WHEREAS, pursuant to a resolution, dated November 28, 2022, the Lead Agency determined that the Action in connection with the Facility (the “Action”), is a Type 1 Action for SEQR purposes; and

WHEREAS, this determination constitutes a negative declaration for purposes of SEQR and is binding on the Agency; and

WHEREAS, the Agency has reviewed the Questionnaire and such other documents as the Agency felt it necessary or appropriate to examine to adequately review the proposed Action; and

NOW, THEREFORE, BE IT RESOLVED by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. Based upon the EAF completed by the Company and other representations and information furnished regarding the Action, the Lead Agency, following coordinated review, determined that, based upon its review of the EAF, the appropriate criteria for determination of significance, and such other and further information which the Lead Agency felt necessary to review the Action, that the Action would not have a “significant effect” on the environment and,

therefore, an environmental impact statement will not be prepared. This determination constitutes a negative declaration for purposes of SEQR and is binding on the Agency.

Section 2. The Agency hereby makes its findings and determination of the Facility as Follows:

(a) There is a lack of distribution, manufacturing and warehouse space in the Town of Brookhaven;

(b) Distribution, manufacturing and warehouse space is needed in the Town of Brookhaven in order to allow local businesses to track inventory, centralize products, ensure safe storage of items, and fulfill orders, and otherwise benefit the economic health and well-being of the business of the Town of Brookhaven, employers, and the tax base of the Town of Brookhaven, increase the economic health and well-being of the residents of the Town of Brookhaven, help preserve and increase permanent private sector jobs in furtherance of the Agency's public purposes as set forth in the Act, and therefore the Agency finds and determines that the Facility is a commercial project within the meaning of Section 854(4) of the Act; and

(c) The Facility will preserve the public purposes of the Act by increasing the number of private sector jobs in the Town of Brookhaven. The Company has represented to the Agency that they will provide approximately one hundred eighty and one-half (180.5) full-time equivalent employees ("FTE") at the facility within the first year of completion.

Section 3. The Agency hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a "project", as such term is defined in the Act; and

(c) The Facility preserves the public purposes of the Act by preserving or increasing the number of permanent private sector jobs in the Town of Brookhaven. The Applicant has represented to the Agency that it expects to provide one hundred eight and one-half (180.5) full-time equivalent employees within the first year of operation; and

(d) The acquisition, construction and equipping of the Facility and the leasing of the Facility to the Applicant, will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Brookhaven, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(e) The acquisition, construction and equipping of the Facility is reasonably necessary to induce the Applicant to maintain and expand its business operations in the State of New York; and

(f) Based upon representations of the Applicant and counsel to the Applicant, the Facility conforms with the local zoning laws and planning regulations of the Town of

Brookhaven, Suffolk County, and all regional and local land use plans for the area in which the Facility is located; and

(g) It is desirable and in the public interest for the Agency to sublease the Land and the Improvements and to lease the Facility Equipment to the Company; and

(h) The Company Lease will be an effective instrument whereby the Agency leases the Land and the Improvements from the Company; and

(i) The Lease Agreement will be an effective instrument whereby the Agency leases and subleases the Company Facility to the Company, the Agency and the Company set forth the terms and conditions of their agreement regarding payments-in-lieu of taxes, the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Facility and will describe the circumstances in which the Agreement may recapture some or all of the benefits granted to the Company; and

(j) The Loan Documents to which the Agency is a party will be effective instruments whereby the Agency and the Company agree to secure the Loan made to the Company by the Lender.

Section 4. The Agency has assessed all material information included in connection with the Applicant's application for financial assistance, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the financial assistance described herein to the Applicant.

Section 5. In consequence of the foregoing, the Agency hereby determines to: (i) lease the Land and the Improvements from the Company pursuant to the Company Lease, (ii) execute, deliver and perform the Company Lease, (iii) sublease and lease the Facility to the Company pursuant to the Lease Agreement, and (iv) execute, deliver and perform the Lease Agreement.

Section 6. The Agency is hereby authorized to acquire the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 7. The Agency hereby authorizes and approves the following economic benefits to be granted to the Company in connection with the acquisition, construction and equipping of the Facility in the form of: (i) exemptions from mortgage recording taxes for one or more mortgages securing an amount presently estimated to be \$99,660,000 but not to exceed \$103,000,000, corresponding to mortgage recording tax exemptions presently estimated to be \$747,450 but not to exceed \$772,500, in connection with the financing of the acquisition, construction and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of the acquisition, construction and equipping of the Facility, (ii) exemptions from sales and use taxes in an amount not to exceed \$2,092,960, in connection with the purchase or lease of equipment, building materials, services or other personal property with respect to the Facility, and (iii) abatement of real property taxes. In connection with the

abatement of real property taxes as set forth in the PILOT Schedule on Exhibit C hereof, the current pro-rata allocation of PILOT payments to each affected tax jurisdiction in accordance with Section 858(15) of the Act and the estimated difference between the real property taxes on the Facility and the PILOT payments set forth on the PILOT Schedule on Exhibit C hereof are more fully described in the CBA developed by the Agency in accordance with the provisions of Section 859-a(5)(b) of the Act, a copy of which CBA is attached hereto as Exhibit D.

Section 8. Subject to the provisions of this resolution, the Company is herewith and hereby appointed the agent of the Agency to acquire, construct and equip the Facility. The Company is hereby empowered to delegate its status as agent of the Agency to its agents, subagents, contractors, subcontractors, materialmen, suppliers, vendors and such other parties as the Company may choose in order to acquire, construct and equip the Facility. The Agency hereby appoints the agents, subagents, contractors, subcontractors, materialmen, vendors and suppliers of the Company as agents of the Agency solely for purposes of making sales or leases of goods, services and supplies to the Facility, and any such transaction between any agent, subagent, contractor, subcontractor, materialmen, vendor or supplier, and the Company, as agent of the Agency, shall be deemed to be on behalf of the Agency and for the benefit of the Facility. (b) The Chairman, the Chief Executive Officer of the Agency or any member of the Agency are further hereby authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 12. The Company agrees to pay such expenses and further agrees to indemnify the Agency, its members, directors, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Facility.
