CONSTRUCTION WAGE POLICY

EFFECTIVE January 1, 2005

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;
- (2) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program;

OR

- (3) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.

SCHEDULE C

RECAPTURE AND TERMINATION POLICY

EFFECTIVE JUNE 8, 2016

Pursuant to Sections 874(10) and (11) of Title 1 of Article 18-A of the New York State General Municipal Law (the "Act"), the Town of Brookhaven Industrial Development Agency (the "Agency") is required to adopt policies (i) for the discontinuance or suspension of any financial assistance provided by the Agency to a project or the modification of any payment in lieu of tax agreement and (ii) for the return of all or part of the financial assistance provided by the Agency to a project. This Recapture and Termination Policy was adopted pursuant to a resolution enacted by the members of the Agency on June 8, 2016.

I. Termination or Suspension of Financial Assistance

The Agency, in its sole discretion and on a case-by-case basis, may determine (but shall not be required to do so) to terminate or suspend the Financial Assistance (defined below) provided to a project upon the occurrence of an Event of Default, as such term is defined and described in the Lease Agreement entered into by the Agency and a project applicant (the "Applicant") or any other document entered into by such parties in connection with a project (the "Project Documents"). Such Events of Default may include, but shall not be limited to, the following:

- 1) Sale or closure of the Facility (as such term is defined in the Project Documents);
- 2) Failure by the Applicant to pay or cause to be paid amounts specified to be paid pursuant to the Project Documents on the dates specified therein;
- 3) Failure by the Applicant to create and/or maintain the FTEs as provided in the Project Documents;
- 4) A material violation of the terms and conditions of the Project Agreements; and
- 5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The decision of whether to terminate or suspend Financial Assistance and the timing of such termination or suspension of Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and shall be subject to the notice and cure periods provided for in the Project Documents.

For the purposes of this policy, the term "Financial Assistance" shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency's participation in the transaction contemplated by the Project Agreements including, but not limited to:

- (i) any exemption from any applicable mortgage recording tax with respect to the Facility on mortgages granted by the Agency on the Facility at the request of the Applicant;

- (ii) sales tax exemption savings realized by or for the benefit of the Applicant, including and savings realized by any agent of the Applicant pursuant to the Project Agreements in connection with the Facility; and
- (iii) real property tax abatements granted under the Project Agreements.

II. Recapture of Financial Assistance

The Agency, in its sole discretion and on a case-by-case basis, may determine (but shall not be required to do so) to recapture all or part of the Financial Assistance provided to a project upon the occurrence of a Recapture Event, as such term is defined and described in the Project Documents. Such Recapture Events may include, but shall not be limited to the following:

- 1) Sale or closure of the Facility (as such term is defined in the Project Documents);
- 2) Failure by the Applicant to pay or cause to be paid amounts specified to be paid pursuant to the Project Documents on the dates specified therein;
- 3) Failure by the Applicant to create and/or maintain the FTEs as provided in the Project Documents;
- 4) A material violation of the terms and conditions of the Project Agreements; and
- 5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The timing of the recapture of the Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and is subject to the notice and cure periods provided for in the Project Documents. The percentage of such Financial Assistance to be recaptured shall be determined by the provisions of the Project Documents.

All recaptured amounts of Financial Assistance shall be redistributed to the appropriate affected taxing jurisdiction, unless agreed to otherwise by any local taxing jurisdiction.

For the avoidance of doubt, the Agency may determine to terminate, suspend and/or recapture Financial Assistance in its sole discretion. Such actions may be exercised simultaneously or separately and are not mutually exclusive of one another.

III. Modification of Payment In Lieu of Tax Agreement

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements. The amount of such adjustments shall be determined by the provisions of the Project Documents.

SCHEDULE D

Agency Payment in Lieu of Taxes (PILOT) Policy

An annual fee of \$1,000 will be due to the Agency in addition to the PILOT payment to cover ongoing costs incurred by the Agency on behalf of the project.

1. The Town of Brookhaven Industrial Development Agency (IDA) may grant, or be utilized to obtain a partial or full real property tax abatement for a determined period which can be as long as ten years. To be eligible for this abatement there would be a requirement of new construction, or renovation, and a transfer of title of the real property to the Town of Brookhaven IDA.
2. The Chief Executive Officer (CEO) or their designee shall consult with the Town Assessor to ascertain the amounts due pursuant to each PILOT Agreement. Thereafter, the PILOT payment for each project shall be billed to the current lessees. The lessees can pay the PILOT payment in full by January 31st of each year, or in two equal payments due January 31st and May 31st of each year of the PILOT Agreement. The CEO or their designee shall send all PILOT invoices to the lessees on a timely basis.
3. The Town of Brookhaven IDA shall establish a separate, interest bearing bank account for receipt and deposit of all PILOT payments. The CEO or their designee shall be responsible for depositing and maintaining said funds with input from the Chief Financial Officer (CFO).
4. The CEO or their designee shall remit PILOT payments and penalties if any, to the respective taxing authorities in the proportionate amounts due to said authorities. These remittances shall be made within thirty (30) days of receipt of the payments to the Agency.
5. Payments in lieu of taxes which are delinquent under the agreement shall be subject to a late payment penalty of five percent (5%) of the amount due. For each month, or part thereof, that the payment in lieu of taxes is delinquent beyond the first month, interest shall on the total amount due plus a late payment penalty in the amount of one percent (1%) per month until the payment is made.
6. If a PILOT payment is not received by **January 31st of any year or May 31st** of the second half of the year the lessee shall be in default pursuant to the PILOT Agreement. The Agency may give the lessee notice of said default. If the payment is not received within thirty (30) days of when due, the CEO shall notify the Board, and thereafter take action as directed by the Board.
7. The CEO shall maintain records of the PILOT accounts at the Agency office.
8. Nothing herein shall be interpreted to require the Agency to collect or disburse PILOT payments for any projects which are not Agency projects.

9. Should the Applicant fail to reach employment levels as outlined in their application to the Agency, the Board reserves the right to reduce or suspend the PILOT Agreement, declare a default under the Lease or the Installment Sale Agreement, and/or convey the title back to the Applicant.
10. This policy has been adopted by the IDA Board upon recommendation of the Governance Committee and may only be amended in the same manner.
