behalf of the Company in connection with any remedial work, or Hazardous Substances relating to the Phase 2B Facility. All costs and expenses of such remedial work shall be paid by or on behalf of the Company, including, without limitation, the charges of the remedial work contractors and the consulting environmental engineer, any taxes or penalties assessed in connection with the remedial work and the Agency's out-of-pocket costs incurred in connection with monitoring or review of such remedial work. The Agency shall have the right but not the obligation to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any environmental proceedings.

(f) If at any time the Agency obtains any notice or information that the Company or the Phase 2B Facility, or the use or operation thereof or the Project Work may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Phase 2B Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Phase 2B Facility, a records

search, a visual inspection of any property adjacent to or within the immediate vicinity of the Phase 2B Facility, personnel interviews, review of all Environmental Permits and the conducting of scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Phase 2B Facility in violation of any applicable law, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, clean-up and other remedial actions required by any Environmental Law, in accordance with Section 13.2(e) above. The Company hereby consents to the Agency notifying any party under such circumstances of the availability of any or all of the environmental reports and the information contained therein. The Company further agrees that the Agency may disclose such environmental reports to any governmental agency or authority if they reasonably believe that they are required to disclose any matter contained therein to such agency or authority; provided that the Agency shall give the Company at least forty-eight (48) hours prior written notice before so doing. The Company acknowledges that the Agency cannot control or otherwise assure the truthfulness or accuracy of the environmental reports, and that the release of the environmental reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Phase 2B Facility may have a material and adverse effect upon the amount which a party may bid at such sale. The Company agrees that the Agency shall not have any liability whatsoever as a result of delivering any or all of the environmental reports or any information contained therein to any third party if done in good faith, and the Company hereby releases and forever discharges the Agency from any and all claims, damages, or causes of action arising out of, connected with or incidental to the delivery of environmental reports.

Section 13.3 Survival Provision. Notwithstanding anything to the contrary contained herein, the representations, warranties, covenants and indemnifications of the Company contained in this Article XIII shall survive any termination, conveyance, assignment, subleasing or defeasance of any right, title or interest of the Company in and to the Phase 2B Facility or in, to or under this Lease Agreement.

#### Non-Recourse and Hold Harmless Provisions to be included in the Lender's Mortgage

Section \_\_\_\_\_. No Recourse Against Agency. The general credit of the Agency is not obligated or available for the payment of this Mortgage. The Mortgagee will not look to the Agency or any principal, member, director, officer or employee of the Agency with respect to the indebtedness evidenced by this Mortgage or any covenant, stipulation, promise, agreement or obligation contained herein. In enforcing its rights and remedies under this Mortgage, the Mortgagee will look solely to the mortgaged premises and/or the Company for the payment of the indebtedness secured by this Mortgage and for the performance of the provisions hereof. The Mortgagee will not seek a deficiency or other money judgment against the Agency or any principal, member, director, officer or employee of the Agency and will not institute any separate action against the Agency by reason of any default that may occur in the performance of any of the terms and conditions of this Mortgage or the Loan Documents. This agreement on the part of the Mortgagee shall not be construed in any way so as to effect or impair the lien of this Mortgage or the Mortgagee's right to foreclose hereunder as provided by law or construed in any way so as to limit or restrict any of the rights or remedies of the Mortgagee in any foreclosure proceedings or other enforcement of payment of the indebtedness secured hereby out of and from the security given therefor. All covenants, stipulations, promises, agreements and obligations are the Agency's and not of any member, director, officer, employee or agent (except the Company) of the Agency in his or her individual capacity, and no recourse shall be had for the payment of the principal of any debt or interest thereon or for any claim based thereon or hereunder against any member, director, officer, employee or agent (except the Company) of the Agency or any natural person executing this Mortgage on behalf of the Agency. No covenant contained herein shall be deemed to constitute a debt of the State of New York or the Town of Brookhaven, Suffolk County and neither the State of New York nor the Town of Brookhaven, Suffolk County shall be liable on any covenant contained herein, nor shall any obligations hereunder be payable out of any funds of the Agency.

