In regard to our recent conversation regarding our application, we would like to update the applicant name from UI, Digital, Inc. to UI, Supplies Inc. so that our building loan matches the applicant as it should. Both companies will be tenants of the property under one joint lease. We look at both companies together when we talk about the success and growth of our NY facility.

The UniNet group of companies spreads across many countries, however there is no "Parent company". Instead each company is completely independent, but there is common ownership of the companies by Nestor Saporiti who retains a minimum 51% ownership in all entities. We have partners throughout the world who are experts in the local culture and can oversee each of the operations.

Below is the "structure" of each of the entities:

In California we have the Corporate HQ of UniNet Imaging, Inc. This is a wholly owned company by Nestor and is the main "buyer" and importer of all the toner products. This company then "resells" it's products to all of his other companies around the world, retaining some profit for overhead, R&D, and marketing efforts but overall each of the smaller companies benefit greatly from the consolidated buying we do in California.

In NY, we have two companies:

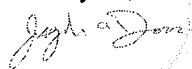

UI Supplies, Inc – Wholly owned by Nestor Saporiti and in business 25+ years selling toner cartridge supplies to the remanufacturing industry. UI, Supplies, Inc is the largest customer of UniNet Imaging Inc.

UI Digital, Inc. – 90% owned by Nestor Saporiti, 10% by Joseph Dovi. This company was setup to support the declining sales of UI Supplies, Inc. It's primary focus is to manufacture and distribute our brand of iColor printers to the label and textile industry.

Other entities around the world where Nestor has whole or partial ownership are: UniNet Europe, Philippines, Thailand, Columbia, Argentina, Peru, Venezuela, Brazil, Mexico. These companies are primarily in the toner business, however like UI Supplies, they have all now branched off iColor divisions to supplement the toner business.

Lastly, to clarify the occupancy statistics of the new facility, we expect to breakdown to look like this below. 15,860 sf broken up as follows: 10,817sf for UI Supplies (UI Digital can cosign the lease or be a subtenant, either way will work for us), 1,681sf for Mike's Pools, and 3,362sf unknown until we find a tenant for that space.

Thank you,

SCHEDULE B

CONSTRUCTION WAGE POLICY EFFECTIVE January 1, 2005

The purpose of the Brookhaven IDA is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in the Town.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Town of Brookhaven IDA for application for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of \$5,000,000.00 per site received after January 1, 2005. Non-profit corporations and affordable housing projects are exempt from the construction wage policy.

Any applicant required to adhere to this policy shall agree to:

- (1) Employ 90% of the workers for the project from within Nassau or Suffolk Counties. In the event that this condition cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure to comply and;
- (2) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program;

OR

- (3) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in the best interests of the Town of Brookhaven.

III. Modification of Payment In Lieu of Tax Agreement

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements.
