WHEREAS, the Agency proposes to deviate from the Policy because the Phase 2A Facility and the requested additional financial assistance will encourage the Phase 2A Company to remain in the Town of Brookhaven and to provide additional jobs for the residents of the Town of Brookhaven and the project would not be economically viable without the proposed abatement of real property taxes; and

WHEREAS, in connection with the abatement of real property taxes as set forth in the PILOT Schedule on Exhibit A hereof, the current pro-rata allocation of PILOT payments to each affected tax jurisdiction in accordance with Section 858(15) of the Act and the estimated difference between the real property taxes on the Facility and the PILOT payments set forth on the PILOT Schedule on Exhibit A hereof are more fully described in the Cost Benefit Analysis (“**CBA**”) developed by the Agency in accordance with the provisions of Section 859-a(5)(b) of the Act, a copy of which CBA is attached hereto as Exhibit B; and

WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Phase 2A Facility and to advance the job

opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, the Agency has given due consideration to the application of the Phase 2A Company and to representations by the Phase 2A Company that the proposed Phase 2A Facility is either an inducement to the Phase 2A Company to maintain and expand the Phase 2A Facility in the Town of Brookhaven or is necessary to maintain the competitive position of the Phase 2A Company in its industry; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively, the “**SEQR Act**” or “**SEQR**”), the Agency constitutes a “State Agency”; and

WHEREAS, the Phase 2A Facility is part of a larger Action, specifically, the TOD; and

WHEREAS, the Town Board of the Town of Brookhaven (the “**Town Board**”) determined that the Action is an “Type I Action” for SEQR purposes, coordinated review with all potential Involved Agencies, and requested to act as Lead Agency for purposes of review of the Action under SEQR; and

WHEREAS, no Involved Agency objected to the Town Board, acting as Lead Agency for purposes of review of the Phase 2A Facility under SEQR, and therefore, the Town Board, was the Lead Agency; and

WHEREAS, the Town Board, following a coordinated review, adopted a positive declaration on September 1, 2010; and

WHEREAS, the Town Board accepted a Draft Generic Environmental Impact Statement (“**DGEIS**”) on September 21, 2010; and

WHEREAS, the Town Board held a public hearing on the Action, and the Town Board accepted written comments; and

WHEREAS, subsequent revisions to the scope of the development were proposed, therefore requiring the preparation of a Draft Supplemental Generic Environmental Impact Statement (“**DSGEIS**”), which DSGEIS was accepted by the Town Board on November 12, 2013; and

WHEREAS, on January 9, 2014, a public hearing was held on the DSGEIS, at which time all interested parties were given an opportunity to be heard; and

WHEREAS, the public comment period on the DSGEIS was closed on February 10, 2014; and

WHEREAS, on May 2, 2014, the Town Board accepted the Final Generic Environmental Impact Statement (“**FGEIS**”); and

WHEREAS, the Town Board issued its Lead Agency findings statement on June 24, 2014 (the “**Findings Statement**”); and

WHEREAS, as an Involved Agency, the Agency must make its own findings under SEQR prior to funding, undertaking, or approving an Action; and

WHEREAS, the Agency has reviewed the Requisite Materials and the documents incorporated by reference therein, as well as such other documents as the Agency felt it necessary or appropriate to examine to adequately review the proposed Action; and

WHEREAS, by resolution dated September 17, 2014, as amended on November 18, 2015 (collectively, the “**Inducement Resolution**”), the Agency determined that the Findings Statement attached to the Inducement Resolution as Exhibit A accurately and adequately examines environmental issues presented by the Action; and

WHEREAS, the Phase 2A Company has agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the sub-subleasing, subleasing and leasing of the Facility by the Agency to the Company.

NOW, THEREFORE, BE IT RESOLVED by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. The Agency hereby finds and determines:

(a) The Action is a Type 1 Action pursuant to SEQR.

(b) The Agency’s jurisdiction over the Facility is the provision of financial and other assistance as authorized under Article 18-A of the General Municipal Law of the State of New York and Chapter 1030 of the Laws of 1969 of the State of New York; together with Chapter 358 of the Laws of 1970 of the State of New York for certain components of the Action.

(c) Based upon an independent review by the Agency of the DGEIS, DSGEIS, FGEIS, and the Lead Agency’s Findings Statement, the Agency hereby concurs in the Lead Agency’s findings and decisions contained in the Findings Statement and hereby adopts the Findings Statement attached to the Inducement Resolution as Exhibit A as its own Findings Statement under SEQR.

(d) Having considered the DGEIS, DSGEIS, FGEIS, the Findings Statement, and such other documents as may be necessary or appropriate, the Agency certifies that:

(i) The requirements of 6 NYCRR Part 617 have been met;

(ii) Consistent with the social, economic and other essential considerations, from among the reasonable alternatives thereto, the Action is one which minimizes or avoids adverse environmental effects to the maximum extent

practicable, including effects disclosed in the DGEIS, DSGEIS, FGEIS, and the Findings Statement; and

(iii) Consistent with social, economic, and other essential considerations, to the maximum extent practicable, adverse environmental effects revealed in the DGEIS, DSGEIS, FGEIS, and the Findings Statement will be minimized or avoided by incorporating as conditions those mitigative measures which were identified as practicable.

(e) The basis for this decision is set forth in the Findings Statement attached to the Inducement Resolution as Exhibit A and incorporated by reference herein, and thus all of the provisions of SEQR have been complied with.

Section 2. The Agency hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Phase 2A Facility constitutes a “project”, as such term is defined in the Act; and

(c) The acquisition, construction and equipping of the Phase 2A Facility and the leasing of the Phase 2A Facility to the Phase 2A Company, will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Brookhaven, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(d) The acquisition, construction and equipping of the Phase 2A Facility is reasonably necessary to induce the Phase 2A Company to maintain and expand its business operations in the State of New York; and