Section \_\_\_\_\_. Hold Harmless Provisions. The Company agrees that the Agency, its directors, members, officers, agents (except the Company) and employees shall not be liable for and agrees to defend, indemnify, release and hold the Agency, its director, members, officers, agents (except the Company) and employees harmless from and against any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Phase 2B Facility or arising by reason of or in connection with the use thereof or under this Mortgage, or (ii) liability arising from or expense incurred by the Project Work or the Agency's acquiring, owning and leasing of the Phase 2B Facility, including without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its covenants contained herein and all causes of action and reasonable attorneys' fees (whether by reason of third party claims or by reason of

the enforcement of any provision of the Mortgage (including, without limitation, this Section)) and any other expenses incurred in defending any claims, suits or actions which may arise as a result of the foregoing, provided that any such losses, damages, liabilities or expenses of the Agency are not incurred or do not result from the gross negligence or intentional or willful wrongdoing of the Agency or any of its directors, members, officers, agents (except the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its members, directors, officers, agents, or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this Mortgage, the obligations of the Company pursuant to this Section \_\_\_ shall remain in full force and effect after the termination of this Mortgage until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all reasonable expenses and charges incurred by the Agency, or its respective members, directors, officers, agents (except the Company) and employees, relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the Agency or its members, directors, officers, agents (except the Company) or employees by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

Section \_\_\_. Recordation of Mortgage. The Agency covenants that it will record or cause this Mortgage to be duly recorded in all offices where recordation thereof is necessary.

Section \_\_\_. Termination of Lease Agreement. (Hawkins Ave Development RHP2-B, LLC 2024 Facility - Ronk Hub  
Phase 2B)

Ladies and Gentlemen:

The Town of Brookhaven Industrial Development Agency (the “Agency”), by this notice, hereby advises you as follows:

1. Pursuant to a certain Phase 2B Facility Lease and Project Agreement, dated as of June 26, 2024 (the “Lease Agreement”), between the Agency and Hawkins Ave Development RHP2-B, LLC, a limited liability company duly organized and validly existing under the laws of the State of Delaware and qualified to transact business in the State of New York, having an address at 9 Hawkins Avenue, Suite 3500, Ronkonkoma, New York 11779 (the “Company”), the Agency has authorized the Company to act as its agent in connection with the Phase 2B Facility described therein located at the Eligible Location described above. Certain capitalized terms used herein and not defined shall have the respective meanings given to such terms in the Lease Agreement.

2. Upon the Company’s request, the Agency has appointed [**insert name of Agent**] (the “Agent”), pursuant to this Sales Tax Agent Authorization Letter (the “Sales Tax Agent Authorization Letter”) to act as the Agency’s agent for the purpose of effecting purchases exempt from sales or use tax in accordance with the terms, provisions of this Sales Tax Agent Authorization Letter and the Lease Agreement. **The Agent should review the definitions of Eligible Items and Ineligible Items in Schedule A hereto with respect to the scope of Sales Tax Exemption provided under the Lease Agreement and hereunder.**

3. The effectiveness of the appointment of the Agent as an agent of the Agency is expressly conditioned upon the execution by the Agency of New York State Department of Taxation and Finance Form ST-60 “IDA Appointment of Project Operator or Agent” (“Form ST-60”) to evidence that the Agency has appointed the Agent as its agent (the form of which is to be

completed by Agent and the Company). Pursuant to the exemptions from sales and use taxes available to the Agent under this Sales Tax Agent Authorization Letter, the Agent shall avail itself of such exemptions when purchasing eligible materials and services in connection with the Phase 2B Facility and shall not include such taxes in its contract price, bid or reimbursable costs, as the case may be.

4. The Agent acknowledges that the executed Form ST-60 shall not serve as a sales or use tax exemption certificate or document. No agent or project operator may tender a copy of the executed Form ST-60 to any person required to collect sales tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. **THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED IN THE TAX LAW. IN ADDITION, THE USE BY AN AGENT, THE COMPANY, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY-EIGHT AND THIRTY-SEVEN OF THE TAX LAW, THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.**

5. As agent for the Agency, the Agent agrees that it will present to each seller or vendor a completed and signed **NYSDTF Form ST-123 “IDA Agent or Project Operator Exempt Purchase Certificate”** or such additional or substitute form as is adopted by NYSDTF for use in completing purchases that are exempt from Sales and Use Taxes (“Form ST-123”) for each contract, agreement, invoice, bill or purchase order entered into by the Agent, as agent for the Agency, for the construction, repair and equipping of the Phase 2B Facility. Form ST-123 requires that each seller or vendor accepting Form ST-123 identify the Phase 2B Facility on each bill and invoice and indicate on the bill or invoice that the Agency or Agent or Company, as project operator of the Agency, was the purchaser. For the purposes of indicating who the purchaser is, each bill or invoice should state, “I, [Company/Agent], certify that I am duly appointed agent of the Town of Brookhaven Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the Hawkins Ave Development RHP2-B, LLC 2024 Facility - Ronk Hub Phase 2B located at the Land Bounded by Railroad Avenue, Hawkins Avenue, Union Street and Garrity Avenue, Ronkonkoma, Suffolk County, New York, IDA Project Number 4702-24-2A.” The Agent shall complete Form ST-123 as follows: (i) the “Project information” section of Form ST-123 should be completed using the name and address of the Phase 2B Facility as indicated on the Form ST-60 used to appoint the Agent; (ii) the date that the Agent was appointed as an agent should be completed using the date of the Agent’s Sales Tax Agent Authorization Letter; and (iii) the “Exempt purchases” section of Form ST-123 should be completed by marking “X” in box “A” only.

6. The Agent agrees to comply with the terms and conditions of the Lease Agreement. The Agent must retain for at least six (6) years from the date of expiration of its contract copies of (a) its contract with the Company to provide services in connection with the Phase 2B Facility, (b) all contracts, agreements, invoices, bills or purchases entered into or made by such Agent using the Letter of Authorization for Sales Tax Exemption, and (c) the executed Form ST-60 appointing the Agent as an agent of the Agency, and shall make such records

available to the Agency upon reasonable notice. This provision shall survive the expiration or termination of this Sales Tax Agent Authorization Letter.

7. In order to assist the Company in complying with its obligation to file New York State Department of Taxation and Finance Form ST-340 “Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority” (“Form ST-340”), the Agent covenants and agrees that it shall file semi-annually with the Company and the Agency (no later than January 15th and July 15th of each calendar year in which it has claimed sales and use tax exemptions in connection with the Phase 2B Facility) a written statement of all sales and use tax exemptions claimed by such Agent for the preceding six-month period (ending on June 30th or December 31st, as applicable) in connection with the Phase 2B Facility by completing and submitting to the Company and the Agency the **Sales Tax Registry** attached hereto as **Schedule B**. If the Agent fails to comply with the foregoing requirement, the Agent shall immediately cease to be the agent for the Agency in connection with the Phase 2B Facility (such agency relationship being deemed to be immediately revoked) without any further action of the parties, the Agent shall be deemed to have automatically lost its authority to make purchases as agent for the Agency, and shall desist immediately from all such activity.

8. The Agent agrees that if it fails to comply with the requirements for sales and use tax exemptions, as described in this Sales Tax Agent Authorization Letter, it shall pay any and all applicable Company Sales Tax Savings and any interest and penalties thereon. This provision shall survive the expiration or termination of this Sales Tax Agent Authorization Letter.

9. **Special Provisions Relating to State Sales Tax Savings.**

(a) The Agent covenants and agrees to comply, and to cause each of its contractors, subcontractors, persons or entities to comply, with the requirements of General Municipal Law Sections 875(1) and (3) (the “Special Provisions”), as such provisions may be amended from time to time. In the event of a conflict between the other provisions of this Sales Tax Agent Authorization Letter or the Lease Agreement and the Special Provisions, the Special Provisions shall control.

(b) The Agent acknowledges and agrees that pursuant to General Municipal Law Section 875(3) the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Agent State Sales Tax Savings taken or purported to be taken by the Agent or any other person or entity acting on behalf of the Agent to which Agent or the Company is not entitled or which are in excess of the Maximum Company Sales Tax Savings Amount or which are for property or services not authorized or taken in cases where the Company, any Agent or any other person or entity acting on behalf of the Company or the Agent failed to comply with a material term or condition to use property or services in the manner required by this Sales Tax Agent Authorization Letter or the Lease Agreement. The Company shall, and shall require each Agent and any other person or entity acting on behalf of the Company, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such State Sales Tax Savings and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the Commissioner of the New York State Department of Taxation and Finance (the “Commissioner”) to assess and

determine State Sales and Use Taxes due from the Company under Article Twenty-Eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

10. Subject to the provisions of Section 9 hereof, in the event that the Agent shall utilize the Sales Tax Exemption in violation of the provisions of the Lease Agreement or this Sales Tax Agent Authorization Letter, the Agent shall promptly deliver notice of same to the Company and the Agency, and the Agent shall, upon demand by the Agency, pay to or at the direction of the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the rate of twelve percent (12%) per annum compounded daily from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was availed of by the Agent.

11. Upon request by the Agency with reasonable notice to the Agent, the Agent shall make available at reasonable times to the Agency all such books, records, contracts, agreements, invoices, bills or purchase orders of the Agent, and require all appropriate officers and employees of the Agent to respond to reasonable inquiries by the Agency as shall be necessary (y) to indicate in reasonable detail those costs for which the Agent shall have utilized the Sales Tax Exemption and the dates and amounts so utilized, and (z) to permit the Agency to determine any amounts owed by the Agent under Section 10.

12. By execution of this Sales Tax Agent Authorization Letter, the Agent agrees to accept the terms hereof and represent and warrant to the Agency that the use of this Sales Tax Agent Authorization Letter by the Agent is strictly for the purposes stated herein.

13. The Agent acknowledges that this Sales Tax Agent Authorization Letter will terminate on the date (the "Termination Date") that is the earlier of (i) the Expiration Date referred to above, and (ii) the expiration or termination of the Lease Agreement. Upon the Termination Date, the agency relationship between the Agency and the Agent shall terminate.

Section 3.4 Qualification as Project.

(a) The Tenant will not take any action, or fail to take any action, which action or failure to act would cause the Phase 2B Facility not to constitute a "project" as such quoted term is defined in the Act. Without limiting the generality of the foregoing, the Tenant will in no event use the Demised Premises in such a way as to cause or permit the Phase 2B Facility to be used in violation of Section 862(2)(a) of the Act.

(b) The occupation of the Demised Premises has not and will not result in the removal of a facility or plant of the Tenant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Tenant located within the State.

Section 3.5 Tenant to Maintain Its Existence. The Tenant agrees that during the Lease Term it will maintain its existence, will not dissolve, liquidate or otherwise dispose of substantially all of its assets, and will not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it.

The provisions of this Section shall be in addition to any and all other obligations and liabilities the Tenant may have to the Agency at common law and shall survive the transactions contemplated herein.

(c) Notwithstanding the provisions of subsections (a) and (b) above, the Tenant may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Tenant may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Tenant that, by failure to comply with such requirement or requirements, the Phase 2B Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Tenant shall promptly take such action with respect thereto or provide such security as shall be reasonably satisfactory to the Agency. If at any time the then existing use or occupancy of the Demised Premises shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Tenant shall use reasonable efforts not to cause or permit such use or occupancy by the Tenant to be discontinued without the prior written consent of the Agency, which consent shall not be unreasonably withheld.

(d) Notwithstanding the provisions of this Section, if, because of a breach or violation of the provisions of subsection (a) or (b) above (without giving effect to subsection (c)), the Agency or any of its members, directors, officers, agents or employees shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Tenant shall immediately provide legal protection or pay an amount or post a bond in an amount necessary, in the opinion of the Agency and of its members, directors, officers, agents and employees, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(e) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, reasonable attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses, shall be paid by the Tenant.

Section 3.7 Agreement to Provide Information. Annually, the Tenant shall provide the Agency with a certified statement and documentation (i) enumerating the FTE jobs, by category, retained and/or created at the Phase 2B Facility as a result of the Agency's financial assistance and (ii) indicating the fringe benefits and salary averages or ranges for such categories of FTE

The Tenant covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Demised Premises to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300), as superseded by the Workforce Innovation and Opportunity Act (PL. 113-128), in which the Phase 2B Facility is located (collectively, the “**Referral Agencies**”). The Tenant also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.<sup>2</sup>

Section 3.9 Subleasing.

(a) In accordance with Section 862(1) of the Act, the Demised Premises shall not be occupied by a sublessee whose tenancy would result in the removal of a facility or plant of the proposed sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

- (i) that such occupation of the Demised Premises is reasonably necessary to discourage the proposed sublessee from removing such other plant or facility to a location outside the State, or
- (ii) that such occupation of the Demised Premises is reasonably necessary to preserve the competitive position of the proposed sublessee in its respective industry.

(b) The Tenant may not assign the Tenant Lease Agreement or sub-sublease the Demised Premises without the prior written consent of the Agency. Any assignment or sub-sublease shall conform with the restrictions and requirements set forth in Section 9.3 of the Lease Agreement.
